## STIPENDIARY STEWARD VACANCIES X 2 (MIDLANDS & YORKSHIRE)

The GBGB is currently looking to recruit two Stipendiary Steward's to cover:

**Midlands**, which will include Nottingham, Towcester and Henlow stadia and kennels covering Northampton, Birmingham, and Nottingham areas. Candidates will ideally live in the Coventry area or between the M5 & A1.

**Yorkshire**, which includes Kinsley and Doncaster stadia and kennels covering Middlesbrough, Hull, and Doncaster areas. Candidates will ideally live in Yorkshire area or East of the A1.

Reporting to the Senior Stipendiary Steward, duties will include:

- Upholding the GBGB's Rules of Racing in matters relating directly and indirectly to greyhound welfare.
- Ensuring that inspection reports of kennels and racecourses are undertaken on a regular basis.
- Conducting an annual inspection audit of racecourses, in line with UKAS accredited scheme.
- Investigating cases and contributing to the prosecution process in accordance with the Rules of Racing.

The ideal candidate will be a fast learner, confident, resilient, work well under pressure and possess the ability to tackle issues head on. A working knowledge of animal welfare legislation is highly desirable, as is experience of report writing.

Candidates must be able to demonstrate a very high standard of professional integrity and have had proven experience working in, or alongside kennels (particularly conducting inspections). Knowledge and/or a strong interest in greyhound racing is also essential. Candidates who have worked in a regulatory background or have had experience of working within a similar role will also be considered.

Familiarity of the Rules of Racing, auditing and inspection principles and conducting investigations would be a distinct advantage, although training will be provided.

The position will largely involve lone working and therefore candidates must be able to work unsupervised and hold a clean and valid driving licence. (This role will include a high volume of driving.)

Salary: £40k per annum

To apply, please email a copy of your CV, together with a covering letter, detailing which position (Midlands or Yorkshire) you are applying for and how you fit the criteria to Zoë Brown, HR Manager at [zoe.brown@gbgb.org.uk](mailto:zoe.brown@gbgb.org.uk)

## REGULATORY VETERINARY SURGEON VACANCIES

The Greyhound Board of Great Britain (GBGB) is the governing body for licensed greyhound racing in England, Scotland and Wales. As well as overseeing Stadia and the running of each race and trial, we are responsible for regulating the welfare and care of all racing greyhounds, from registration to retirement.

Welfare is of the upmost importance and the top priority for the GBGB, as reflected in the recently published 5 year Welfare Strategy (<https://www.gbgb.org.uk/welfare-care/commitment-to-care/>) which covers all stages of a racing greyhound's life. To support the delivery of the Welfare Strategy and the GBGB's commitment to optimising greyhound welfare, the GBGB has created five new Regional Regulatory Veterinary Surgeon roles.

The GBGB wishes to recruit a team of Regulatory Veterinary Surgeons to cover five geographical regions: the North (including Scotland), the Southeast (including London), the Southwest/West Midlands, the East Midlands/East Anglia, the Northwest/Northeast.

The Regional Regulatory Veterinary Surgeons will report to the Veterinary Executive. Their functions will include:

- Upholding the GBGB's Rules of Racing in matters relating directly and indirectly to greyhound welfare.
- Acting as a point of reference and support for Track Veterinary Surgeons in respect of their regulatory functions.
- Working closely with and supporting the field staff of Stipendiary Stewards, both at tracks and at trainers' residential kennels.
- Conducting annual veterinary kennel inspections at trainers' residential kennels.

Candidates will be Members or Fellows of the RCVS. You must have broad clinical skills and a minimum of two years' experience working in veterinary practice. A post graduate qualification in animal welfare or other relevant discipline would be desirable. Experience of working in animal sports or with an animal welfare charity would also be desirable.

The position will involve travel and independent working and therefore candidates must be able to work unsupervised and hold a clean and valid driving licence. Candidates must also be prepared to work flexibly and outside of usual working hours when required to do so.

This is a full time, non-clinical position and will be field based.

For a job description, requirements, and person specification, please contact Zoe Brown.

To apply for this position, please email a copy of your CV, together with a covering letter detailing how you fit the criteria detailed in the job description and person specification to Zoe Brown, HR Manager, at [zoe.brown@gbgb.org.uk](mailto:zoe.brown@gbgb.org.uk)

## ANTIMICROBIAL STEWARDSHIP: TRAINER RESPONSIBILITIES

Greyhound trainers have an important role to play in promoting the responsible use of antimicrobials at their residential kennels. By working alongside their veterinary surgeon, they can help limit the spread of antimicrobial resistance (AMR) which can be detrimental to both animal and human health.

The overuse and inappropriate use of antibiotics contribute to the development of AMR. Their use must be carefully controlled to preserve their effectiveness and to protect their continued future use in human and veterinary medicine.

To support this, GBGB has issued an advice document for greyhound trainers, track veterinarians and owners of retired greyhounds which incorporates the latest British Veterinary Association (BVA) guidance on antimicrobial stewardship. In addition to promoting the responsible and appropriate use of antibiotics, it includes advice on biosecurity, medicine control and the safe preparation and handling of feed, which can all help minimise the risk of infectious disease.

This guidance document has been circulated to all licensed trainers via their Stipendiary Steward and it can also be found within the 'Notices and Resources' area of the GBGB Portals. If you have any further questions about antimicrobial resistance, please contact your local veterinary surgeon.
