TRANSPORTATION ADVICE TO TRAINERS

We would like to issue a reminder to licensed trainers regarding commercial transportation of greyhounds and the UK regulations in place to protect welfare of animals coming in and out of the country.

Trainers should already be aware that regulations require commercial transporters to drop off animals **ONLY** at the declared delivery destination points. It is therefore a breach of regulations to deliver or collect animals at any other collection point, such as motorway service stations.

To safeguard themselves, Trainers are reminded always to act in accordance with the Health Certificate attached to the Import of Products, Animals, Food and Feed System (IPAFFS) and to receive greyhounds at the declared place of arrival.

We know that trainers will always want to do what is in the best interests of their greyhounds. Please continue to observe these regulations and highlight any concerns with commercial transporters to GBGB.

A Reminder of the Regulations

Council Regulation EC No 1/2005 (as retained) on the protection of animals during transport and related operations requires that:

- The transport must be carried out without delay to the place of destination;
- A journey is defined as the entire transport operation from place of departure to place of destination;
- Animals must remain at the destination for at least 48-hours.

To be clear, failure to comply with these regulations could be considered a breach of welfare and transport regulations as enforced by local Trading Standards and the APHA.

The law is there to protect animal welfare and a journey must be completed from start to finish by an authorised transporter in an approved vehicle. Transporters must plan their routes accordingly and cannot shorten a journey simply because it is more convenient to drop animals off on mass at one point. Trainers are reminded that assisting a transporter in such a way as to breach the Regulations may also be a breach of those Regulations and a breach of the Rules of Racing (see Rule 152(ii)).

It may be convenient or helpful for a transporter to shorten their journey, but such deliveries may lead to greyhounds being handed over in an uncontrolled environment, potentially near busy roads where escape will present very high risks to the greyhounds in questions.

REGULATORY VETERINARY SURGEON VACANCIES X 3

The Greyhound Board of Great Britain (GBGB) is the governing body for licensed greyhound racing in England, Scotland and Wales. As well as overseeing Stadia and the running of each race and trial, we are responsible for regulating the welfare and care of all racing greyhounds, from registration to retirement.

Welfare is of the upmost importance and the top priority for the GBGB, as reflected in the recently published 5 year Welfare Strategy (<https://www.gbgb.org.uk/welfare-care/commitment-to-care/>) which covers all stages of a racing greyhound's life. To support the delivery of the Welfare Strategy and the GBGB's commitment to optimising greyhound welfare, the GBGB has created five new Regional Regulatory Veterinary Surgeon roles.

The GBGB wishes to recruit a team of Regulatory Veterinary Surgeons to cover five geographical regions: the North (including Scotland), the Southeast (including London), the Southwest/West Midlands, the East Midlands/East Anglia, the Northwest/Northeast. *Please note that the North (including Scotland) and Northwest/Northeast vacancies have been filled.*

The Regional Regulatory Veterinary Surgeons will report to the Veterinary Executive. Their functions will include:

- Upholding the GBGB's Rules of Racing in matters relating directly and indirectly to greyhound welfare.
- Acting as a point of reference and support for Track Veterinary Surgeons in respect of their regulatory functions.
- Working closely with and supporting the field staff of Stipendiary Stewards, both at tracks and at trainers' residential kennels.
- Conducting annual veterinary kennel inspections at trainers' residential kennels.

Candidates will be Members or Fellows of the RCVS. You must have broad clinical skills and a minimum of two years' experience working in veterinary practice. A post graduate qualification in animal welfare or other relevant discipline would be desirable. Experience of working in animal sports or with an animal welfare charity would also be desirable.

The position will involve travel and independent working and therefore candidates must be able to work unsupervised and hold a clean and valid driving licence. Candidates must also be prepared to work flexibly and outside of usual working hours when required to do so.

This is a full time, non-clinical position and will be field based.

For a job description, requirements, and person specification, please contact Zoë Brown.

To apply for this position, please email a copy of your CV, together with a covering letter detailing which area you are applying for and how you fit the criteria specification to Zoë Brown, HR Manager, at zoe.brown@gbgb.org.uk
