BELLMORE SALLY SETS THE STANDARD IN £15,000 FINAL OF LADBROKES TV TROPHY FINAL AT CRAYFORD

BELLMORE SALLY will bid to land a big-race treble at Crayford on Saturday in the decider of the Ladbrokes TV Trophy.

Jimmy Fenwick's bitch, a standing dish in stayers events at the Kent circuit, set the fastest time in the heats. Already a winner of two Premier Greyhound Racing Golden Jacket successes over 714m, the December 2019 daughter of Droopys Sydney and Bellmore Lucy loves to front-run and has found Crayford's 874m distance much to her liking.

She won her heat by six and a quarter lengths from Diane Henry's Savana Queen, stopping the clock in 56.25sec (+40). Both qualify for tomorrow's £15,000 final.

June Harvey's Ower Smasher finished fastest of all to win the first heat, overcoming early crowding before powering through to race away for an eight-length success over Tom Levers' local star Beach Babe in 56.57sec (+40).

Harvey's son Matthew Redman said: "Smasher seems to be improving race by race at the moment - and long may that continue. Her determination and will to ride the trouble and get to the front was what stood out for me. She certainly wasn't stopping either - and was just as quick into the pick-up!

"Best of luck to all six runners and we'd like to take this opportunity to thank Ladbrokes and Crayford for staging this historic race this year. The TV Trophy is one of the most famous races in the game and it's great to have a shot at it."

A Mystical Love finished powerfully to win the second heat as the Lee Pearce's runner dropped herself out early before staying on late as the leaders jostled for position off the last bend.

Cutting through the pack, the October 2020 daughter of Whitewood Lad and Dye Hard launched a winning challenge on the final circuit to hit the front off the final turn before going on to score by two and a half lengths from long-time leader Queen Pink (Liz McNair) in 57.07sec (+40) for the 12-bend distance.

PATRICK JANSSENS COMES OUT ON TOP IN JUDGEMENT NIGHT THRILLER

Judgement is served - Towcester trainer Patrick Janssens and his supporters celebrate

PATRICK JANSSENS landed his first Premier Greyhound Racing Trainers Judgement Night victory after a thrilling finale at Perry Barr last Thursday.

Four of the six trainers headed into the last race all in with a chance of winning, but it was ante-post favourite Janssens who sealed success in the end thanks to seven points from Hawkfield Ozark who finished second in the concluding contest.

Patrick Janssens amassed a final total of 46 points ahead of Kevin Hutton (44), Mark Wallis (40), John Mullins (34), Matt Dartnall (27) and Richard Rees (12).

The Towcester trainer was quick to praise his team and said: "Firstly I'd like to thank Cheryl, Ria, Jamie, Kelly and Ron Mills for all their help. And fair play to Cheryl, Ria and Jamie for persuading me to pick Hawkfield Ozark over Coolavanny Shado for the team. Shado is the faster dog but he's not as consistent as Ozark and this is an event when you must pick up as many points as possible.

"This is a great event and fantastic for us to win for the first time. We've been fortunate to win most things in the sport, but this was a first for us which is great. Thank-you to Arc, Entain, Premier Greyhound Racing and to Perry Barr for their hospitality, organisation and track conditions which were absolutely spot-on."

REGULATORY VETERINARY SURGEON VACANCIES X 2

The Greyhound Board of Great Britain (GBGB) is the governing body for licensed greyhound racing in England, Scotland and Wales. As well as overseeing Stadia and the running of each race and trial, we are responsible for regulating the welfare and care of all racing greyhounds, from registration to retirement.

Welfare is of the upmost importance and the top priority for the GBGB, as reflected in the recently published 5 year Welfare Strategy (<https://www.gbgb.org.uk/welfare-care/commitment-to-care/>) which covers all stages of a racing greyhound's life. To support the delivery of the Welfare Strategy and the GBGB's commitment to optimising greyhound welfare, the GBGB has created five new Regional Regulatory Veterinary Surgeon roles.

We still require Regulatory Veterinary Surgeons to cover two geographical regions: The Southwest/West Midlands and the East Midlands/East Anglia.

The Regional Regulatory Veterinary Surgeons will report to the Veterinary Executive. Their functions will include:

- Upholding the GBGB's Rules of Racing in matters relating directly and indirectly to greyhound welfare.
- Acting as a point of reference and support for Track Veterinary Surgeons in respect of their regulatory functions.
- Working closely with and supporting the field staff of Stipendiary Stewards, both at tracks and at trainers' residential kennels.
- Conducting annual veterinary kennel inspections at trainers' residential kennels.

Candidates will be Members or Fellows of the RCVS. You must have broad clinical skills and a minimum of two years' experience working in veterinary practice. A post graduate qualification in animal welfare or other relevant discipline would be desirable. Experience of working in animal sports or with an animal welfare charity would also be desirable.

The position will involve travel and independent working and therefore candidates must be able to work unsupervised and hold a clean and valid driving licence. Candidates must also be prepared to work flexibly and outside of usual working hours when required to do so.

This is a full time, non-clinical position and will be field based.

For a job description, requirements, and person specification, please contact Zoë Brown.

To apply for this position, please email a copy of your CV, together with a covering letter detailing which area you are applying for and how you fit the criteria specification to Zoë Brown, HR Manager, at zoe.brown@gbgb.org.uk

1 **Perry Barr Stadium- GO GO JO - Professional Trainer Mr John Lambe**

Professional Trainer Mr John Lambe was found in breach of rules 152(i), 174 (i)(b) and 217 of the GBGB Rules of Racing in that on analysis by LGC Health Sciences a urine sample taken from the greyhound **GO GO JO** at Perry Barr Stadium on 16th July 2022 was found to contain the substances lidocaine and 3-hydroxylidocaine.

Mr John Lambe was in attendance by computer link as were Meriel France, Stipendiary Steward and Professor Tim Morris, independent scientific adviser. Dan Bradshaw from the Perry Barr Racing Office attended from the track alongside Mr Lambe.

On the 16 October 2022 a pre-race sample was taken from GO GO JO trained by Mr Lambe which upon analysis by LGC identified the presence of lidocaine and 3-hydroxylidocaine. GO GO JO was competing in a graded race at Perry Barr in which she finished 5th at odds of 5/1. The greyhound's form at Perry Barr has been consistent and there were no unusual betting patterns on the race in question.

Professor Morris gave evidence that lidocaine is a local anaesthetic available as an injection, spray and cream for veterinary use including cats, dogs and horses. There are a wide variety of preparations containing lidocaine (including Germoloids ointment) used for treating people. 3- hydroxylidocaine is a metabolite of lidocaine in dogs. Lidocaine as a local anaesthetic is a substance which by its nature could affect the performance of the greyhound or could prejudice its wellbeing. Professor Morris continued that a review of the Treatment Book and other records of Trainer Lambe (including the application of Ostrich and Black Seed oil creams) did not suggest anything to explain the finding of lidocaine and 3-hydroxylidocaine in the sample taken from GO GO JO but this could have arisen from a number of potential sources namely its use to reduce pain from an injury, procedure or condition, from cross contamination or from feed or as a result of deliberate administration. Professor Morris added that a small amount of lidocaine applied topically to an area of soreness in a greyhound would be very effective in reducing pain.

Mr Lambe stated that neither he nor any veterinary surgeon had administered lidocaine to GO GO JO but admitted that he fed his racing dogs Category 2 Animal By Products meat (and would continue to do so if the Committee considered the positive sample not to have resulted from the feeding of

Category 2 ABP meat!) He added that at the relevant time he had used Germoloids ointment without surgical gloves when applying the cream 3 times a day and that he was not careful to wash his hands after each application. This despite apparently using surgical gloves when he applied ibuprofen gel to a sore back.

The Committee were concerned with Mr Lambe's declared intention to continue to use Category 2 meat despite his awareness of the Calendar notices warning that this was high risk and were also concerned that he apparently had no receipts for the meat supplied. He could not therefore be certain what he was feeding his greyhounds. He stated that he was unaware if his meat supplier also supplied Category 3 meat, albeit at a higher price but would now enquire.

The Committee concluded that they could not be certain that there had not been a deliberate administration of lidocaine in this case. They were however clear that Mr Lambe's care of his greyhounds had been seriously deficient in terms both of the feeding of Category 2 Animal by Products meat to his racing greyhounds and in his failure to ensure that his use of a medication containing lidocaine did not cause through cross-contamination the positive urine sample. On the balance of probabilities the Committee considered that the positive sample had been caused by cross-contamination from Mr Lambe's use of Germoloids ointment and found

Mr Lambe in breach of Rules 152(i) 174 (i)(b) and 217 of the GBGB Rules of Racing. Taking into account his previous breaches Mr Lambe was severely reprimanded and fined £1000.

2 **Sunderland Stadium- BAY CITY PINTO - Professional Trainer Mrs Shirley Linley**

Professional Trainer Mrs Shirley Linley was found in breach of rules 152(i), 174 (i)(b) and 217 of the GBGB Rules of Racing in that on analysis by LGC Health Sciences a urine sample taken from the greyhound **BAY CITY PINTO** at Sunderland Stadium on 4 September 2022 which was found to contain the substances Norethisterone, 5a-estrane-17a-ethynyl-3b, 17b-diol and 5b estrane-17a-ethynyl-3a, 17b-diol and a hydroxylated metabolite ("the Metabolites").

Professional Trainer Shirley Linley was in attendance by computer link as were Simon Storey, Stipendiary Steward and Professor Tim Morris, independent scientific adviser. Joe Frelford, Senior Racing Manager at Sunderland Stadium apologised for his absence.

On the 4 September 2022 a pre-race sample was taken from greyhound **BAY CITY PINTO** trained by Shirley Linley which upon analysis by LGC identified the presence of Norethisterone and the Metabolites. **BAY CITY PINTO** had been competing in a graded race at Sunderland stadium where he finished 5th beaten 5 ¾ lengths after being crowded at the 3rd bend. He had started at 2/1F. On the whole **BAY CITY PINTO**'s form has been consistent and there were no unusual betting patterns reported.

Professor Morris advised that Norethisterone is not available as a veterinary medicine. It is an authorised human medication which may be prescribed by greyhound veterinarians exercising their clinical judgement under the prescribing cascade to provide long-term suppression of oestrus. Norethisterone has anabolic effects, especially at higher doses and given to male dogs it has the potential to produce adverse female sex steroid effects. Accordingly, when given to a male dog Norethisterone is a substance which by its nature could affect the performance or could prejudice the wellbeing of the male greyhound. Professor Morris having considered the copy prescriptions supplied by Ms Linley for administration of Norethisterone to her female greyhounds for oestrus suppression thought it probable that the Norethisterone and Metabolites

found in the sample taken from **BAY CITY PINTO** originated from ingestion of norethisterone by **BAY CITY PINTO**.

The Committee considered the evidence provided both orally and in her statement dated 2 November 2022, by Ms Linley of the measures taken when feeding her approximate 70 greyhounds to distinguish between the almost equal number of male and females (whose feed would contain daily the ½ tablet of Norethisterone). It appeared that the measures should have prevented a male dog having access to a Norethisterone tablet especially as the feeding was only undertaken by Ms Linley or her experienced daughter-in-law whom she said always took great care when feeding the greyhounds to separate the males from the females. Feeding would often take up to 2 ½ hours in total and Ms Linley described the efforts she took to ensure that the Norethisterone tablets were seen to be ingested by the females. She could only surmise that **BAY CITY PINTO**'s kennel companion, a suppressed female called Gurnacreehy Tara had vomited her feed, (probably on her bed) containing the tablet and **BAY CITY PINTO** had ingested the vomit.

Although the Committee found Ms Linley in breach of Rules 152 (i) 174(i) (b) and 217 of the GBGB Rules of Racing they felt that Ms Linley could hardly have taken more care than she did to avoid this occurrence and administered a Caution but no monetary fine.

3 **Sunderland Stadium- DUNQUIN DREAMER - Professional Trainer Mr Brian Fairbairn**

Professional Trainer Mr Brian Fairbairn was found in breach of rules 152(i), 174 (i)(b), 214 and 217 of the GBGB Rules of Racing in that on analysis by LGC Health Sciences a urine sample taken from the greyhound **DUNQUIN DREAMER** at Sunderland Stadium on 17th November 2022 which was found to contain hydroxylated metabolites of pentobarbital.

Professional Trainer, Mr Brian Fairbairn was in attendance by computer link as were Simon Storey, Stipendiary Steward and Professor Tim Morris, independent scientific adviser. Joe Frelford, Senior Racing Manager at Sunderland Stadium apologised for his absence.

On the 17 November 2022 a pre-race sample was taken from **DUNQUIN DREAMER** trained by Mr Fairbairn which upon analysis

by LGC identified the presence of hydroxylated metabolites of pentobarbital. **DUNQUIN DREAMER** was competing in an Open Race at Sunderland where he finished 6th beaten 113/4 lengths at odds of 9/1. His finishing position was unsurprising as the race winner was Coolavanny Aunty at odds of 1/5F. **DUNQUIN DREAMER** competes regularly in Open Races and shows consistent form. There were no unusual betting patterns.

Professor Morris gave evidence that the finding of hydroxylated metabolites of pentobarbital was consistent with exposure of the greyhound to pentobarbital, a veterinary medicine used for euthanasia of animals in the UK and Ireland. It causes sedation, anaesthesia and death through respiratory and cardiac arrest and as such is a substance which by its nature could affect the performance of a greyhound or prejudice its wellbeing. As pentobarbital was widely used by veterinary surgeons for the euthanasia of horses and farm animals it is not uncommon to find residues of drugs including pentobarbital in Category 2 Animal by Products meat. Professor Morris concluded that the likely source of pentobarbital in this case was the feeding of meat contaminated with pentobarbital residues.

Mr Fairbairn gave evidence that he had been in the practice of feeding his racing greyhounds inter alia with meat which he knew to be Category 2 Animal by Products meat. His father Mr George Fairbairn claimed in his evidence that the supplier had assured him that the meat supplied was only beef. However, the receipts for the Category 2 ABP meat supplied during the relevant period were clearly described as "knacker" meat. Mr Fairbairn said he had changed his practice after receiving notification of the positive sample and now only fed Category 3 ABP meat to his racing greyhounds. Mr Fairbairn stated that he would never administer pentobarbital to a greyhound and there was no evidence to suggest that the pentobarbital could have come other than from the feeding of contaminated meat.

There had been breaches of the rules 152 (i) 174 (i) (b) 214 and 217 of the GBGB Rules of Racing in this case and the Committee considered the submission of the Director of Regulation. Mr Fairbairn was cautioned and fined £ 200.

1 Licensed Kennelhand Mr Mark Pierrepont

Licensed Kennelhand Mr Mark Pierrepont was found in breach of Rule 152 (ii) of the GBGB Rules of Racing in that by conduct at the annual GBGB Awards Dinner held at the Royal Lancaster Hotel, London, on 15 May 2022 he acted in a manner prejudicial to the proper conduct and to the good reputation of greyhound racing as regulated by GBGB.

Mr Pierrepont was in attendance at the London offices of the GBGB as was the Board's witness, greyhound owner Ms Searle.

The Committee heard that both Mr Pierrepont and Ms Searle attended the awards dinner at the Royal Lancaster Hotel, London, on 15 May 2022. Mr Pierrepont was a kennelhand of a greyhound that won an award. Ms Searle was an owner of a greyhound that was nominated for an award. The occasion had been compered by the well-known greyhound racing journalist and commentator, Mr Jonathan Hobbs.

It was an incident that had occurred between Mr Pierrepont and Mr Hobbs during an early interval in the evening's proceedings that resulted in the inquiry under consideration by the Disciplinary Committee. The Committee heard two quite different and contradictory accounts of this incident from Mr Pierrepont and from the Board's witness, Ms Searle.

The Committee were able to consider Ms Searle's statement provided to the Local Inquiry held on 17 October 2022 and hear her oral evidence. She told how, at an early interval in proceedings at the awards dinner, she had left her table to go to the cloakroom. On her way back to her table she encountered Mr Hobbs who was looking at the seating plan at the end of the bar area. She was in conversation with Mr Hobbs when Mr Pierrepont approached him.

Ms Searle described how an exchange followed in which Mr Pierrepont began telling Mr Hobbs that "people like him just took from the sport and gave nothing back". She said Mr Pierrepont had repeated this several times before Mr Hobbs responded. When he did, he complained that Mr Pierrepont was "always on his case" making this same charge. At this, Ms Searle said,

Mr Pierrepont grabbed hold of Mr Hobbs's tie by its knot and pushed his face into Mr Hobbs's. He held Mr Hobbs so that their foreheads were together. Mr Pierrepont had then said, "If you want to take this outside, I am happy to go outside with you". She said Mr Hobbs had turned his head away, towards her, as if to avoid a confrontation. She had reacted by putting her hand on Mr Pierrepont's hand that was grasping Mr Hobbs' tie and had put her other arm around Mr Pierrepont's shoulder, speaking to him to try to defuse the situation. But Mr Pierrepont had ignored her, she said, continuing to hold onto Mr Hobbs's tie so that he was "in his face". Mr Pierrepont repeated at least three times words to the effect "Let's go outside", before finally releasing Mr Hobbs and walking away. Ms Searle said Mr Pierrepont had spoken quietly and in a controlled way. He had not been trying to throttle Mr Hobbs and had not struck him, but he had been physically aggressive and threatening to Mr Hobbs and had left him shaken.

Mr Pierrepont chose not to give any statement to the Local Inquiry or provide any statement putting his case as to what occurred until appearing before the Committee. His evidence to the Committee was that it had been Mr Hobbs who had called him over as he was returning to his table with two pints of beer that he had just bought at the bar. He said he had known Mr Hobbs for some 20 years and they were on good terms, although they had exchanged banter when they met at the track and he had previously publicly expressed the view that Mr Hobbs was one of those who were "first in line" to get something out of greyhound racing, without "giving back" to the sport. He said he had been surprised by Mr Hobbs's tone when he had called out "Pierrepont, I want you" and that, despite holding a pint of beer in each hand, he had approached and offered to shake Mr Hobbs' hand. He said Mr Hobbs had declined to do this and began to complain that he had been "going on for months" about Mr Hobbs being "a taker" rather than "a giver" to the sport. Mr Pierrepont said the conversation had continued on this topic, "going round in circles" until he had suggested they "talk about it at some future date" and had walked away. He said he had not taken hold of Mr Hobbs's tie or pushed his face into Mr Hobbs's face or said anything to the effect that they should "take this outside" or been in any way aggressive or threatening.

It was clear to the Committee that neither Mr Pierrepont nor Ms Searle

could be honestly mistaken about whether Mr Pierrepont took hold of Mr Hobbs's tie and made the suggestion that he and Mr Hobbs "go outside".

Mr Pierrepont maintained that this was a lie by Ms Searle. His case to the Committee was that Ms Searle had made up this story as part of a conspiracy to damage him that had been pursued by Ms Searle and others who, he suggested, had been waging a campaign on the Greyhound Scene website, social media and otherwise against him and the trainer for whom he worked. But Mr Pierrepont did not produce or refer to anything amounting to credible evidence that any such conspiracy had occurred or that Ms Searle had been any part of any such conspiracy.

The Committee found Ms Searle to be an honest and conscientious witness who had done her best to assist after she had been approached in course of the GBGB inquiry into this incident. She had been doing her best to assist the Committee with a careful and accurate recollection of what had happened. The Committee unhesitatingly preferred her evidence to that of Mr Pierrepont. It was also inherently unlikely that Mr Hobbs would have chosen the short interval between carrying out his duties as comper of the annual GBGB awards ceremony to pick an argument or invite a confrontation with Mr Pierrepont. On the clear and cogent evidence before it, the Committee concluded on the balance of probabilities that, sadly, Mr Pierrepont was not telling the truth and that his conduct had been as described by Ms Searle.

The Board asked the Committee to find Mr Pierrepont in breach of Rule 174 (xii) of the GBGB Rules of Racing. However, the Committee did not think that the Royal Lancaster Hotel on the occasion of the annual awards dinner constituted "premises ... used by the GBGB" for the purposes of Rule 174 (xii) properly construed.

Nevertheless, it was very clear that, on the balance of probabilities, Mr Pierrepont's conduct on this occasion had been in breach of Rule 152 (ii). It was not suggested that there had been any serious physical assault or any physical injury caused to Mr Hobbs, but this was wholly unacceptable, seriously threatening behaviour towards the person engaged by the GBGB to present its major, high profile annual event, celebrating the achievements of the sport and participants in the sport. Mr Pierrepont acted in a manner that was seriously prejudicial to the

proper conduct and to the good reputation of greyhound racing as regulated by GBGB. The Committee ordered that Mr Pierrepont receive a Caution and be required to pay a fine of £200.

LOCAL INQUIRIES

1 SHEFFIELD STADIUM

At a local inquiry held by the Area Stipendiary Steward on 14 February 2023, **Sheffield Stadium** was cautioned and fined the sum of £500 for a breach of rules 129 and 130 for failing to ensure the greyhounds were placed in the appropriate Starting Trap, resulting in a void race being declared on 23rd January 2023.
