GREYHOUND DERBY ENTRY FORM,
NEW VETERINARY TREATMENT GRANT AND ALL
THE BIG RACE ACTION FROM AROUND THE TRACKS

Never give up: After 19 races without success, trainer Richard Rees finally found the key to unlocking Drive On Lad at the start of the KAB Maiden Derby at Towcester, the strong-running fawn completing a hat-trick of wins in the £10,000 decider last Sunday. This is the first Cat One success for owner Jeremy Hayes after 20 years of trying, and the second for in-form handler Richard Rees this year.

REGULATORY VETERINARY SURGEON VACANCY

The Greyhound Board of Great Britain (GBGB) is the governing body for licensed greyhound racing in England, Scotland and Wales. As well as overseeing Stadia and the running of each race and trial, we are responsible for regulating the welfare and care of all racing greyhounds, from registration to retirement.

Welfare is of the upmost importance and the top priority for the GBGB, as reflected in the recently published 5 year Welfare Strategy (<https://www.gbgb.org.uk/welfare-care/commitment-to-care/>) which covers all stages of a racing greyhound's life. To support the delivery of the Welfare Strategy and the GBGB's commitment to optimising greyhound welfare, the GBGB has created five new Regional Regulatory Veterinary Surgeon roles.

We still require a Regulatory Veterinary Surgeons to cover the East Midlands/East Anglia, to make up our new team of five.

The Regional Regulatory Veterinary Surgeon will report to the Veterinary Executive. Functions will include:

- Upholding the GBGB's Rules of Racing in matters relating directly and indirectly to greyhound welfare.
- Acting as a point of reference and support for Track Veterinary Surgeons in respect of their regulatory functions.
- Working closely with and supporting the field staff of Stipendiary Stewards, both at tracks and at trainers' residential kennels.
- Conducting annual veterinary kennel inspections at trainers' residential kennels.

Candidates will be Members or Fellows of the RCVS. You must have broad clinical skills and a minimum of two years' experience working in veterinary practice. A post graduate qualification in animal welfare or other relevant discipline would be desirable. Experience of working in animal sports or with an animal welfare charity would also be desirable.

The position will involve travel and independent working and therefore candidates must be able to work unsupervised and hold a clean and valid driving licence. Candidates must also be prepared to work flexibly and outside of usual working hours when required to do so.

This is a full time, non-clinical position and will be field based.

For a job description, requirements, and person specification, please contact Zoë Brown.

To apply for this position, please email a copy of your CV, together with a covering letter detailing how you fit the criteria specification to Zoë Brown, HR Manager, at zoe.brown@gbgb.org.uk

GRAND PRIX WINNER COONOUGH CROW USHERS IN NEW ERA FOR MARK WALLIS AND OWNERS THE MWD PARTNERSHIP

COONOUGH CROW kick-started champion trainer Mark Wallis's brand new ownership model with victory in the Arena Racing Company Grand Prix Final over 640m at Sunderland.

Wallis has teamed up with Mike Davis and Michelle Connolly to form the MWD Partnership and the first greyhound purchased for the new set-up duly delivered an early notable success in the famous six-bend Category One annual at the Wearside venue.

However, from lids-rise it was Skywalker Stan (Ted Soppitt) who set the early tempo, racing into a decent lead, but in behind the eventual winner began to make her move, along with the Tom Heilbron-trained pair of Links Top Gun and Darbys Delight.

Hitting the front down the far side, Coonough Crow got first run on her rivals and always looked set to land the £12,500 first prize thereafter, crossing the line a length and a quarter ahead of the staying-on Darbys Delight and Links Top Gun just behind in third.

The winning time for the October 2020 daughter of Eden the Kid and Coonough Dolly was 39.40sec (+20) and the victory delighted trainer Wallis, who said the two-year-old had improved since reaching the Premier Greyhound Racing Golden Jacket Final at Crayford in the weeks following her arrival at Imperial Kennels.

"That was almost a bonus," said Wallis. "She was really still settling in but has come forward since and actually the trip at Sunderland played to her strengths - and the track itself was in great condition. Fair play to Arc, too, for getting the Grand Prix back to where it should be in terms of prize-money.

"We'll travel for these major prizes. It's what the MWD Partnership is about and why we've taken the decision to reduce numbers here at the kennel, but target the big competitions. It's never easy to beat the Newcastle and Sunderland trainers on their own patch as such but it's great for us that we've managed to do it on this occasion.

"And to win with the first runner we purchased for the MWD Partnership makes it especially sweet.

"It was a busy weekend with Minnie Bullet in the (Bet365) Hunt Cup final at Oxford and Crossfield Cora in the (KAB) Maiden Derby at Towcester. It meant a whirlwind trip to three tracks for Mike and Michelle but all the dogs ran well and came back in good form which is the main thing. Getting to these finals has been a good start for the MWD partnership."

For his part, a delighted Mike Davis added: "We really didn't expect to win a Category One competition so soon in the partnership, but I thought Crow ran excellent. Mark and his team brought her forward in her races and she peaked at Sunderland at the right time - in the final - which means it's been an amazing training performance.

"Arc provided great hospitality at Sunderland, looking after the connections of all the finalists in the restaurant, and also provided a large framed photo of the respective finalists on each of the tables. It's the little touches that make it feel special as an owner and Sunderland looked after us fantastically well.

"The breeder of Coonough Crow, Richard Cully from Kildare, was on to us straight away and is over the moon with the win. He can't wait to get Crow back for breeding and to continue the line!

"It was massive road trip but a great one with finalists at Oxford and Towcester making for a great weekend. We love watching the dogs race and, if you're lucky enough to win one of these major events, then it's even better."

DROOPYS FIDGET SIMPLY FLIES IN STEEL CITY PUPPY DERBY AT SHEFFIELD IN 28.35SEC

Trainer Nathan Hunt landed his first GBGB Category One title in the inaugural Steel City Puppy Derby Final at Sheffield with the fantastic Droopys Fidget, and is looking to the future.

Favourite for the £15,000-to-the-winner 500m event after wins in both heat and semi-final, the August 2021 daughter of Out Of Range ASB and Droopys Natalia completed her unbeaten run through the competition in brilliant style as a smash-break put the Paul Allen and John Gilson-owned youngster soon in command on her way to a comfortable victory.

Racing away from her field, the Monmore Puppy Derby semi-finalist had pulled five and a quarter lengths clear of her rivals by the winning line, finishing ahead of runner-up Givemeabreak (Mark Wallis) and third-placed Wicky Hiker (Sean Parker). The winning time for Droopys Fidget was a fast 28.35sec (+10).

A delighted winning trainer, who holds a dual contract at Monmore and Romford, said: "It was a brilliant night at Sheffield and hats off to the management who put on a good show for the final and were very accommodating throughout the competition.

"I thought Droopys Fidget was faultless in the final. She broke the best she ever has in her short career and maintained a hard gallop all the way to the pick-up."

Of the victory at the Owlerton Stadium, which saw Nathan Hunt land a first Category One in his own right having been assistant to Philip Simmonds for his successes, the trainer said: "It was fantastic to land our first Cat One and I have to thank all the staff at Trinity Kennels - Phil, Maisie, Sarah, Tammy, Paula, Ward and Shane.

"I'd also like to thank physio Ron Mills who helped get her spot-on for the final.

"The plan had been to take her to Hove for the Seasons Scaffolding Puppy Cup at Hove but we pulled her out. She put a lot into the race and I just felt it was a quick turnaround in the circumstances.

"We'll give her a couple of weeks off and go from there, although I wouldn't rule out the Derby for her. Then again, nature may take its course at any stage and, if she was to come in season, that would hardly be a disaster at all. It would give her plenty of time."

REMARKABLE ONE-TWO-THREE FOR TRAINER LIZ MCNAIR IN BET365 HUNT CUP AT OXFORD

HAVANA LOVER led home a brilliant one-two-three for Liz McNair and the KSS Syndicate when producing arguably a career-best performance when running away with the £10,000 Bet365 Hunt Cup Final at Oxford last Friday.

A finalist in 2022 when the event was held at sister track Towcester, the August 2020 daughter of Laughil Blake and Love Honey lined up as one of three McNair-trained finalists in the 650m feature and always looked a likely winner as the strong-running two-year-old turned second behind pace-setting kennelmate Havana Top Note.

Making her move down the far side second time, Havana Lover hit the front approaching the penultimate bend and drew quickly away to score by five lengths from running-on King Ezra, another kennelmate at the McNairs' Kent base, who crossed the line half a length in front of Havana Top Note.

The winning time was 39.41sec, inside the track record, but not official given the race was hand-timed due to issues with the traps which had a seen a new set installed for the final.

Winner of the SportyStuff TV Puppy Cup on Derby final night last year before becoming a Classic champion when winning the Premier Greyhound Racing St Leger at Perry Barr, Havana Lover is one of the biggest stars at the Ashford kennels of Liz and Rab McNair - and the trainer's husband was delighted with the victory.

"She's run brilliant," said Rab McNair. "We knew she was well and was back to her best. We left her off after Oxford at the backend of the year and she only came back for the Kent Plate at Central Park. We know 500m is not her trip, but it gave her a run and set her up for six bends at Oxford.

"She's a former track record holder and we know she runs the track well - even the time tonight was superb. She's got a touch of class as the St Leger winner.

"I'd also like to say well done to Kevin Boothby. He made the decision to change the traps and, while I know things haven't gone smoothly, I'm behind him what he's trying to do and what's he's done already. We'll be returning to Oxford. Don't worry about that!"

Of the night itself, Oxford racing manager Simon Pearson said: "I think most of us greyhound folk have fond memories of the Hunt Cup from its Reading days and it's been great to be involved in the first two runnings since it's return to the Calendar - at Towcester last year and now at Oxford.

"Everyone's aware of the issues we had on semi-final night but it was great to see the final night go without a hitch and we had a brilliant winner of the Bet365 Hunt Cup in Havana Lover. Well done to Liz and Rab McNair and the KSS Syndicate.

"It's great having the Saturday nights back - the locals love it - and we're getting some very decent crowds in."

LADBROKES TV TROPHY AND CHAMPION HURDLE DAY - CRAYFORD

BELLMORE SALLY joined a select band of greyhounds when landing a brilliant victory in the £15,000 Ladbrokes TV Trophy Final at Crayford recently.

In adding the famous marathon competition to her two Premier Greyhound Racing Golden Jacket successes at the Kent venue, Jimmy Fenwick's bitch established herself as one of the greats and joined Glenowen Queen and Heavenly Lady as just the third greyhound to win both a TV Trophy and Golden Jacket.

Lining up favourite for the 874m showpiece after an impressive heat success on the step up to a marathon distance, the Neil McGregor-owned repeated the dose in the final once pacing up to lead into the first bend, after which the December 2019 daughter of Droopys Sydney and Bellmore Lucy never looked in danger.

To her credit, Ower Smasher (June Harvey) emerged from the chasing pack on the final lap and stayed on well, albeit was three and a half lengths adrift of the Newcastle bitch at the line in a time of 56.38sec (+40). Another strong-running sort A Mystical Love (Lee Pearce) came home in third.

A delighted winning trainer Jimmy Fenwick said: "We clocked them in the heats and knew what she had to do in the early part of the race to get clear of some of the fast finishers - and she's managed to do that. We're just delighted.

"Many thanks to Crayford for their hospitality and to the sponsors for putting up the prize-money. Thanks to the whole team back home and to Neil (McGregor) who's a great owner. It's a long trip for all of us, but we're used to it now!

"I'll be campaigning for Crayford to stage next year's TV Trophy now! We love coming here and, more importantly, so does Sally. She travels down without a fuss and just runs the track really well. And it's great to win the TV Trophy - it's one of the races we grew up wanting to win and it's fantastic to be on that roll of honour now."

Danny Rayment, Crayford racing manager, said: "Well done to Jimmy and Melanie Fenwick and, of course, Bellmore Sally. She's been brilliant in the (Ladbrokes) TV Trophy, as she was in the Premier Greyhound Racing Golden Jacket - twice!

"I've already spoken to Jimmy and he's already looking to come back here for the Jay & Kay Coach Tours Kent St Leger in a few weeks' time - and I'm sure wouldn't mind the TV Trophy being back here next year. I'm not sure that'll be the case, however!

"This was the last year of a deal to host the TV Trophy among the Entain tracks but I'm sure we'd be keen to continue our association with this great competition.

"It was great to stage the (Ladbrokes) Champion Hurdle alongside the TV Trophy, plus we have two supporting competitions also with the Ladbrokes Easter Sprint Cup and the Time Greyhound Nutrition Easter Trophy.

"Time Greyhound Nutrition are new sponsors here and recently backed a kennel sweepstakes, as well as the Easter Trophy. We'll be looking to organise another event for them shortly."

LENSON DOOLIN made it third time lucky in the famous competition when producing a brilliant track record-breaking performance in the £10,000 Ladbroke's Champion Hurdle Final at Crayford.

Trained by Ricky Holloway for Simon Trubshaw, the May 2019 son of Azza Azza Azza and The Other Tessa had given the track record a shake in the semi-finals but this time bettered the best previous figures held jointly by two other former Holloway stars in Razldazi Raidio and Droopys Cruiser.

Well away and soon in command in the 380m decider, Lenson Doolin never looked in any danger of defeat as he piled on the pressure up front and ran right away from his field, winning by no less than 12 and a half lengths from kennelmates Mustnt Touch It, Tullig Bee and Bennys Champ for a Holloway-trained 1-2-3-4.

The winning time for Lenson Doolin was 23.10sec (+10), eight spots inside the previous best.

Borna Rhythm (Tony Collett), last year's champion when the event was held at Central Park, was fifth ahead of another Holloway-trained runner in Ritzy Spirit, crowded out of contention when making his move into the third bend, of a GBGB Category One competition his trainer dominated with five finalists.

In winning, Lenson Doolin, in his third Champion Hurdle final having run-up to Borna Rhythm last year, landed Ricky Holloway a sixth Champion Hurdle victory after wins for Soviet Military (2013), Razldazi Raidio (2016), both at Wimbledon, plus Lenson Wilson (2018), Turnhouse Jet (2019) and Tookmaker Daddy (2021), all at Central Park.

The victory also established a new record for the Crayford handler in terms of number of major big-race hurdles races landed - Springboks, Grand Nationals and Champion Hurdles - breaking a record jointly held by trainers Tommy Foster and Colin West.

He said: "That takes me above Tommy and Colin and I'm extremely proud to have achieved that with one of my best ever hurdlers in Lenson Doolin. To beat the track record in any final is great, but in these circumstances it's extra special.

"The 'Lenson' prefix is very much Pat and Len Ponder's and, at this very sad time for that lovely family, this victory means a whole lot more."

For winning owner Simon Trubshaw, the Champion Hurdle victory of Lenson Doolin completed a set of major hurdles win for this hurdles-loving fan of the sport, and he was delighted with the four-year-old's success at the Kent track.

"I thought he was brilliant and to break the track record is an added bonus," he said. "I've always loved the hurdlers. They provide us with great excitement and I'm already looking ahead to the Springbok - I've got the ownership papers in my pocket for a dog who's heading to Hove with Ricky for that competition in mind!

"Hopefully more tracks get involved with hurdles racing. I don't live far from Towcester and it was good to see a hurdles race there last year on Derby final night. Hopefully they can be staged more regularly in future."

PENNY DROPS FOR DRIVE ON LAD WHO LANDS THE CAT ONE KAB MAIDEN DERBY AFTER LONG LOSING SEQUENCE

DRIVE ON LAD now heads next for the Star Sports/TRC English Greyhound Derby after winning the KAB Maiden Derby Final at Towcester last Sunday for trainer Richard Rees and owner Jeremy Hayes.

The November 2020 son of Pat C Sabbath and Drive On Robyn had been considered one of the fastest and best maidens in training after building up a losing sequence, but the penny dropped for the Hove raider in the £10,000 competition - once he got his head in front in the first round proper after finishing second in the qualifying round.

After that, Drive On Lad was not to be denied, winning his semi-final, and then repeating the dose in the 500m decider with a show of all-round pace off the back of a good start, setting up a popular victory at the Northamptonshire venue.

Pacing up well, Drive On Lad forced his way to the front off the second bend and thereafter was not to be denied as he kept all-comers at bay before crossing the line a head clear of always-handy Hopes Woolfoof (Jason Heath) with early leader Crossfield Cora (Mark Wallis) just a half a length back in third.

Fourth place Garryvoe Rocky (Patrick Janssens) finished just behind in a driving finish for the line, but victory went to Rees's charge and the trainer himself was delighted to have notched another GBGB Category One title with this particular runner.

"I'm delighted for the dog because he'd been called some names - sometimes by us!" he laughed. "He just seemed to keep finding one or two too good. Five races without a win, then became ten, then 15, and it went on. But as Jackie (wife and assistant trainer) said he'd mixed in top, top company.

"Remember he was second to Antigua Sugar in the (Stadium Bookmakers) Juvenile Classic at Towcester, then made the (M Lambe) Birmingham Cup final at Perry Barr. He'd also run behind the likes of our own Burnchurch Mick, so we're talking about some pretty good races - and he was always in the mix.

"In the end, we tried him over 575m at Romford, but then thought why not the Maiden Derby given he still hadn't won! So we kept him off, just in case, and aimed for this event - and to be honest this return to Towcester has been the making of him. Once he got his head in front second time back here he liked it!"

Winning owner Jeremy Hayes had earlier told RPGTV: "I'm lost of words, for once! I can't explain what it feels like to have finally won a Cat One after 20 years of trying. I thought we might have won the Juvenile Classic last year until the line - and that was torture - and I just hoped as they hit the line this time he was in front. Thankfully he was."

GBGB LAUNCHES NEW DSMP VETERINARY TREATMENT GRANT

The Greyhound Board of Great Britain (GBGB) has announced a new grant for greyhound trainers and owners who have incurred veterinary costs due to an infectious disease outbreak at their licenced residential kennels.

The grant has been established to support the work of GBGB's Disease Surveillance and Monitoring Programme (DSMP), an ongoing national survey which monitors and collects information about sudden death and diseases in the racing greyhound population.

The new DSMP grant is available to support trainers or owners with specific veterinary costs related to a contagious disease outbreak. This includes medical investigations as well as medications or treatments prescribed by the attending veterinary surgeon.

The new funding is in addition to GBGB's Hardship Grant, which is available to support trainers impacted by kennel closure due to a disease outbreak. It is also separate from GBGB's **Injury Recovery Scheme**, which assists in financing veterinary treatment related to any career-ending injury that occurs at the track.

The following are current examples of disease outbreaks which would be eligible for support via a DSMP grant:

- Canine Haemorrhagic Pneumonia (CHP)
- Clostridium Perfringens A (also known as Haemorrhagic Gastroenteritis, HGE)
- New Variant Kennel Cough (KC) Complex (KC cases which progress to pneumonia)

The following examples are of disease outbreaks which would not be eligible for support under this grant scheme, unless fatalities occur:

- Kennel sickness
- Typical kennel cough

Further information about the grant and eligibility criteria will be sent to trainers and an application form will be uploaded to the GBGB Owner and Trainer Portals.

Tiffany Blackett, GBGB Veterinary Executive, said:

"Dealing with an outbreak of contagious disease is a stressful situation for any kennel to find themselves in. This grant will support trainers during these difficult times by ensuring that no trainer is put under undue financial strain when arranging for all affected greyhounds to be treated quickly and appropriately."

"It is vitally important that any suspected infectious disease is reported swiftly to the GBGB after seeking veterinary advice, at which point we can discuss eligibility for DSMP grant support."

"Importantly, as part of qualifying criteria, trainers must demonstrate that they followed good biosecurity and antimicrobial stewardship good practice guidance and had up-to-date preventive healthcare plans in place for all greyhounds at the kennels prior to the outbreak."

Dr Simon Gower, GBGB Veterinary Director, added:

"GBGB's Disease Surveillance Program is invaluable in protecting the health of the greyhound population and improving our understanding of the emerging diseases that affect them from time to time. This grant will support trainers and ensure that there is adequate financial assistance in the face of a significant outbreak at a kennel."

DISCIPLINARY COMMITTEE INQUIRIES

The Disciplinary Committee of the GBGB was in attendance at a meeting held on 21 March 2023.

Those present:

Dr J Hunt (in the chair)
Mr R O'Donovan
Mr P O'Dowd

1 Brighton & Hove Stadium - HURRY UP HARRY - Professional Trainer Mr Stuart Maplesden

Professional Trainer Mr Stuart Maplesden was found in breach of rules 152(i), 174(i)(b) and 217 of the GBGB Rules of Racing in that on analysis by LGC Health Sciences a urine sample taken from the greyhound **HURRY UP HARRY** at Brighton and Hove Stadium on 11th January 2023 was found to contain norethisterone, 5 α -estrane-17 α -ethynyl-3 β ,17 β -diol, and 5 β -estrane-17 α -ethynyl-3 α ,17 β -diol.

Mr Maplesden was in attendance via computer link. Robert Abrey, Racing Manager at Brighton & Hove Stadium, Professor Tim Morris, independent scientific adviser, and Annie Poole, Stipendiary Steward, were also in attendance via computer link.

At the Local Inquiry held on 11 January 2023 Mr Maplesden said that he considered that a mistake had been made during the feeding of the dog, and that HURRY UP HARRY could have been presented with feed

containing Veterinary prescribed Norethisterone, that had been intended for a female kennel mate.

The Disciplinary Committee heard evidence from Professor Morris. Professor Morris advised that Norethisterone is not available as a veterinary medicine. It is an authorised human medication which may be prescribed by greyhound veterinarians exercising their clinical judgement under the prescribing cascade to provide long-term suppression of oestrus. Norethisterone has anabolic effects, especially at higher doses and given to male dogs it has the potential to produce adverse female sex steroid effects. Accordingly, when given to a male dog Norethisterone is a substance which by its nature could affect the performance or could prejudice the wellbeing of the male greyhound. Professor Morris noted that there were no records of administration of Norethisterone to female greyhounds in the treatment book records that had been made available, but that photographs had been provided of correctly labelled packets of Norethisterone.

Professor Morris thought it probable that the Norethisterone and metabolites found in the sample taken from HURRY UP HARRY originated from ingestion of Norethisterone.

The Committee heard that Mr Maplesden was responsible for preparing the feed, and that it

was presented to the dogs by a kennelhand. Fifteen bitches, out of a total of 68 greyhounds, were administered norethisterone. Ordinarily dogs and bitches are fed from different sized bowls. On race days bowls for dogs and bitches were distinguished by the presence of a tablet on top of the meal. The greyhounds are fed outdoors but not observed during feeding. Since the finding of a positive sample Mr Maplesden has further identified bowls intended for feeding to bitches by the application of nail varnish.

The Disciplinary Committee accepted the evidence of Professor Morris that the identification of the prohibited substance (Norethisterone) and its metabolites in the urine of HURRY UP HARRY was the result of oral ingestion by the dog, but also accepted the evidence of Mr Maplesden that any administration had been accidental.

The GBGB Rules of Racing impose strict liability where a prohibited substance is found in the greyhound. The Disciplinary Committee found Mr Maplesden to be in breach of Rules 174(i)(b), 214, 217 and 152(i) of the GBGB Rules of Racing. However, there was no evidence to indicate the norethisterone had been intentionally administered so no breaches were found of Rules 152(ii) or 174(i)(a).

In relation to the breaches of Rules 152(i), 174(i)(b), 214, and 217 the Committee took into account Mr

Maplesden's good record and ordered a caution and a fine of £150.

2 **Crayford Stadium - LENSON DOOLIN - Professional Trainer Mr Ricky Holloway**

Professional Trainer Mr Ricky Holloway was found in breach of rules 174(i)(b) and 217 of the GBGB Rules of Racing in that on analysis by LGC Health Sciences a urine sample taken from the greyhound **LENSON DOOLIN** at Crayford Stadium on 3rd February 2023 was found to contain sotalol.

Mr Holloway was in attendance via computer link. Daniel Rayment, Racing Manager at Crayford, Professor Tim Morris, independent scientific adviser, and Annie Poole, Stipendiary Steward, were also in attendance via computer link.

At the Local Inquiry held on 3 February 2023 Mr Holloway said that he believed that the detection of sotalol in the urine sample must be the result of contamination during his handling of the Greyhound, as he himself is prescribed sotalol by a doctor.

Professor Morris gave evidence that sotalol is a beta-blocker which is available for human medical use and has also been prescribed for dogs under the Veterinary Medicines Regulations cascade principle. Beta-blockers slow down the heart rate and reduce the amount of work being done by the muscles of the heart. They can cause a slow heart rate, low blood pressure, vomiting and diarrhoea and potentially precipitate signs of heart failure that could present as sudden death. Thus, sotalol is a substance which could affect the performance of a greyhound as well as prejudicing its wellbeing.

Mr Holloway gave evidence that he would never administer any banned substances to his charges but told the committee that his doctor had advised that sotalol would be excreted in his sweat and he believed that this may be the source of the positive sample in **LENSON DOOLIN**. He produced evidence of his prescription. He stated that he was meticulous in terms of handwashing and wearing gloves when in contact with his greyhounds but could only surmise that he had been the source of the cross-contamination of the sotalol. The Committee questioned whether the sotalol may have been deliberately administered – as an attempt to stop a dog, however the

race data supported the assertion that the dog had run true to form, although came second to an exceptionally fast dog during the race in question.

The Committee found Mr Holloway to be in breach of those rules involving strict liability, that is to say Rules 174(i)(b), and 217. It followed that there was also then a breach of Rule 152(i).

Given the absence of intent no breaches were found of Rules 152(ii) or 174(i)(a).

The Committee heard that, on 22 September 2022, Mr Holloway had been found to have breached GBGB rules relating to the presence of the same substance in a different dog. In mitigation there had been no intent to harm the welfare of any greyhound. Accordingly, the Committee ordered a caution and a penalty of £100.
