ANTI-DOPING CONFERENCE, RULE CHANGE  
AND ALL THE LATEST OPEN RACE INFORMATION

*Lift off: The 2023 Star Sports & TRC English Greyhound Derby is underway and could not have started any better for the Irish with champion trainer Graham Holland sending out four winners last night, including track record holder Swords Rex seen here powering his way to an impressive 28.94sec. The legendary Brendan Matthews was also on the mark with Undulation and As I Say, but you can expect the English to strike back, and the faithful to make the continued journey to Towcester today, tomorrow and the weeks to come for what promises to be a magical renewal. Just don't forget your sunglasses!*

## PRACTITIONER DIRECTORS

The GBGB is seeking to fill a Practitioner Director (Trainer) role on its Main Board.

Any GBGB registered professional trainer is invited to state in writing and in detail why he/she should be considered for the position of trainer representative on the Board. Nominations should be accompanied by the names and signatures of two fellow trainers as proposer and seconder.

### PROCESS

Nominations should be emailed to **nomcom@gbgb.org.uk** or mailed to:

**The Nominations Committee**  
**GBGB**  
**Genesis House**  
**17 Godliman Street**  
**London**  
**EC4V 5BD**

The closing date for nominations is Friday 16th June 2023.

The GBGB Nominations Committee will review each application having regard for such factors, including, but not limited to, as the nominated person's honesty, integrity, reputation, competence, and capability as well as whether their appointment would facilitate the effective functioning of the Main Board and the delivery of good corporate responsibility. Nominees must be prepared to foster constructive relations with fellow directors, members of GBGB committees and nominated representative groups and be prepared to accept and work within the principle of collective responsibility.

The GBGB Nominations Committee will select a shortlist from the nominations, following which an election under the auspices of GBGB's independent auditors will take place. It is anticipated that the successful candidate would be invited to the GBGB Main Board meeting on Thursday 27th July 2023.

## REGULATORY VETERINARY SURGEON VACANCIES X 3

The Greyhound Board of Great Britain (GBGB) is the governing body for licensed greyhound racing in England, Scotland and Wales. As well as overseeing Stadia and the running of each race and trial, we are responsible for regulating the welfare and care of all racing greyhounds, from registration to retirement.

Welfare is of the upmost importance and the top priority for the GBGB, as reflected in the recently published 5 year Welfare Strategy (<https://www.gbgb.org.uk/welfare-care/commitment-to-care/>) which covers all stages of a racing greyhound's life. To support the delivery of the Welfare Strategy and the GBGB's commitment to optimising greyhound welfare, the GBGB has created five new Regional Regulatory Veterinary Surgeon roles.

We still require Regulatory Veterinary Surgeons to cover three geographical regions: The Southeast (including London), the Southwest/West Midlands and the East Midlands/East Anglia.

The Regional Regulatory Veterinary Surgeons will report to the Veterinary Executive. Their functions will include:

- Upholding the GBGB's Rules of Racing in matters relating directly and indirectly to greyhound welfare.
- Acting as a point of reference and support for Track Veterinary Surgeons in respect of their regulatory functions.
- Working closely with and supporting the field staff of Stipendiary Stewards, both at tracks and at trainers' residential kennels.
- Conducting annual veterinary kennel inspections at trainers' residential kennels.

Candidates will be Members or Fellows of the RCVS. You must have broad clinical skills and a minimum of two years' experience working in veterinary practice. A post graduate qualification in animal welfare or other relevant discipline would be desirable. Experience of working in animal sports or with an animal welfare charity would also be desirable.

The position will involve travel and independent working and therefore candidates must be able to work unsupervised and hold a clean and valid driving licence. Candidates must also be prepared to work flexibly and outside of usual working hours when required to do so.

This is a full time, non-clinical position and will be field based.

For a job description, requirements, and person specification, please contact Zoë Brown.

To apply for this position, please email a copy of your CV, together with a covering letter detailing which area you are applying for and how you fit the criteria specification to Zoë Brown, HR Manager, at [zoe.brown@gbgb.org.uk](mailto:zoe.brown@gbgb.org.uk)

## WEDDING ANNIVERSARY MADE SWEETER FOR JIMMY AND MEL FENWICK AS THEIR OUTSTANDING BELLMORE SALLY LANDS HER JAY & KAY KENT ST LEGER SEMI-FINAL AT CRAYFORD IN RUNAWAY STYLE

BELLMORE SALLY provided the perfect wedding anniversary present for Jimmy and Melanie Fenwick when racing away to victory in the second semi-final of the Jay & Kay Coach Tours Kent St Leger at Crayford on Saturday - and now stands on the verge of an incredible treble at the Kent track this year.

The Newcastle superstar has already in 2023 successfully defended her Premier Greyhound Racing Golden Jacket title plus landed the Ladbrokes TV Trophy. She now aims to go one better than in last year's final of the Kent St Leger (second to Rising Coco) when lining up in this weekend's £10,000-to-the-winner decider.

A warm order to win Saturday's second semi-final, Bellmore Sally was taken on and led by Golden Jacket finalist Olga (Pat Curtin) but went into overdrive before halfway and thereafter raced away for another runaway success, scoring by almost 11 lengths from puppy She Loves You (Michelle Brown) and Olga, who also qualifies for Saturday's final.

The winning time was 45.03sec (normal) and, on the day of the Fenwicks' 23rd wedding anniversary, the performance of the December 2019 daughter of Droopys Sydney and Bellmore Lucy thrilled the couple - who are unlikely to forget the day in a hurry.

"I'm not sure there's too many couples from the north-east who can save they travelled to London and back in less than a day - and won a race in the process!" said Jimmy Fenwick. "Sitting in the car for that amount of hours meant we certainly spent a lot of time together on our anniversary - although did go out on Friday to celebrate!"

On Saturday's performance and looking ahead to the final, Fenwick added: "She's come out of the race really well and the way she's powered clear on the second lap shows you what sort of form she's in - and we can now look forward to the final.

"Trap four at Crayford works for her as we know. However, the three (Olga) runs middle to wide and it's going to depend on how Sally breaks, but she seems to run best third time up in these comps and hopefully that's the case again."

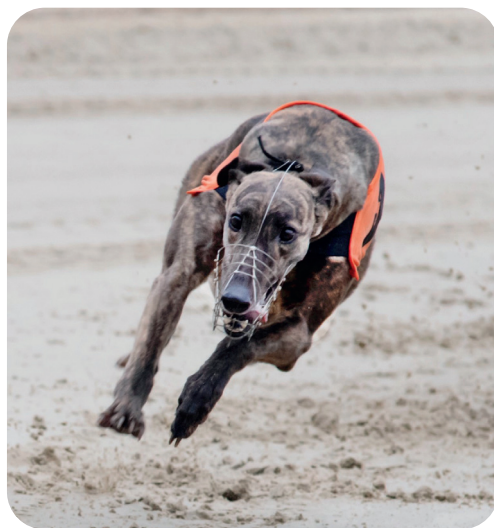

The Keith Robins-trained Luna Jezabelle produced a game and gutsy effort to reel in Low Pressure (Belinda Green) in a thrilling finish to the first semi-final, just a short-head separating the pair after 714m.

The latter trapped only moderately but after a bump from the boxes paced up to lead as expected into the bend and thereafter was always the one to catch. However, Luna Jezabelle turned second and the November 2019 daughter of Droopys Sydney and Brogan Tic Tac kept up the pressure and launched a challenge off the last bend.

The pair hit the winning line together with the verdict going the way of Luna Jezabelle who will line up in Saturday's final as the oldest runner, the Suffolk Downs raider joined in the final by runner-up Low Pressure and third-placed Roll On Sydney (Paul Young). It is the latter's second major Crayford final this year after finishing second to Bellmore Sally in the Premier Greyhound Racing Golden Jacket.

## INTERNATIONAL GROUP CONTINUES TO EVOLVE AND RAISE STANDARDS IN ANTI-DOPING AND INTEGRITY

Greyhound racing's efforts to maintain and bolster the highest standards of integrity in the sport took another step forward this week at a conference bringing together experts on anti-doping from around the world.

The International Anti-Doping and Medication Control in Greyhound Racing conference included insightful presentations from Greyhound Racing Victoria's Steve Karamatic, and Racing and Analytic Service Limited's Adam Cawley and David Batty.

Professor Tim Morris, Independent Scientific Advisor to the GBGB spoke at length on issues facing the sport in the UK, highlighting current screening levels as they stand, and thresholds.

Other attendees included GBGB Veterinary Director Simon Gower, GBGB Senior Stipendiary Steward Duncan Gibson, GBGB Director of Regulation Philip Law, Greyhound Racing Ireland's Veterinary Director William Fitzpatrick and Head of Regulation Pat Gilbert, Irish Coursing Club CEO DJ Histon, LGC Technical Director Simon Hudson, Drug Surveillance Manager Katy Lubbock, Team Leader Karen Mechan, and Dr Mary Scolley of the Horse Racing Integrity and Welfare Unit in the US, who each gave presentations.

The International Anti-Doping and Medication Control Group was formed in 2019 to share best practice across the sport to the benefit of all those involved.

GBGB's Simon Gower said: *"The creation of the Anti-Doping and Medication Control Group is a key part of the international greyhound industry's structure, and we are grateful to our distinguished and highly qualified members who have agreed to collaborate with us on an ongoing basis."*

*"The GBGB will benefit immensely from the group's extensive experience as we continue to work with all industry stakeholders to advance the integrity and safety of our sport."*

Bombs away: Congratulations to owners Nic and Amanda Jeal and their Bombardier who appears to have settled in nicely at trainer Nathan Hunt's kennels landing the £2,500 Cat Two Jenningsbet 150 Shops Final at Harlow - another welcome addition to this year's racing calendar. Pictured are Jenningsbet's Derek Somers, Barry Smith and Billy Boxall, and proud kennelhand Maisie Bourne.

## LOCAL INQUIRY

### 1 Mr P Doocey – Monmore Green Stadium

At a local inquiry held by the Area Stipendiary Steward on 17th May 2023, professional greyhound trainer Mr P Doocey was cautioned for a breach of rule 49(iv) in respect of the improved performance of the greyhound LONGACRES GEORGE at Monmore Green Stadium on 13th April 2023.

Opening at 5/2 and starting at 11/4, the greyhound won a 480m race recording a calculated time of 28.59sec as compared with its best recent time of 29.16sec recorded in a race on 25th March 2023.

# GBGB RULES OF RACING

## RULE AMENDMENTS WITH IMMEDIATE EFFECT

### Appendix II

#### Guidelines For Transportation Of Greyhounds

##### Reason for amendment

That all vehicles used to transport greyhounds shall be air conditioned and always maintained between 10°C and 26°C during transport.

##### Amendment

Insert: "These guidelines may be amended as a consequence of any changes to UK legislation relating to the Animal Welfare Act 2006 and/or The Welfare of Animals in Transport regulations, and/or at the discretion of the GRB" after Note: in the opening paragraph.

Insert: "air conditioning and temperatures during transit" after cage sizes in section ii).

Insert: "From 01 April 2023, all vehicles used to transport greyhounds shall be air conditioned and always maintained between 10°C and 26°C during transport" after Vehicle: in section xix.

##### Amended Rule

Note: These guidelines may be amended as a consequence of any changes to UK legislation relating to the Animal Welfare Act 2006 and/or The Welfare of Animals in Transport regulations, and/or at the discretion of the GRB

i) Introduction: The Transport of Greyhounds is an intrinsic element of the Greyhound Racing industry; dogs rarely live and Race at a single location. Furthermore, the frequency of transport is likely to be greater than for most other dogs and takes place when the animal is likely to be subject to significant physiological stress resulting from Racing or Trialling. It is therefore important that transport conditions are optimal. In addition, Greyhounds are one of the few non-farmed species where there is significant national and international

trade. This results in some long distance transport when it is also important that adequate conditions are provided for the dogs.

ii) These guidelines are intended to assist persons transporting Greyhounds to provide those conditions. They are not prescriptive except in a small number of areas such as cage sizes, air conditioning and temperatures during transit.

iii) Legislation: The main section of these guidelines is intended to provide information to people transporting healthy Greyhounds. In most instances in the Racing industry it is likely that the law will regard such transport as 'commercial' and consequently subject to The Welfare of Animals (Transport) (England) Order 2006 and parallel national legislation in Scotland, Wales and Northern Ireland. 97, otherwise known as WATO and also to EU legislation number 1/2005 The conditions suggested in these guidelines should help transporters comply with WATO and 1/2005 but the full document can be found at: [www.defra.gov.uk](http://www.defra.gov.uk)

iv) All trainers that transport more than two greyhounds on journeys in excess of 65km (40 miles) should complete and return an Animal Transporter Authorisation form. Copies can be obtained directly from DEFRA.

v) Of course all other animal welfare legislation is also applicable. The Animal Welfare Act imposes a general 'duty of care' on all Owners and Trainers (the term 'keeper' is used in the Act to provide good conditions for their dogs at all times. (Enacted 6.4.07)

vi) General Conditions: During any transport by road the driver must be conscious of the fact that he or she is transporting sentient animals and has a duty of care to ensure that the standard of driving and care is commensurate with their comfort (i.e. drive sensibly). Keepers of

Greyhounds should ensure that drivers have been trained and shown themselves to be competent in the care of the dogs.

vii) The expected journey time from Trainer's Kennels to the attached Racecourse for Racing should be less than 8 hours.

viii) Greyhounds should not be loaded for transport for at least 15-30 minutes after Racing or trialling to allow them to cool

ix) Planning: Habituation is vital to reduce transport stress. This should be achieved before 14 weeks of age if possible so that the Greyhound is used to being transported. It will also help to introduce a sapling to the wider world at the same age and well before initial Trials at about 11 months of age.

ix) The conditions provided should partly be related to the length of the journey. All journeys should be properly planned and this should include planning in the event that the expected journey time is exceeded as well as locations of stops for watering, feeding or emptying.

xi) Other factors to be taken into account are the mode of travel e.g. car, sea, or air and the opportunity for rest.

xii) No segment of a journey should exceed 24 hours and there must be a 12 hour rest period before any subsequent journey. If any part of the journey includes a sea passage this must be included in the journey time.

xiii) If greyhounds are transported in the back of a car, a dog guard should be used, and all greyhounds should be muzzled. A maximum of two greyhounds be transported loose in the back of a vehicle. If more than two greyhounds are to be transported it is recommended that each greyhound be held in a separate travel cage built to the specifications detailed in Appendix II (xvii).

xiv) If it is necessary to move a litter of puppies before weaning they should travel together. If they travel with their dam this should be in a double cage.

xv) When travel cages are used cages should be designed, constructed, maintained and operated so as to avoid injury and suffering and to ensure the safety of greyhounds. All such cages should be securely bolted to the transport vehicle. All cages should be built of an impervious, mesh material for maximum ventilation and include a carpeted or cushioned non-slip floor surface. Cages must be kept clean, regularly disinfected and in good condition.

xvi) Government legislation requires that: "sufficient floor area and height is provided for the animals, appropriate for their size and intended journey". Also, "sufficient space shall be provided inside the animal's compartment and at each of its levels to ensure that there is adequate ventilation above the animals when they are in a naturally standing position, without on any account hindering their natural movement".

xvii) As an absolute minimum, cages must have the following dimensions: 35.56cm/14in width, 101.6cm/40in length, 76.2cm/30in height. Trainers should note that these are only MINIMUM sizes; larger greyhounds require larger cages. Trainers are responsible for ensuring that their travel cages are suitable for the greyhounds being transported. Larger cage sizes still are required for journeys longer than 8 hours. Each transport vehicle should also include a cage of minimum width 76.2cm/30in, or 2 cages with a removable separator, to allow secure and comfortable transport of a particularly large or slightly injured greyhound.

xviii) For travel by air, IATA rules on cage sizes must be followed.

xix) Vehicle: From 01 April 2023, all vehicles used to transport greyhounds shall be air conditioned and always maintained between 10°C and 26°C during transport. A remote monitoring device must display the temperature in the Greyhound cabin and be

visible from the driver's seat. If the temperature rises above 26°C it is important that dogs are regularly examined for signs of distress and removed from the vehicle to cool down if necessary.

xx) Dogs keep themselves cool by evaporating water from their tongues by panting. In conditions of high temperature and high humidity this becomes ineffective and the dog will consequently suffer from heat stroke. It is therefore important that both temperature and humidity are controlled. Consequently, wetting a dog to cool it may be counter-productive.

xxi) As a rough guide, if there is condensation inside a vehicle it is an indication that the humidity is too high and ventilation must be increased to prevent it.

xxii) Cages in vehicles must have at least 40% of the wall area open to allow adequate air flow. This is best provided by a rust-proof (stainless) steel mesh door and back to the cage as well as additional open areas on its sides to allow ventilation through the cage.

xxiii) Maintenance of temperature control and ventilation must be possible when the vehicle is stationary. This is provided by full air conditioning, however, there must be a procedure for the provision of ventilation in an emergency; this may be as simple as opening all vehicle doors.

xxiv) All vehicles carrying dogs must be equipped with a functioning and regularly serviced fire extinguisher. It may be advisable to provide an indication on the outside of the vehicle that live animals are being carried to alert the emergency services.

xxv) Care during the journey: For any journey over 4 hours adequate rest stops for watering, feeding and emptying must be included. Water must be provided every 4 hours or frequently enough to prevent dehydration. Emptying must be provided every 8 hours and food every 24 hours.

xxvi) Greyhounds should have free access to water until loaded for a

journey. No food should be given for 2 hours before travelling and an opportunity to empty should be provided immediately before loading.

xxvii) Slightly ill or injured greyhounds can only be considered to be fit, and therefore able to be transported, in limited circumstances. This would include transport to a nearby veterinary surgery for diagnosis or treatment, or on short journeys where transport would not cause the animal additional suffering. Slightly ill or injured greyhounds are unlikely to be considered fit for any long journeys.

xxviii) Where there is any doubt over the fitness of an animal, a veterinary surgeon must be consulted before transporting the animal.

xxix) Sedatives shall not be used on animals to be transported unless strictly necessary to ensure the welfare of the animals and shall only be used under veterinary supervision.

xxx) Vehicles should be driven sensibly and carefully to minimise discomfort to greyhounds.

xxxi) It is recommended that one lead and collar be carried for each greyhound being transported in a vehicle. This will facilitate the safe removal and restraint of greyhounds in an emergency.

# GBGB RULES OF RACING

## AMMENDMENT – RULE 102B SALES TRIALS

### Rule 102B

#### Sales Trials

#### Reason for amendments

To update inoculation requirements for a Sales Trial.

#### Amendments

Remove: “or shall be inoculated in accordance with Rule 60 at the Meeting by the Veterinary Surgeon at the expense of the person in charge of the Greyhound. In respect of Greyhounds from Ireland, inoculations shall be entered in the Irish Identity Card and the inoculation certificate shall also be produced” from section iii.

Replace with: “In respect of Greyhounds from Ireland, proof of inoculation shall be entered in the Irish Identity Card or the Pet Passport and the inoculation certificate shall also be produced. In the absence thereof, a greyhound shall not be permitted to trial.”

Remove:” disposal” in section x

Replace with: “transfer”.

#### Amended Rule

All persons or organisations who conduct Greyhound sales on premises licensed by the GBGB shall first be registered with the GBGB. The fees for registration shall be decided by the Greyhound Regulatory Board who shall have power to refuse the registration of any such person or organisation without assigning a reason. The right of appeal against such a decision exists within current Appeal Procedures.

A Sales Trial shall be a Trial run at a Trials Meeting composed entirely of Sales Trials, each run in connection with a subsequent offer for sale at the Meeting of any Greyhound contesting such a Trial.

Except where explicitly stated otherwise in this or any other Rule, a Greyhound Sales Trials Meeting shall

be treated as a normal Trials Meeting under these Rules.

The following provisions shall apply specifically to Sales Trials:

i) No dispensation from veterinary attendance at Kennelling under Rule 113(vi) shall be granted, nor any such existing dispensation apply, in respect of a Sales Trials Meeting.

ii) A Sales Trial shall not count as an Initial Trial under the provisions of Rule 47 and Rule 48.

iii) All Greyhounds to run in a Sales Trial shall have in-date inoculation records in accordance with those specified in Rule 60. In respect of Greyhounds from Ireland, proof of inoculation shall be entered in the Irish Identity Card or the Pet Passport and the inoculation certificate shall also be produced. In the absence thereof, a greyhound shall not be permitted to trial.

iv) A separate Kennel shall be provided for each Greyhound to run in a Sales Trial. Any Kennels other than Racing Kennels, which shall be in a secure area, may only be used subject to prior agreement with the area Stipendiary Steward but in each case only one Greyhound shall be accommodated in each Kennel. Greyhounds shall not be kept in any other form of accommodation such as cars, vans etc.

v) Copies of the sales catalogues shall be sent, to arrive at least 7 Days prior to the date of the Sales Trials Meeting, to the GBGB and to the Area Stipendiary Steward. The following notice shall be incorporated in the condition of sales published in the sales catalogue:

“Intending purchasers are advised that the acceptance by the GBGB for registration of any Greyhound offered in this catalogue is subject to the Greyhound being eligible for registration under the Rules of Racing.”

vi) All agents or persons who supply Greyhounds to the persons or organisations conducting sales at a Sales Trials Meeting shall be registered with the GRB – registered sales organisation, which shall keep a register of such persons, which shall be open to inspection by the Area Stipendiary Steward and all such registered Agents shall be subject to the Rules of Racing.

vii) Suitable transport for the conveyance of Greyhounds to/from a Sales Trials Meeting shall be to the satisfaction of the persons or organisation conducting the sales and in accordance with any code of practice as may be determined by the Greyhound Regulatory Board.

viii) All other arrangements for the feeding, watering and exercising of Greyhounds brought to a Sales Trials Meeting shall be to the satisfaction of the Greyhound Regulatory Board.

ix) The Racecourse Executive in conjunction with the registered sales organisation may arrange to take random urine samples from Greyhounds at a Sales Trials Meeting and these may, by financial arrangement with the GBGB, be analysed by the GBGB-appointed analyst.

x) In respect of unsold Greyhounds, the persons or organisations responsible for the sales Trials shall make reasonable arrangements for the welfare of such Greyhounds until their eventual sale or transfer.

xi) Irish transfer forms for Greyhounds sold at a Sales Trials Meeting shall only be accepted by the GBGB for registration purposes if they are appropriately stamped by the sales organisation. The stamp shall show the name of the registered sales person or organisation, the GBGB Licensed Racecourse at which the sale was held, and the date.
