HOT WEATHER POLICY UPDATE,
DERBY REPORTS AND ALL THE LATEST
OPEN RACE INFORMATION

Pure Magico: Defending Star Sports & TRC English Greyhound Derby champ Romeo Magico (aka Badger) turned in the performance of the night last Friday with a storming run to overhaul Undulation down the back straight in the second-round heats. Roared home by owner and breeder David Firmager and his grandchildren to win by a length in 28.97sec, Badger is showing the kind of pace which won him the title last year for trainer Graham Holland. He knows every inch of the Towcester circuit in this his third Derby campaign and looks to be right at the top of his game. Other British bred dogs who continue to fly the flag are Signet Goofy and Romeo Command. They also head into tomorrow's third-round unbeaten and this promises to be a night of racing not to be missed.

UPDATED HOT WEATHER POLICY

GBGB has released an updated Hot Weather Policy for 2023. The Policy provides a structured approach to help mitigate the effects of hot weather on racing greyhounds. It applies to every situation where greyhounds are exposed to the risks of hot weather, whether at residential kennels, at the racecourse or during their transportation to and from the stadia.

GBGB's policies for racing in weather extremes are reviewed annually. The updated Hot Weather Policy has been circulated to relevant stakeholders by email and can be found on the GBGB website via

<https://www.gbgb.org.uk/rules-regulation/policies-procedures/>. It is also available in the 'Notices and Resources' section of the 'My Kennel' portals.

Friends of the late James Hamilton got together at Sheffield last Saturday night to celebrate his life and hold an annual race in his memory. Long Mysterious, trained by Trevor Coote, came out on top in the D3 contest. Kennelhand Levi Jackson receives the trophy from Richie, joined by scores of James's friends.

SNAPPY 70TH BIRTHDAY STEVE NASH!

Photographer extraordinaire Steve Nash found himself in front of the lens at Towcester last Friday night as his many friends sprang a surprise on him to mark his 70th birthday.

Roving Star Sports reporter Carly Philpott presented “Nasher” with an engraved decanter, cake and balloons, along with a card signed by numerous well-wishers.

It was left to fellow snapper Jim Tate to get a few shots of Steve, one of the most-loved people in the sport who week-in week-out, come rain or shine, captures the action on and off the track. His work down the years speaks for itself, not to mention his dedication.

Happy Birthday Steve!

RECORD FOURTH VICTORY FOR BARRIE DRAPER AS DISTANT EMMA DAZZLES IN TIME NUTRITION 3 STEPS TO VICTORY FINAL

DISTANT EMMA landed Barrie Draper a record fourth victory in the event when scoring a brilliant win in the Time Greyhound Nutrition 3 Steps To Victory Final at Sheffield.

The tri-distance competition, with a new sponsor this year and with a £10,000 first prize, remains a unique event in the GBGB Calendar with heats over 480m, the semi-finals over 500m, and the final over 660m - and Distant Emma showed equal amounts of speed and stamina to grab glory at the Owlerton Stadium.

Led from the boxes by Crossfield Cora, Distant Emma moved into contention quickly and kept the pressure on the leader, coming to challenge for the lead at the base of the back straight second time, only to be crowded out as Mark Wallis's bitch held her line and the advantage gamely.

However, Distant Emma, an October 2020 daughter of Droopys Sydney and Distant Lucy and litter sister of the Drapers' Derby entry Distant Podge, came again to challenge and pass Crossfield Cora on the run for home for a length and three-quarter success in 38.95sec (+30).

Clairekeith Remy (Carl Gardiner) finished well after early scrimmaging to be just a length further back in third, but victory was Distant Emma's as the two-year-old added to Draper-trained victories in the 3 Steps To Victory with Farloe Hack (2004), Ballymac Eske (2014) and Bull Run Button (2019).

It means the Sheffield handler is most successful trainer in the event's history and his daughter and assistant trainer Rose Draper was delighted afterwards when speaking to Sheffield's social media man Rob Crawford, commenting: "I thought it was over when she was chopped off at the fifth bend, but she came back for more."

"Emma's got a great future. This was a big Cat One final and we're delighted to win it."

Owner Peter Band added: "She's really battled hard tonight and it's fantastic to win. She's always been in our heart because Ballymac Eske is her grandfather, so this means a lot in the racing world to us. I'd like to thank the sponsors Time Greyhound Nutrition for backing the race, to Team Draper, and to Shaun Flaherty for breeding her."

William Rigney of Time Greyhound Nutrition, sponsors of the big race, said: "Congratulations to Barrie and his team - and Distant Emma's performance in winning was right out of the top drawer. It was a local victory, so was pretty popular, and just capped a fantastic night at the track."

"We're in the midst of the English Greyhound Derby and it was great to be involved in the supporting graded races across the three nights of the first round and we're sponsoring a £3,000 race on final night over 712m at Towcester."

"We've launching a new product of ours 'Record Breaker' and Graham Holland, who is one of our clients, clearly read the script - his Clona Duke broke the track record in the first round"

"Our thanks to the Sheffield management, in particular Andrew Mascarenhas, and we are delighted to be associated with such a fantastic and unique competition."

MAGICO PERFORMANCE FROM ROMEO AS THE DEFENDING DERBY CHAMP GOES SUB 29SEC IN FRIDAY'S SECOND ROUND HEATS

ROMEO MAGICO was the only runner to dip under the 29 seconds barrier as the first batch of second-round heats of the 2023 Star Sports & TRC English Greyhound Derby took centre-stage at Towcester on Friday.

The defending champion, trained by Graham Holland for owner and breeder David Firmager, was always handy in heat seven and proved too strong for another Irish-trained runner Undulation (Brendan Mathews) as the Aug 2019 son of Magical Bale and Fabulous Artist headed his rival at the base of the back straight before winning by a length in 28.97sec (normal). Sussex Cup winner Ninja Kerry qualified in third.

Winning owner and breeder Firmager said: "He's showed great pace again but it's what he does round the first and second bends which is most impressive - it's that pace which won him the Derby last year. This is his third English Derby campaign and it's great to see him do what he's doing - he loves Towcester, and tonight has been great - especially given the grandkids are here and loving half-term!"

Firmager had earlier seen win-machine Romeo Command produce another top performance in heat four to score for the Patrick Janssens camp as the British Breeders Stakes winner came through powerfully to grab gold from longtime leader Burj Khalifa (Brendan Matthews), the January 2021 son of Dorotas Wildcat and Drive On Betsy winning by a length in 29.05sec (normal). Ballymac Bronze (Liam Dowling) was third.

Firmager added: "He certainly likes to win and his record is exceptional on that score - 11 wins from 12 races I believe. He probably lacks that real top early pace but his all-round pace you cannot fault - and his trackcraft is great and he's got a lot of class. He keeps to himself and almost waits for the chance to challenge and pass. You can't ask for more at this stage. It's what we do - trying to breed Derby runners. So far, so good."

Signet Goody reached the semi-finals last year and the John Mullins-trained runner has started his 2023 campaign in the best possible style and followed up a fine first-round victory with an impressive follow up in the opening second round heat.

Racing to a 4.10sec split, the John Mullins-trained star was never headed as he crossed the line two and three-quarter lengths clear of the keeping-on Irish raider As I Say (Brendan Matthews) and Hopes Rhino (Jason Heath) in 29.19sec (normal).

Newcastle trainer Tom Heilbron landed a double on the night with Innfield Billy, a recent arrival into the kennels, making all in heat two before Towcester KAB Maiden Derby semi-finalist Brinkleys Magic reeled in longtime leader Romeo Hanzo in heat six.

Innfield Billy, a February 2021 son of Ballymac Anton and Highview Daisy, led home a Heilbron-trained one-two in his heat, clocking 29.38sec in crossing the line two and a quarter lengths clear of kennelmate Links Top Gun. Third here was Romeo Top Gun for the Patrick Janssens camp, in a race in which the same kennel's Lautaro failed to finish due to injury. He was operated on this week and been homed.

The Heilbron double was completed by Brinkleys Magic, who kept on well to edge Romeo Hanzo by a short-head, with Supa Nova (Paul Burr) back in third. The winner, an October 2020 son of Magical Bale and Bobsleigh Jet - a half-brother of Irish stars Bobsleigh Dream and Gaston Pecas - clocked 29.30sec for the 500m trip.

The other heats were won by Seamus Cahill's improving puppy Maree Champion (29.12sec), John Lambe's fast-finishing and progressive Hurry Up Jordan (29.29sec) and Paul Hennessy's Irish raider Boylesports Gift (29.11sec).

SWORDS REX SHARPENS HIS POSITION AT HEAD OF THE DERBY MARKET WITH FASTEST-OF-THE-NIGHT SECOND-ROUND RUN

SWORDS REX consolidated his position as favourite for the Classic with victory for Graham Holland in heat ten as the second batch of second-round heats of the 2023 Star Sports & TRC English Greyhound Derby took centre-stage at Towcester on Saturday.

Just 24 hours after Romeo Magico tightened his grip on the title he won so brilliantly last year, kennelmate Swords Rex played a starring role with a fastest-of-the-night all-the-way success to initiate a three-in-a-row hat-trick for the Co Tipperary-based handler and maintain his unbeaten start to the Classic.

Racing to a 4.08sec sectional, the July 2020 son of Droopys Sydney and Starry Display was never headed as he led home Beeper's Lauriat (Jack Kennelly) for a four-and-a-half length success and an Irish one-two. Third here was Jet Stream Wind (Kevin Hutton), with the winning time 28.95sec (normal) for the 500m distance.

The Holland-trained hat-trick was then completed by Ballyhimikin Leo (29.21sec) in heat 11, who led off the second bend to lead home Untold Zloty (Carol Weatherall) and Aero Arran (Richie Taberner), and Clona Jet in heat 12, with the track record holder recovering from a missed break to hit the front off the second bend.

Taking advantage of a gap inside as his rivals moved off, Clona Duke was soon in command but Savana Titan (Diane Henry) conjured up a stirring run to get within a short-head of the 29.58sec winner (normal), with Ballymac Finn (Liam Dowling) home in third.

Of Swords Rex, Nicky Holland, wife of the trainer, said: "He made the race his own and is just a clever dog. He keeps a straight line to the bend, pretty much wherever he's drawn, then cuts the turn when he can, but will hold that line if he's got dogs inside him."

And of Clona Duke, Holland added: "He gave us a heart attack when he walked out. He was lucky at the bend, but took his chance well, jumped to the rail, and was able to run his race, but after that sort of race we're just happy to qualify."

On a good night for Irish-trained runners, Paul Hennessy landed a second second-round success with Mcneill finishing best in heat 13 to add to Boylesports Gift's victory the previous night. The winner edged out long-time leader Mystical Mario (John Lambe) by three-quarters of a length in 29.13sec (normal). Hopes Woofwoof (Jason Heath) was third.

The night had kicked off with Faypoint Susie following up her first-round success with almost a repeat show as John Mullins' runner hit her stride quickly and was never headed for a one-and-a-quarter lengths success over favourite Gaytime Nemo (Graham Holland) and Distant Lodge (Barrie Draper) in 29.49sec.

Arc Cesarewich champion Cochise, another impressive first-round scorer, was once again foot-perfect in heat 15 as he proved too strong for his rivals, coming through a battle with Savana Hero (Brendan Matthews) before stretching on to score by five lengths from that rival and Stevie Knows (Barrie Draper) in 29.29sec (normal).

Savana Beau, a finalist last year, had earlier struck in heat 14 for Diane Henry and owner Kevin Boothby, the Towcester boss, with a powerful effort as he raced clear on the run for home to score by almost four lengths in 29.25sec (normal) from the running-on Jacktavern Bella (Graham Holland) and Goldies Perryman (Paul Foster).

Ballymac Marino, subject of a seeding change to rails before the second round, rounded off the night with an impressive effort in heat 16 to secure another Irish-trained victory as the Liam Dowling-trained runner piled on the pressure from the get-go to make all from Forest Icon (Kevin Hutton) and Savana Bailey (Diane Henry) in 29.17sec (normal).

REGULATORY VETERINARY SURGEON VACANCIES X 3

The Greyhound Board of Great Britain (GBGB) is the governing body for licensed greyhound racing in England, Scotland and Wales. As well as overseeing Stadia and the running of each race and trial, we are responsible for regulating the welfare and care of all racing greyhounds, from registration to retirement.

Welfare is of the upmost importance and the top priority for the GBGB, as reflected in the recently published 5 year Welfare Strategy (<https://www.gbgb.org.uk/welfare-care/commitment-to-care/>) which covers all stages of a racing greyhound's life. To support the delivery of the Welfare Strategy and the GBGB's commitment to optimising greyhound welfare, the GBGB has created five new Regional Regulatory Veterinary Surgeon roles.

We still require Regulatory Veterinary Surgeons to cover three geographical regions: The Southeast (including London), the Southwest/West Midlands and the East Midlands/East Anglia.

The Regional Regulatory Veterinary Surgeons will report to the Veterinary Executive. Their functions will include:

- Upholding the GBGB's Rules of Racing in matters relating directly and indirectly to greyhound welfare.
- Acting as a point of reference and support for Track Veterinary Surgeons in respect of their regulatory functions.
- Working closely with and supporting the field staff of Stipendiary Stewards, both at tracks and at trainers' residential kennels.
- Conducting annual veterinary kennel inspections at trainers' residential kennels.

Candidates will be Members or Fellows of the RCVS. You must have broad clinical skills and a minimum of two years' experience working in veterinary practice. A post graduate qualification in animal welfare or other relevant discipline would be desirable. Experience of working in animal sports or with an animal welfare charity would also be desirable.

The position will involve travel and independent working and therefore candidates must be able to work unsupervised and hold a clean and valid driving licence. Candidates must also be prepared to work flexibly and outside of usual working hours when required to do so.

This is a full time, non-clinical position and will be field based.

For a job description, requirements, and person specification, please contact Zoë Brown.

To apply for this position, please email a copy of your CV, together with a covering letter detailing which area you are applying for and how you fit the criteria specification to Zoë Brown, HR Manager, at zoe.brown@gbgb.org.uk

Mr R Woodworth CBE

1 **Crayford Stadium: LARGE EGO - Professional Trainer Mrs Allison Kelly-Pilgrim**

Professional Trainer Mrs Allison Kelly-Pilgrim was found to be in breach of rules 174(i)(a) and (b), 152(i) and (ii), and 217 of the GBGB Rules of Racing in that a urine sample taken from the greyhound **LARGE EGO** at Crayford Stadium on 6 December 2022 was analysed by LGC Health Sciences as containing the presence of ketoprofen and 2-[3-(4-hydroxybenzyl) propanoic acid, a metabolite of ketoprofen and that she had in her charge a greyhound that showed the presence of a substance that by its nature could affect the performance of the greyhound or prejudice its well-being.

Mrs Kelly-Pilgrim was in attendance. Daniel Rayment, Racing Manager at Crayford Stadium, Professor Tim Morris, Independent Scientific Adviser, Annie Poole, Stipendiary Steward, and Paul Illingworth, Head of Stadia, Entain, were also in attendance.

A Local Inquiry was held on 14 February 2023 at which it was recorded that on 6 December 2022 **LARGE EGO** was participating in a solo trial over 380m hurdles. A

pre-race urine sample revealed the presence of ketoprofen and a metabolite of ketoprofen. Mrs Kelly-Pilgrim was unable to explain how the substance came into the greyhound and assumed it must have been from meat consumed by **LARGE EGO**.

The Disciplinary Committee heard evidence from Professor Morris that ketoprofen is a non-steroidal anti-inflammatory drug or NSAID. All NSAID's have the potential to induce adverse reactions, some of which can be life threatening. Vomiting is the most common observed adverse effect in dogs. Gastrointestinal ulceration is the most common life-threatening adverse effect. Professor Morris was not aware of any studies that showed ketoprofen could directly affect the performance of the greyhound. However, the alleviation of symptoms by ketoprofen could have an indirect effect on performance by mitigating the adverse effects of any pain or inflammation. In his opinion, therefore, ketoprofen was a substance which by its nature could affect the performance of the greyhound or could prejudice the well-being of a greyhound.

Professor Morris advised that the concentration of ketoprofen and the metabolite in the urine samples concerned were considerably over the residue limit and from the information available, (noting the absence of meat supply records) veterinary or medical sources were

more likely than a source related to meat.

The ketoprofen levels found in **LARGE EGO** were very high. According to an administration study prepared on behalf of the GBGB in 2020 the levels of ketoprofen and its metabolite found in **LARGE EGO** were consistent with a therapeutic dose having been administered 24 hours before the trial.

The 2020 administration report had also analysed the expected ketoprofen plasma levels after cattle muscle ingestion and these would be expected to be below the residue limits. The Committee discussed the possibility that ketoprofen levels might be high if an animal was slaughtered very soon after being treated with ketoprofen. However, the Committee thought this scenario unlikely. It would be unlikely to find an animal given ketoprofen immediately before slaughter as one would wish to allow time for the drug to have effect. The 2020 administration report was strong evidence against the source being the meat supply. A study had also shown that accumulation over time was unlikely.

Mrs Kelly-Pilgrim denied having administered ketoprofen to the greyhound and denied that **LARGE EGO** might have had an injury at the time of the trial, giving rise to treatment.

The Committee bases its decisions on the balance of probabilities and the evidence available. Faced with strong evidence in the studies

cited by Professor Morris, given the exceptional ketoprofen levels found, and in the absence of any other explanation the Disciplinary Committee found that on the balance of probabilities ketoprofen had been administered to LARGE EGO and had not resulted from eating contaminated meat.

No defence was available as it could not be said that the administration of ketoprofen could be part of the ordinary course of feeding. There were, therefore, breaches of the strict liability rules, that is to say Rules 152(i), 174(i)(b) and 217. However, there was no evidence that the ketoprofen had derived from feed or supplements and therefore there was no breach of Rule 214. This did, however, appear to be a case of intentional administration which could affect both the welfare and performance of the Greyhound and could potentially affect the reputation of greyhound racing so Rule 174(i)(a) and 152(ii) were breached.

Administering or allowing the administration of a prohibited substance to a greyhound is a serious matter, but the Committee took into account as a mitigating factor Mrs Kelly-Pilgrim's good record over a number of years and ordered a reprimand and penalty of £500.

In Professor Morris's opinion it was a substance which by its nature could affect a greyhound's performance or prejudice its wellbeing.

Mr Mullins told the Local Inquiry held on 23 January 2023 that CHELMS SWITCH had not been treated with ketoprofen at any time and that the source of the ketoprofen found in the sample taken from CHELMS SWITCH could only be the Category 2 ABP meat that he cooked and fed to his greyhounds every day except on race days.

Professor Morris told the Committee that the concentrations of ketoprofen and its metabolite found in the urine sample meant it was very unlikely they came from a recent administration of the substance to the greyhound. They could be the tail end of a clinical dose administered between 40 and 120 hours before the sample was taken. That would have to have been administered by a human medicine tablet or topical gel obtained on prescription or by injection of a veterinary preparation. Many other effective NSAIDs were much more readily obtainable. The concentrations found in the sample were consistent with CHELMS SWITCH eating meat from the carcass of an animal treated with an injection of ketoprofen. Cooking the meat would not have broken down the ketoprofen. In his opinion the likely explanation in this case was that the ketoprofen was in the meat fed by Mr Mullins.

Mr Mullins told the Committee he always fed meat because he believed this was in the best interests of his dogs. He admitted that he was aware of the longstanding advice by the Greyhound Regulatory Board that trainers should not feed Category 2 ABP meat to racing greyhounds because of the high risk of it containing drug-contaminated meat. But he said he thought the meat he fed was better quality than the Category 3 meat trainers are advised to use if they want to feed ABP meat. He said he asked his butcher only to give him beef (although a letter from his butcher shown to the Committee only said that the meat supplied was "high quality killed Category 2 meat"). For this reason and because the meat was not stained and not minced, Mr Mullins thought it was less of a risk. He said that until this inquiry he had never been told that cooking Category 2 ABP meat would not break down or remove drug residues. Although he had never researched or asked for advice on the question, he had always assumed that cooking would break down any residues.

The Committee found that the ketoprofen and metabolite detected in the sample from CHELMS SWITCH had come from the Category 2 ABP meat fed by Mr Mullins. Mr Mullins was in breach of Rules 147 (i) (b), 214, 217 and 152 (i).

At the end of his evidence Mr Mullins told the Committee that he intended to continue feeding Category 2 ABP meat to his greyhounds. It was not a question of Category 3 ABP meat or other meat costing more money, he said, but what was best for the dogs. However, after the Committee's finding he reconsidered and told the Committee he would no longer feed Category 2 ABP meat to his racing dogs, but only to pups and retired greyhounds. The Committee ordered that he receive a caution and pay a fine of £400.

1 **Crayford Stadium:** **Professional Trainer** **Mr J Mullins**

Professional Trainer Mr John Mullins was found in breach of Rules 152 (i), 147 (i) (b), 214 and 217 in that a urine sample taken from the greyhound **CHELMS SWITCH** at Crayford Stadium on 12 November 2022 was analysed by LGC Health Sciences as containing the presence of ketoprofen and a metabolite of ketoprofen.

Mr Mullins, Stipendiary Steward Annie Poole, Crayford Stadium Racing Manager Mr Danny Rayment and independent scientific adviser Professor Tim Morris were in attendance.

Professor Morris's evidence was that ketoprofen was a non-steroidal anti-inflammatory drug (NSAID) used to relieve pain and reduce fever and inflammation. It was commonly used in animals and man. It was available as a licensed veterinary medicine in tablet or injectable form from a number of different companies, used to treat a number of species including dogs, cattle, horses and pigs, although no preparations of ketoprofen are currently marketed for dogs in UK. Tablet and topical gel preparations of ketoprofen are used in human medicine, but only available on prescription.

All NSAIDs could induce adverse reactions, some of which could be life-threatening. Vomiting was the most common adverse effect in dogs. Gastrointestinal ulceration was the most common life-threatening effect. Ketoprofen had not been shown to directly affect a greyhound's performance, but it could do so indirectly by alleviating adverse effects of pain or inflammation.

2 **Doncaster Stadium:** **Professional Trainer** **Mr K Bowman**

Professional Trainer Mr Ken Bowman was found in breach of Rules 49 (iv), 174 (i) (a) and 152(i) and (ii) in that he administered a substance, namely an excessive amount of foodstuffs, that could affect the performance and/or well-being of the greyhound **PACIFIC CAPTAIN** and did not use his best endeavours to ensure that the performance of the greyhound **PACIFIC CAPTAIN** in a Race was to the satisfaction of the Local Stewards and/or the Greyhound Regulatory Board.

Mr Bowman was in attendance by video link as were Graham Banks, Joint Racing Manager at Doncaster Stadium, and Stipendiary Steward Simon Storey.

The Committee heard that **PACIFIC CAPTAIN**, trained by professional greyhound trainer Mr Ken Bowman, ran in a 450m flat B2 race at Doncaster Stadium on 4 December 2022. Mr Bowman had brought the dog to the track from his residential kennels a quarter mile away. The dog weighed 34.2 kgs at kennelling. It was examined by the duty track vet and deemed fit to race. It appeared to be fit and well. As is normal practice, all the dogs running were also examined pre-race. Mr Bowman's kennelhand then paraded the greyhound before the race.

The Committee heard that the betting on **PACIFIC CAPTAIN** had opened at 4/1 but had drifted out to 14/1 by the start. In the race (a recording of which was viewed by the Committee) the dog performed badly and finished last. It had left the traps slowly and got slower in the course of the race. Mr Bowman accepted that its performance had been "terrible".

At the conclusion of the race Mr Bowman's kennelhand brought it back to the paddock/kennel area. The Committee heard that the paddock stewards saw PACIFIC CAPTAIN vomit on the floor as the kennelhand attempted to walk it into the kennel area. The paddock stewards called the Authorised Representative, Mr Robert Watson. While they waited for Mr Watson to attend, Mr Bowman came into the kennel area with a shovel, attempting to clean up the vomit. He was stopped by the paddock stewards. Mr Watson instructed the Paddock Stewards to bag and weigh the vomit. It weighed 0.3 kgs.

On a routine surveillance walk-round later in the race meeting, the paddock steward noticed a large quantity of vomit in the kennel where PACIFIC CAPTAIN was kennelled. The duty track vet attended and examined the vomit. It was collected and weighed. It weighed 1 kg. PACIFIC CAPTAIN was then weighed again and found to weigh 33.5kgs.

When, later in the meeting, the paddock steward looked into PACIFIC CAPTAIN's kennel, she saw more vomit. She called the duty track vet and Mr Bowman to the kennel. This third deposit of vomit was collected and weighed. It weighed 0.3kgs, bringing to 1.6 kgs the total amount of vomit from PACIFIC CAPTAIN.

The Committee heard that the dog was then examined by the duty track vet. She found the vomit to consist of partially digested food, light brown in colour and of a soft consistency. The dog was lethargic, with a low head carriage. Tests showed mild to medium dehydration, with no apparent abdominal pain. She was unable to take the dog's temperature because there was no thermometer in the vet's room. She said Mr Bowman had reported normal faeces being passed prior to the race but none had been seen post-race. Vomit and urine samples were obtained. These would test negative for prohibited substances when analysed by LGC Laboratory. The duty vet advised Mr Bowman to isolate PACIFIC CAPTAIN and other dogs recently in contact or kennelled with him for a minimum of 7-10 days after the last instance of the dog vomiting, to allow access to fluids to rehydrate and to feed the dog small meals slowly, little and often.

The Doncaster Stadium track vet reported that Mr Bowman spoke with her about the dog's vomiting when they were both at the track the next day, 5th December 2022. He asked her for antibiotics as, he said, the dog was unwell, off colour and would

not eat its food. He did not want to bring the dog to be examined in case it spread sickness. She checked the vet records of the examination by the duty track vet the previous day and dispensed penicillin for a 5 day course of treatment.

At the Local Inquiry held on 25 January 2023 and in evidence to the Committee, Mr Bowman said that he had fed PACIFIC CAPTAIN a bowl full of Red Mills dry food soaked in water at 12.30pm the day before the race where it had vomited. He had not fed the dog any more than usual that day and had fed nothing before the race on 4 December. The dog had access to fresh drinking water and was fit and well. He claimed that it had just won five races in a row prior to that date (in fact the dog had won three races in a row). He said it had never vomited before. He said that when he saw the amount the dog had vomited after the race, he could not believe it. The dog had not been fed that amount of food the day before the race and had been fed nothing on race day.

Mr Bowman could not explain what had made the greyhound unwell, perform so badly or how it was able to vomit such a large quantity of partially digested food some 24 hours after it had last been fed.

He said he had been told some Doncaster open race trainers had been racing at other tracks just before this incident and he believed they had brought kennel sickness to Doncaster track. But he raced 7 greyhounds at Doncaster on 4 December and none of his other dogs were affected by kennel sickness. Nor was he aware of any other greyhounds suffering with sickness that day. Doncaster Racing Office reported to the inquiry that only 3 greyhounds had been withdrawn unwell during the month of December 2022: one with a swollen gland and only 2 others, both with the same trainer, who could have been cases of kennel sickness.

Mr Bowman said that when he spoke to the track vet on 5 December 2022 about PACIFIC CAPTAIN vomiting so much food the day before, she had said the food had "laid on the dog's stomach". He said he understood her to mean that it had accumulated over days in the dog's stomach before being vomited. However, the vet had not mentioned this in her report to the inquiry and Mr Bowman had not obtained any statement from the vet or produced any other evidence supporting this explanation.

The Committee considered there was no real doubt how PACIFIC CAPTAIN had been able to vomit such a large

amount of partially digested food. It had been fed to the greyhound the day before or on the day of the race. It must have been fed to the greyhound by Mr Bowman or with his connivance. It was undoubtedly the reason for the greyhound's "terrible" performance in the race. The inference was inescapable that it had been fed to the greyhound with the intention of impeding its performance in the race. By this conduct Mr Bowman was in breach of Rules 49 (iv), 174 (i) (a) and 152 (ii). By virtue of these breaches he was necessarily also in breach of Rule 152 (i).

The Committee was told that Mr Bowman was a trainer of good character. This was his "first offence" as a trainer during his long involvement in greyhound racing. Nevertheless, these were serious breaches involving dishonest conduct that was seriously prejudicial to the integrity, proper conduct and reputation of greyhound racing. The Committee ordered that he receive a severe reprimand and pay a fine of £500.

LOCAL INQUIRIES

1 CENTRAL PARK STADIUM

At a local inquiry held by the Area Stipendiary Steward on 26th May 2023, **Central Park Stadium** admitted to breaching Rules 113(i) and 115(i)&(ii) in that they failed to correctly identify the greyhound **QUEEN JONI** that was scheduled to take part in a 265m solo trial at a meeting held on 21st April 2023, and by doing so another greyhound, believed to be **QUEEN LEONA**, ran in its place. Having considered the evidence, the Area Stipendiary Steward ordered that **Central Park Stadium** be cautioned and fined the sum of £700.

2 Mr C JACKSON - NEWCASTLE STADIUM

At a local inquiry held by the Area Stipendiary Steward on 26th May 2023, professional greyhound trainer Mr C Jackson was cautioned for a breach of Rules 18(i)(e) in respect of failing to make acceptable retirement arrangements for the greyhound **POPPER HALLIE** that last raced at Newcastle stadium on 2nd September 2022.

3 MS J SLATER - TOWCESTER RACECOURSE

At a local inquiry held by the Area Stipendiary Steward on 2nd June 2023, professional greyhound trainer **Ms J Slater** was reprimanded and fined the sum of £750 for a breach of Rules 69A, 152(ii) and 212(ii) c)

following the unauthorised withdrawal of the greyhounds **EIRE NEXTONE, NAH THEN BABBI, BULLET WILDCAT, CRISPY BACON, NODUFF IMPERIAL, PACEY MICHAEL** and **EIRE CHARLIE** from the race meeting held at Towcester Racecourse on 21st May 2023, and that she acted in a manner prejudicial to the integrity, proper conduct or good reputation of Greyhound racing as regulated by GBGB.
