GREYHOUND RETIREMENTS UPDATE, BIG RACE NEWS AND LATEST OPEN RACE INFORMATION

Command performance: Patrick Janssens' Romeo Command (T5) goes hammer and tong into the first bend with Brendan Matthews' Burj Khalifa in the Star Sports & TRC English Greyhound Derby quarter-finals last Saturday, the former emerging in front and settling matters by one and three quarter lengths in 28.89sec. They avoid each other tomorrow in the semi-finals, but there is absolutely no hiding place at this stage. It's safe to say the action has been fast and fantastic throughout this year's renewal, and few get closer to it than seasoned snapper Steve Nasher whose remote cam needs constant cleaning between every race. Best of luck to all semi-finalists!

IMPORTANT NOTICE: GREYHOUND RETIREMENTS

Please be aware that the process for retiring greyhounds has been updated, in line with commitments set out in GBGB's welfare strategy 'A Good Life for Every Greyhound'.

GBGB licensed trainers and owners who need to retire a greyhound should now take care to use the new Retirement Form ('Green Form'). This can be downloaded online via 'My Kennel' in the Owner/Trainer Portals on the GBGB website and returned to us via email or post. Alternatively, it is available on request from the GBGB Welfare Department and has been circulated to all racecourses.

The old Retirement Form will no longer be accepted by GBGB after 1st July 2023.

Please note: There is no longer an option for trainers/owners to select 'unlicensed racing' or 'racing abroad' as destinations when retiring a GBGB-registered greyhound. This is because GBGB is clear that it does not find it acceptable that any greyhound should leave regulated racing, with robust safeguards in place, for an unregulated racing environment. The relocation of greyhounds to countries where welfare standards cannot be sufficiently verified is also unacceptable.

New Policies and Documentation

These retirement updates are accompanied by new policies to make clear expectations and responsibilities around racing greyhound ownership. We would ask that all GBGB licence-holders – particularly owners and trainers – read and familiarise themselves with the following:

- **GBGB Responsible Homing Policy:** This details the steps that owners and trainers must follow when considering their greyhound's retirement destination, whether it is being kept by its racing owner, homed privately to an appropriate new owner, or placed in the care of a homing charity. The Policy has been circulated to trainers via email and can be found on the GBGB website.
- **GBGB Retirement Form:** This can be downloaded online via 'My Kennel' in the Owner/Trainer Portals on the GBGB website. Alternatively, please contact the GBGB Welfare Department (details below) who can send you a copy directly.
- **GBGB Reporting the Death of a Greyhound Form:** This must now be recorded via a separate form and can be found in the same way as the Retirement Form (as above). GBGB's Euthanasia Policy can be found on the reverse of this form.

For any questions about this process or the changes, please contact the GBGB Welfare Department by email: welfare@gbgb.org.uk or call: 020 7822 0900 (option 2).

If you require any support accessing your 'My Kennel' portal, please email: info@gbgb.org.uk or call the number above.

INJURY RECOVERY SCHEME: INFORMATION FOR TRAINERS

What is the IRS?

The Injury Recovery Scheme (IRS) is a nationwide initiative that, since 2018, has provided financial assistance to any owner or trainer whose greyhound sustains a career-ending injury at a GBGB-licensed racecourse. The goal of the scheme is to ensure that these greyhounds can go on to enjoy their retirement, following appropriate treatment and recovery.

What funding is available?

The following grants are available for corrective veterinary treatment for orthopaedic injuries:

- A grant of 50%, up to a maximum of £400 per greyhound, for any career-ending injury that requires remedial veterinary treatment;
- A grant of 50%, up to a maximum of £1,000 per greyhound, for a career-ending hock injury that requires specialist surgery;
- A grant of 50%, up to a maximum of £2,000 per greyhound, for a career-ending long bone injury that requires specialist surgery.

Can my greyhound race again after I have claimed IRS funding?

The IRS is for the treatment of **career-ending** injuries, and therefore greyhounds which have received GBGB IRS funding cannot trial or race again. If a trainer or owner is unsure whether an injury is career-ending, they should refrain from claiming from the IRS until they are more certain of the prognosis following veterinary advice. There is no cut-off date for applying for the funding.

Any greyhound that has been treated through the IRS should be retired and should not be used for breeding. While GBGB has previously accepted refunds of the IRS monies in exceptional cases where a greyhound is believed to make a return to racing, refunds will no longer be available for any IRS application submitted on or after 1st July 2023.

How can I apply?

The IRS is open to all GBGB-licensed trainers and registered owners, who can either apply directly to the GBGB for funding or have a racecourse apply on their behalf.

Grants will be payable to the applicant upon completion of an IRS application form and evidence of a fully paid veterinary invoice. Application forms can be downloaded from the GBGB website via 'My Kennel'. Alternatively, email: grants@gbgb.org.uk.

Racecourses that currently provide their own injury schemes can also apply for IRS funding on behalf of their owner/trainer.

If you have any further questions about the IRS or need advice, please contact your Stipendiary Steward or the GBGB Welfare Department: **020 7822 0900** (option 2).

FRIENDS OF MO NEWMAN HOPING FOR CAT ONE STATUS AFTER INAUGURAL RUNNING OF MEMORIAL MARATHON RACE

The Maurice Newman Memorial Marathon could become a GBGB Category One competition next year after Night Time Danny became the inaugural winner of the event, staged in memory of the former owner, trainer and fundraiser, at Romford last week.

The Stephen Rayner-trained senior, landing his second major title at the Essex venue after plundering last year's Coral Champion Stakes, finished best to deny Teds Dexter (Nathan Hunt) in an absolute thriller over the 750m trip after the local star set a furious pace up front to stretch his rivals out in the £3,000 GBGB Category Two event.

However, Night Time Danny, in arrears early, weaved his way through to launch a successful challenge off the last bend to win by a head from Teds Dexter and Untold Rupee (Carol Weatherall) in 47.28sec (+20).

Winner of the Galaxy Marathon at Oxford earlier this year, a delighted Rayner said: "He just never gives up, although I was never absolutely sure he'd get there in time. Thankfully he has and it's great to win the first running of a competition held in memory of Maurice (Newman) who did so much fantastic work raising money for charity."

John and Jo Fox, ambassadors for the Great Ormond Street Hospital Children's Charity, said: "Great Ormond Street wanted to pass on our thanks once again to the family of Maurice for all the incredible work he did to raise money. It's been a fantastic turnout which goes to show you the high regard Maurice was held in."

Teddy Sheringham and Michael Watson, friends of Maurice Newman for many years given his strong links also with football and boxing, joined connections at the presentation for the big race – along with Maurice's widow Vera who was brought to the track by Stan Kennett.

Former trainer Kennett organised the night in memory of his close friend and thanked those who also made it possible in terms of sponsors on the night – RPGTV, the Romford bookmakers, Star Sports and Graham Box and Bev Lothead. He also paid particular tribute to the Romford management.

"Karen McMillan at Romford could not do enough to help and I know could have had three times as many people in the Pavilion there – Maurice had a lot of friends who would love to have attended. I understand next year guests will take over the restaurant – they can take more numbers there – and hopefully it will be a Cat One race, too.

"Everyone I spoke to said it was a wonderful night. The perfect one to remember Mo."

REX PUTS HIS RIVALS TO THE SWORD IN 28.93SEC. AND GETS WITHIN TOUCHING DISTANCE OF A PLACE IN THE DERBY FINAL

SWORDS REX heads into tomorrow's semi-finals as ante-post favourite for the Classic after completing a double for the Graham Holland in the fourth quarter-final of the 2023 Star Sports & TRC English Greyhound Derby at Towcester last Saturday.

Maintaining an unbeaten record in the world's greatest greyhound race, the Easter Cup champion and former track record holder trapped in front and was never headed as the July 2020 son of Droopys Sydney and Starry Display made all to score by three and a half lengths from Romeo Top Gun (Patrick Janssens) and Ballymac Finn (Liam Dowling) in 28.93sec (-15).

The victory followed that of kennelmate Gaytime Nemo in the third quarter-final as Holland's runner overcame a wider draw than usual by pacing up and making the turn in front on his way to five and a half lengths success over Ninja Kerry (Belinda Green) and another Holland runner in Jacktavern Bella. The winning time was 28.94sec (-15), just one spot slower than Swords Rex posted some 17 minutes later.

Of Gaytime Nemo, Nicky Holland, wife of trainer Graham, said: "He trapped well but needed to where he was. He was only just back from injury coming into the Derby so is getting better and stronger with each run. Four of ours have got another week and that's all you can ask for at this stage."

The fourth Holland trainer semi-finalist is Clona Duke after he had earlier chased home John Lambe's superb front-running Mystical Mario in the second quarter-final. The winner once again showed electric early gears to set up a 29.25sec (-15) victory.

Well away on his way to a rapid-fire 4.00sec sectional, Perry Barr raider Mystical Mario was never headed as the March 2020 son of Droopys Jet and Mystical Moll kept up the gallop to score by one and a half lengths from Clona Duke, who paced up well to get inside kennelmate and favourite Romeo Hanzo at the turn.

The latter was crowded here and went out but Clona Duke kept on to qualify behind Mystical Mario, with Cochise (Richard Rees) staying on best of all to edge out Signet Otis (Kevin Hutton) for a place in the last 12 in Saturday's semi-finals.

John Lambe, Mystical Mario's kennel, said: "He's really pinging the lids at the moment and long may that continue! He's coming forward but that was always the plan. I always feel you want to bring Derby dogs on through the event. Sometimes you have to ride your luck in the early rounds but he's staying on a lot better and it's great to be in the semi-finals."

Romeo Command broke in front to set up victory in the first quarter-final. Pitched wider than usual, he nevertheless had the speed to clear his lines early before going on to land a 13th success in 14 starts in the UK, winning by a length and three-quarters from Burj Khalifa (Brendan Matthews) and last year's finalist Savana Beau (Diane Henry) in 29.04sec (-15).

Winning trainer Patrick Janssens said: "He's remarkable this dog. He's got an amazing will-to-win and a great record since joining us. He was in with some top sprinters over 525yds in Ireland and didn't really have the early pace to go with them. The run-up at Shelbourne was also too short for him, although he did one of fastest times for Cork's 550yds when he was in with true four-bend dogs."

REGULATORY VETERINARY SURGEON VACANCIES X 3

The Greyhound Board of Great Britain (GBGB) is the governing body for licensed greyhound racing in England, Scotland and Wales. As well as overseeing Stadia and the running of each race and trial, we are responsible for regulating the welfare and care of all racing greyhounds, from registration to retirement.

Welfare is of the upmost importance and the top priority for the GBGB, as reflected in the recently published 5 year Welfare Strategy (<https://www.gbgb.org.uk/welfare-care/commitment-to-care/>) which covers all stages of a racing greyhound's life. To support the delivery of the Welfare Strategy and the GBGB's commitment to optimising greyhound welfare, the GBGB has created five new Regional Regulatory Veterinary Surgeon roles.

We still require Regulatory Veterinary Surgeons to cover three geographical regions: The Southeast (including London), the Southwest/West Midlands and the East Midlands/East Anglia.

The Regional Regulatory Veterinary Surgeons will report to the Veterinary Executive. Their functions will include:

- Upholding the GBGB's Rules of Racing in matters relating directly and indirectly to greyhound welfare.
- Acting as a point of reference and support for Track Veterinary Surgeons in respect of their regulatory functions.
- Working closely with and supporting the field staff of Stipendiary Stewards, both at tracks and at trainers' residential kennels.
- Conducting annual veterinary kennel inspections at trainers' residential kennels.

Candidates will be Members or Fellows of the RCVS. You must have broad clinical skills and a minimum of two years' experience working in veterinary practice. A post graduate qualification in animal welfare or other relevant discipline would be desirable. Experience of working in animal sports or with an animal welfare charity would also be desirable.

The position will involve travel and independent working and therefore candidates must be able to work unsupervised and hold a clean and valid driving licence. Candidates must also be prepared to work flexibly and outside of usual working hours when required to do so.

This is a full time, non-clinical position and will be field based.

For a job description, requirements, and person specification, please contact Zoë Brown.

To apply for this position, please email a copy of your CV, together with a covering letter detailing which area you are applying for and how you fit the criteria specification to Zoë Brown, HR Manager, at zoe.brown@gbgb.org.uk
