SPACE JET RAISES THE ROOF AT HOVE AS TRAINER MATT DARTNALL SENDS OUT AN INCREDIBLE ONE-TWO-THREE IN REGENCY FINAL

MATT DARTNALL scored a memorable one-two-three in the Premier Greyhound Racing Regency Final at Hove on Saturday as Space Jet once again proved herself a champion of the sport.

Leading home kennelmates Swiper and Lively Lauren, who had led the charge for much of the way, the Kurn Rushen-owned Space Jet produced one of her trademark finishes to delight a bumper crowd at the Sussex venue and take the £20,000 first prize for the GBGB Category One in the process.

In winning, the crowd-pleasing February 2019 daughter of Droopys Jet and Volcano also added to victories in the 2021 St Leger, 2022 TV Trophy and back-to-back Dorando Marathons at Towcester, as well as the 1st Containers Marathon at the same Derby venue. Her UK record now stands at 23 wins from 31 UK starts.

For Dartnall, success was extra special given his three semi-final winners from the previous week filled the first three places in the Regency, with Swiper always in a pitch behind fast-starting Lively Lauren, with Space Jet weaving her way through magnificently to strike off the last bend to score by two lengths from Swiper in 41.69sec (+15).

Dartnall was a proud man afterwards, commenting: "I was in the middle of the track watching a real ding-dong battle between Lively Lauren and Swiper - they've both run great races - but I could hear Mark (Sealey, kennelhand) begin to shout Space Jet home and I couldn't believe what I was seeing.

"I've always loved the Regency trophy and remember Flying Winner's win in 2008. She's Space Jet's grand-dam and so it's special to follow her - and to get the first three home is great for us all and we're really proud of that.

"Getting the three semi-final winners last week was one thing, but then there's the pressure of going on to win it - but the owners of all three dogs pretty much sat together in the restaurant, wished each other luck, and have been part of a great race.

"My thanks to all the team - to dad (Terry), Mark, Charlie and Laura. We're a small team which grafts hard and we'll enjoy this special night.

"Space Jet has now won a St Leger, a TV Trophy and a Regency which takes some doing. We'll likely take her back to Perry Barr for another crack at the Leger."

Kurn Rushen, Space Jet's owner and also part-owner of runner-up Swiper, said: "Many thanks to Coral for putting on such a great night's racing, and to the sponsors - it's been amazing. The crowds just love her and we're seeing things we may not see again - she's just a remarkable greyhound.

"I told Matt (Dartnall) that 695m was too short for her. I'm delighted to say I was wrong!"

MAGICAL MOMENT FOR SUNDERLAND TRAINER MICHAEL FIELDSON WHO LANDS THE ANGEL OF THE NORTH, HIS BIGGEST CAREER SUCCESS

MAGICAL CAMILLA made all in the Arena Racing Company Angel Of The North Final at Newcastle to provide veteran trainer Michael Fieldson with his biggest success.

However, the story of the bitches-only GBGB Category Two contest was far from straightforward with the October 2020 daughter of Droopys Buick and Burgess Sarah ultimately only winning by a short-head to claim the £6,000 prize.

Quickly into stride on her way to a slick 3.59sec sectional, Magical Camilla raced into a long lead and looked to have the race in safe-keeping at the halfway point, with favourite and fastest semi-final winner Greenwell Elle held up at the turn.

However, John Flaherty's bitch conjured up a huge run to reduce the deficit steadily and kept on well up the home-straight to draw alongside the winner on the line, losing out by the minimum margin to the 28.65sec (normal) winner for the 480m trip.

In succeeding last year's winner Crystal Alice, Magical Camilla justified the promise shown by the two-year-old since joined Sunderland trainer Fieldson after being bought by a team of owners led by John Reay who was on hand to collect the trophy.

Ian Walton, Newcastle general manager, congratulated connections and said: "It was literally a magical night for Sunderland trainer Michael Fieldson!

"Everyone loves an underdog story and Magical Camilla at the start of the competition was just that. However, she showed exceptional early pace and that's what ultimately put the final to bed, albeit it was a really exciting finish in the end.

"Greenwell Elle really ate into the lead all the way to the line and there was a tense minute or so for the winners while the judge studied the photograph. Magical Camilla landed an 8-1 victory but this Category Two win was absolutely no fluke.

"She won it very much on merit in a quick time of 28.65sec and clearly it's fair play to Michael for getting the best out of her. He's not had her for long but what a great performance on the night - so well done to him and her owners.

"Connections celebrated on the podium and you could see how much this meant to everyone involved. Congratulations to all concerned."

CANDOLIM MONSOON STORMS HOME TO VICTORY AT HOVE, NOTCHING UP A FOURTH SUSSEX CUP SUCCESS FOR DEREK KNIGHT

CANDOLIM MONSOON landed Hove training legend Derek Knight a fourth success in the Coral Sussex Cup at Hove on Saturday.

On a night lit up by four finals and Space Jet's last-to-first Regency victory, Candolim Monsoon justified steady support throughout the day to score a hugely popular local success in the £10,000-to-the-winner GBGB Category One, the September 2020 son of Magical Bale and Maireads Shauna making all off a fast start.

Pacing up well for a 4.33sec sectional, Knight's star was soon in full flow and the likes of runner-up Droopys Google (Nathan Hunt) and running-on Frompostopillar (Liz McNair) could never get close enough to challenge as the Hove star kept up a cracking pace to the line, scoring by two lengths in 29.62sec (+10).

Success for the Candolim Six-owned Candolim Monsoon, named after a village in India where the owners holidayed before deciding to get together to buy the two-year-old, followed Knight's other wins in the Coral Sussex Cup with Astrosyn Eulogy (1998), Smoking Bullet (2000) and Lozzas Dream (2002).

The man himself was delighted at the presentation podium, joking with RPGTV's Darrell Williams about how overdue this fourth Sussex Cup triumph was given Lozzas Dream's victory was some 21 years ago, but celebrating the success for the kennel as a whole.

"He's such a lovely dog and in really good form," said Knight. "We knew he had a great draw and when he's made the bend you just wanted him to kick on and that what's he done. He stays the trip really strongly and it's great for the kennel - Maria, Natalie, Ellen, Julie, Nigel and Callum. They work hard and all deserve this.

"You work hard for the buzz you get on nights like this - and well done to Hove for staging not just the best night's racing here of the year, but I'd say the best night's racing in the UK. They've offered good prize-money and that encourages owners into the game."

“I THINK WE WILL BE CELEBRATING THE WIN FOR A GOOD FEW DAYS, IN FACT I MIGHT BE SMILING FOR WEEKS!” – TRAINER TOM HEILBRON

LINKS MAVERICK, trained at Newcastle by Tom Heilbron, landed his second GBGB Category One title with a brilliant victory in the final of the Stadium Bookmakers Pall Mall at Oxford on Saturday.

The famous event, returned to the schedule for the first time since 2012 following the track's reopening last year, had seen a new track record set in the competition by the eventual winner, who was foot-perfect come the £20,000-to-the-winner decider over 450m.

Flashing away from the boxes, the May 2021 son of Grangeview Ten and Havana Lottie unleashed a brute burst of pace to the bend to clear his lines at the turn and race away for a three-length success from the staying-on Eze (Angie Kibble) in 26.92sec (-10).

Third place went to Hawkfield Ozark (Patrick Janssens) who was second for much of the way before being overhauled by the powerful Swindon raider on the run for home. However, victory was Links Maverick's.

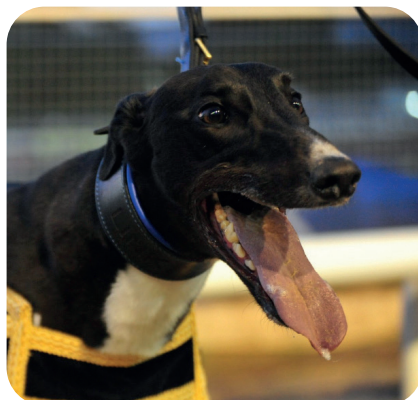

Successful in the Arc Northern Puppy Derby at Newcastle in February and a close-up third to Bradys Bullet at Monmore in March, winning trainer Heilbron said his runner, whom he part-owns with his father Kevin, Trevor Rush and David Wilson, had matured into a top-class runner who it was a pleasure to train.

“I'm just pointing him in the right direction and he's doing the rest,” he said. “He's a brilliantly fast greyhound who I've described as bombproof. He's stronger now than at Monmore but even so I was right to miss the Derby with him, concentrating on winning the Pall Mall, and he's done that - breaking the track record on route.

“We'll trial him back at Monmore with the (Ladbrokes) Gold Cup the target, but will definitely enjoy this win for a good few days - in fact, I might be smiling for weeks! It really was a fantastic night at Oxford, made even more special that our Links Dasher (26.92sec) also won the puppy race in some style. We think a lot of him, too.

“But I'd just like to reiterate a massive thanks to the track and sponsors for reviving the competition. It was first class from start to finish and great for us to win such a prestigious event as the Pall Mall. Maverick is absolutely a worthy winner.

We're always after competition-class greyhounds and he's definitely one of them.”

DROOPYS CLUE PROVIDES THE ANSWERS IN JUVENILE CLASSIC THRILLER AT TOWCESTER TO OVERHAUL WRIGHTY IN THE FINAL STRIDES

DROOPYS CLUE improved trainer Seamus Cahill's great record at Towcester still further with a powerful and thrilling last-gasp success in the Juvenile Classic Final over 500m at Towcester on Sunday.

Trained by Cahill for owner Alex Hambi, the August 2021 son of Out Of Range ASB and Droopys Natalia swooped late to add to the Hove handler's successes at the Northamptonshire venue which have included two Puppy Derbys, a Lowther Stakes, a Champion Hurdle and, of course, a Greyhound Derby.

Wrighty (John Mullins) was the first to show in Sunday's £10,000 decider with a slick 4.10sec sectional setting up an early lead, followed by Bombay Zero (Paul Young). Favourite New Destiny (Mark Wallis) paced up but was bumped at the turn, with the eventual winner railing into contention off the second bend.

Droopys Clue then produced a smart turn of back-straight pace to close on Bombay Zero before overcoming that rival and powering up the run-in to grab Wrighty on the line for a short-head success in 29.19sec (+20). Coppice Warrior (Kevin Hutton) kept on well for third, just ahead of New Destiny.

Seamus Cahill, the winner's trainer, was delighted to see the youngster land the GBGB Category One title - especially after being without luck at Hove's big Regency/Sussex Cup meeting the night before.

"Things didn't go to plan for us last night and morale was a bit low to be honest, but winning the Juvenile Classic for Alex makes up for that," said Cahill. "It's great to win another big race at Towcester, especially given it was a very competitive final. 'Cluedo' has run a cracker and we're delighted with him.

"He came unraced from the Dunphys and won a few nice races at Hove. We put him in the Derby even though he was very young, and things didn't work out, but he's come forward again and looks to have a very nice future. I'd say that future might well be over six bends but we'll see - it might be sooner rather than later.

"He's from a nice litter - (Steel City Puppy Derby winner) Droopys Fidget is a litter sister and she's also strong - and he needed all his strength to get there. John's (Mullins) dog is really improving and it didn't look great for us down the back when he was some three lengths clear but Cluedo's really knuckled down.

"He managed to get to Paul's (Young) dog at the third bend but just had to check his stride. To be fair he's shown great trackcraft there before winding up a challenge to win - and thankfully for us he's got there!"

FOOT-PERFECT PERFORMANCE FROM DROOPYS CHASER TO LAND CORAL SPRINBOK AT ITS NEW HOME, HOVE

DROOPYS CHASER became the first winner of the Springbok at its new home with a solid round of jumping and front-running in the final of the Coral-backed novice hurdlers' championship over 500m at Hove on Saturday.

On a night featuring four finals including the Premier Greyhound Racing Regency and Coral Sussex Cup, the Paul Young-trained, Geoff and Gary Bowmer-owned Droopys Chaser succeeded 2022 champion Lenson Doolin, who landed the last running of the competition at Central Park before its switch to Hove.

Completing an unbeaten run through the two-round event, the September 2020 son of Laughil Blake and Droopys Zero confirmed the promise of his heat success the previous week by pacing up to lead and never looked in trouble in the £5,000-to-the-winner GBGB Category Two decider.

Soon in charge on his way to a 3.62sec sectional, Droopys Chaser had his rivals strung out behind very quickly and jumped for fun up front to score a four-length success over Coppice Fox (Ricky Holloway) and Ritzy Flyer (Jim Reynolds) in 29.67sec (+10).

A delighted winning part-owner Geoff Bowmer said afterwards: "This is my first hurdler and we've won the Springbok so we're well pleased - and thanks must go to Jim Austin (Racing Post) who suggested we put him over hurdles when he didn't quite look straightforward at Towcester."

Mim Young, wife and assistant of winning Romford trainer Paul, said the kennel always knew he had plenty of pace having competed in events such as the Juvenile Classic at Towcester, but that the switch to hurdles had been the making of him.

"He can still make the odd mistake but he's improving and ran really well tonight. Thanks to all the team at Hove and to Barry O'Sullivan for schooling him. He's done a great job and helped us win our first Springbok."

Rob Abrey, Hove's racing manager, said: "To be a part of finals' night here as racing manager - and as a fan of the sport - really was something else. Saturday was one of those special nights that come round only once in a while.

"The greyhounds did the business on the track and everyone, whether here at the track or watching off-course, witnessed something very special.

"We saw the first running at Hove of the Springbok, an iconic event for novice hurdlers dating back to 1937, and it didn't disappoint. Droopys Chaser only had one race over the sticks before the competition but that didn't stop him claiming the spoils unbeaten.

"He showed jumping maturity beyond his years to claim a first Springbok for Romford trainer Paul Young and connections."

REGULATORY VETERINARY SURGEON VACANCIES X 3

The Greyhound Board of Great Britain (GBGB) is the governing body for licensed greyhound racing in England, Scotland and Wales. As well as overseeing Stadia and the running of each race and trial, we are responsible for regulating the welfare and care of all racing greyhounds, from registration to retirement.

Welfare is of the upmost importance and the top priority for the GBGB, as reflected in the recently published 5 year Welfare Strategy (<https://www.gbgb.org.uk/welfare-care/commitment-to-care/>) which covers all stages of a racing greyhound's life. To support the delivery of the Welfare Strategy and the GBGB's commitment to optimising greyhound welfare, the GBGB has created five new Regional Regulatory Veterinary Surgeon roles.

We still require Regulatory Veterinary Surgeons to cover three geographical regions: The Southeast (including London), the Southwest/West Midlands and the East Midlands/East Anglia.

The Regional Regulatory Veterinary Surgeons will report to the Veterinary Executive. Their functions will include:

- Upholding the GBGB's Rules of Racing in matters relating directly and indirectly to greyhound welfare.
- Acting as a point of reference and support for Track Veterinary Surgeons in respect of their regulatory functions.
- Working closely with and supporting the field staff of Stipendiary Stewards, both at tracks and at trainers' residential kennels.
- Conducting annual veterinary kennel inspections at trainers' residential kennels.

Candidates will be Members or Fellows of the RCVS. You must have broad clinical skills and a minimum of two years' experience working in veterinary practice. A post graduate qualification in animal welfare or other relevant discipline would be desirable. Experience of working in animal sports or with an animal welfare charity would also be desirable.

The position will involve travel and independent working and therefore candidates must be able to work unsupervised and hold a clean and valid driving licence. Candidates must also be prepared to work flexibly and outside of usual working hours when required to do so.

This is a full time, non-clinical position and will be field based.

For a job description, requirements, and person specification, please contact Zoë Brown.

To apply for this position, please email a copy of your CV, together with a covering letter detailing which area you are applying for and how you fit the criteria specification to Zoë Brown, HR Manager, at zoe.brown@gbgb.org.uk

DISCIPLINARY COMMITTEE INQUIRIES

The Disciplinary Committee of the GBGB was in attendance at a meeting held on 18 July 2023.

Mr R O'Donovan (in the chair)
Mr P O'Dowd
Mr H Starte

1 **Perry Barr Stadium: AFFANE LUNAR – Professional Trainer Mr Simon Cull**

Professional Trainer Mr Simon Cull was found to be in breach of rules 174(i)(b), 152(i), and 217 of the GBGB Rules of Racing in that a post-race urine sample taken from the greyhound **AFFANE LUNAR** at Perry Barr Stadium on 28 March 2023 was analysed by LGC Health Sciences as containing the presence of guaifenesin, and that he had in his charge a greyhound that showed the presence of a substance that by its nature could affect the performance of the greyhound or prejudice its well-being.

Mr Cull was in attendance. Pete Rosney, Stipendiary Steward, Chris Black General Manager at Perry Barr, Lewis Clarke, Assistant Racing Manager at Perry Barr, Dave Baldwin Group Head of Racing at ARC and Professor Tim Morris, Independent Scientific Adviser, were also in attendance.

A Local Inquiry was held on 18 May 2023 at which it was recorded that on 28 March 2023 AFFANE LUNAR had won a 480m graded A9 race by

six and a half lengths in a calculated time of 29.71sec. Due to this being an improved performance, a post-race urine sample was taken which was analysed as containing the drug guaifenesin. Mr Cull was unable to identify the source of the drug suggesting that it must have come from contaminated meat.

The Disciplinary Committee heard evidence from Professor Morris that guaifenesin is available as a veterinary medicine and used as a muscle relaxant in horses. For humans it is mainly used as an expectorant. Guaifenesin has sedative effects. It was unlikely that contaminated meat was the source of contamination as category 3 Animal By Product meat (as used by Mr Cull) should exclude meat from horses treated with guaifenesin. Guaifenesin is not licensed for use in cattle.

The Disciplinary Committee found that there was inadequate evidence on which to form a view as to the source of the drug. Mr Cull had produced invoices showing that he purchased category 3 Animal By Product meat. While one could not exclude the risk of what should be category 2 meat being mixed with category 3 meat, this was unlikely and one could not determine that on the balance of probabilities category 3 meat was the source. Equally Mr Cull gave details of his regular medicines and none contained guaifenesin, and he had not taken

any cold or flu remedies at the time which might have contained the drug.

However there had been an apparent improvement in form on 28 March and the Committee considered whether this might be linked to the finding of guaifenesin. On the evidence there did not appear to be a connection. Guaifenesin, given its sedative effects would be likely to reduce a dog's performance unless the dog had a cough or throat blockage, but then performance would simply be restored to what it should be.

As for AFFANE LUNAR's apparently improved performance on 28 March, Mr Cull and Mr Rosney pointed out that the dog had suffered from a split web and rested from October 2022 to February 2023. She trialled over 480m on 7 March 2023 in a calculated time of 30.13sec and raced on 14 and 23 March respectively, but on both days had been bumped and performed badly. The improved performance on 28 March simply reflected that she had a clear run. The time of 29.71sec was broadly consistent with the trial given her improvement in fitness after her break. There was also concern regarding betting patterns given that AFFANE LUNAR was favourite on 28 March despite two poor previous performances. Mr Cull explained the change in betting patterns saying he believed a number of trainers had assessed the chances of AFFANE LUNAR based on its previous form in

a higher grade and this was a weak race in which she was well drawn in trap 1.

The Disciplinary Committee concluded that given an absence of evidence of how the drug came to be in the dog, there was no evidence of intentional administration nor ingestion by feeding and accordingly rules 174(i)(a) and 214 had not been breached. In its view the circumstances did not give rise to a breach of Rule 152(ii) in that the reputation of greyhound racing was not an issue. However, the GBGB Rules of Racing provide for strict liability if a dog is found with a prohibited substance, without regard as to how it came to be there and so Mr Cull was found to be in breach of Rules 174(i)(b), 217 and 152(i). The Committee considered taking no further action, particularly in light of Mr Cull's previously good record, but given the fact that a prohibited substance was found in the greyhound and the complete absence of evidence as to how it got there ordered a caution and a penalty of £100.

2 **Sheffield Stadium: RACE FOR GRACE – Professional Trainer Miss Lisa Stephenson**

Professional Trainer Miss Lisa Stephenson was found to be in breach of Rules 174(i)(b), 152(i), 214 and 217 of the GBGB Rules of Racing in that a urine sample taken from the greyhound **RACE FOR GRACE** at Sheffield Stadium on 27 March 2023 was analysed by LGC Health Sciences as containing the presence of secobarbital and that she had in her charge a greyhound that showed the presence of a substance that by its nature could affect the performance of the greyhound or prejudice its well-being.

3 **Sheffield Stadium: WERNERS ME NAME – Professional Trainer Miss Lisa Stephenson**

Professional Trainer Miss Lisa Stephenson was found to be in breach of Rules 174(i)(b), 152(i), 214 and 217 of the GBGB Rules of Racing in that a urine sample taken from the greyhound **WERNERS ME NAME** at Sheffield Stadium on 11 April 2023 was analysed by LGC Health Sciences as containing the presence of secobarbital and that she had in her charge a greyhound that showed the presence of a substance that by its nature could affect the

performance of the greyhound or prejudice its well-being.

4 **Sheffield Stadium: COONOUGH POGBA – Professional Trainer Miss Lisa Stephenson**

Professional Trainer Miss Lisa Stephenson was found to be in breach of Rules 174(i)(b), 152(i), 214 and 217 of the GBGB Rules of Racing in that a urine sample taken from the greyhound **COONOUGH POGBA** at Sheffield Stadium on 15 April 2023 was analysed by LGC Health Sciences as containing the presence of secobarbital and that she had in her charge a greyhound that showed the presence of a substance that by its nature could affect the performance of the greyhound or prejudice its well-being

Details of the above Inquiries 2 and 3 and 4.

With the agreement of Miss Stephenson, the Disciplinary Committee considered the above Inquiries jointly.

Mr Pete Rosney was in attendance. Professor Tim Morris, Independent Scientific Adviser was also in attendance.

The urine samples in question were both pre-race and post-race samples. In the case of RACE FOR GRACE the sample was taken on 27 March before a 660m flat handicap race of which RACE FOR GRACE was the winner.

In the case of WERNERS ME NAME the sample was taken on 11 April after a 500m three dog trial which WERNERS ME NAME had won.

In the case of COONOUGH POGBA the sample was taken on 15 April before a 500m open race in which COONOUGH POGBA finished fifth.

Local Inquiries were held on Tuesday, 2 May 2023 in relation to RACE FOR GRACE and on 16 May 2023 in relation to WERNERS ME NAME and COONOUGH POGBA. At these Inquiries Miss Stephenson suggested that the secobarbital might derive from a batch of Category 2 Animal By Product meat which she had purchased in early March.

The Disciplinary Committee heard evidence from Professor Morris that secobarbital is available as a veterinary medicine for injection for euthanasia of dogs, cats, horses and cattle. For human medical use it is available on restricted named-patient basis. Secobarbital affects dogs as it does other animals and people with

increasing doses causing sedation, anaesthesia and death through respiratory and cardiac arrest. In his opinion secobarbital as a depressant of the nervous and respiratory systems is a substance which by its nature could affect the performance of the greyhound or could prejudice the well-being of a greyhound.

Professor Morris advised that while there are strict controls on the veterinary source of secobarbital it is a common drug used by veterinary surgeons for euthanasia of horses. It is less commonly used in cattle. In his opinion it was most likely that the secobarbital metabolite found in the urine samples taken from the three dogs arose from the feeding of meat containing the veterinary euthanasia drug Somulose®

The Disciplinary Committee reviewed two calendar notices from 2014 which highlighted that category 2 Animal By Product meat might contain drug residues, and invoices produced by Miss Stephenson confirmed that she had been purchasing category 2 meat. The Committee concluded that on the evidence provided there was little doubt that the contamination derived from contaminated category 2 Animal By Product meat fed by Miss Stephenson to her dogs.

There was no evidence of intentional administration and the Committee decided there was no breach of Rule 174(i)(a) of the GBGB rules of racing nor in these circumstances any breach of Rule 152(ii).

However, the Rules of Racing provide for strict liability if a drug is found in a greyhound, even without fault, and it was clear that there had been a breach of those rules involving strict liability given the finding of secobarbital in the greyhounds. There were therefore breaches of Rules 152(i), 174(i)(b). and 217 in each case. There was also a breach of Rule 214 in that the secobarbital had been administered in the course of feeding.

In mitigation Miss Stephenson had pointed out that she had bought category 2 Animal By Product meat from her then supplier for 30 years and never had any problems. Miss Stephenson said that she had been assured by her supplier that the meat was contaminant free and safe to use because it came from animals that had had no medication. While the Disciplinary Committee noted these comments, the fact was that the meat had been contaminated and was stained and labelled as category 2.

Miss Stephenson told the Committee she had now ceased using category 2 meat for any dogs.

On the other hand, Miss Stephenson should have been aware of guidance from the GBGB only to use category 3 meat for racing greyhounds, and also that feeding category 2 meat would be considered an aggravating factor in any inquiry.

Taking these factors and Miss Stephenson's previously good record into consideration the Committee ordered a single caution and an aggregate penalty of £300 to cover all the breaches considered above.
