## THE HARE IS RUNNING FOR THE START OF NATIONAL GREYHOUND WEEK

Countdown is well underway for the sport's first-ever National Greyhound Week which sets out to celebrate the breed and highlight their amazing traits from being stars of the track, to the world's best pet.

Organised by the GBGB, this inaugural event takes place between Monday 28 August and Sunday 3 September and is dedicated to shining a light on British greyhound racing – from the canine athletes at the heart of the sport to its people, fans and partners.

Taking in the August Bank Holiday weekend, NGW will feature a week-long roadshow across the country, underpinned by this summer's Owners' Bonus Series (OBS). Along with the week's dedicated series of races, each track will be engaging in their own way – showcasing the breadth and variety of stadia up and down the country.

Many of the NGW/OBS races coincide with coverage on RPGTV and Sky Racing, ensuring fans can catch some of the action from their own homes. But National Greyhound Week is also expected to draw crowds – current and new – to the track to enjoy the special atmosphere of a race day in person.

Scott Harvey, Racing Operations Executive for GBGB, said:

*"This ground-breaking event gives everyone the chance to experience greyhound racing for the first time and provides them with an insight about what goes into getting a greyhound ready for racing, and what it takes to own one as a pet.*

*"It is an opportunity to unite and celebrate the sport at all levels in one national event, across Great Britain.*

*"We hope that NGW will become an annual fixture in British greyhound racing and we are pleased to be launching this year with an exciting set of races and events."*

## TRAINER UPDATE: GBGB SURVEILLANCE STUDY INTO KENNEL SICKNESS

In July 2023, Dr Richard Payne from the University of Nottingham conducted a routine faecal surveillance study to help GBGB gain a better understanding of the possible causes of Kennel Sickness within the racing greyhound population.

By gathering a random sample of stools from a greyhound stadium, Dr Payne was able to gain an overview of the possible infectious agents contained within a bulk sample. These findings support our general knowledge by giving us a snapshot of what potential agents may be present. The results of this study can be used as a comparison tool when investigating future serious cases of vomiting and diarrhoea.

### Overview of results

There was nothing troublesome or concerning found within the results. Most findings either fell into 'very low risk' or 'low risk' categories. There was no presence of *Campylobacter*, *Salmonella* or Canine Parvovirus.

There were some agents found at 'medium risk' levels. These are not any cause for concern, but trainers should be aware of the ways in which they can prevent the development and spread of the following:

Name	Explanation	Preventative measures / treatment
<b>Clostridia toxins (two types – alpha toxin, enterotoxin)</b>  ("Klost-rid-ee-ah")	The two types of toxins were present at medium to low levels. Clostridia are a common bacteria to find in the gut and lives there without causing problems, until some other infection damages the gut. Clostridia do, however, make nasty toxins that have been found in cases of bad sickness and diarrhoea in greyhounds and are a known cause of sudden death in many different animals. The toxins can also be the cause of food poisoning and poor food hygiene is the most common way in which Clostridia get into food.	When food is kept warm, the Clostridia grow and make toxins. You should make sure that food is cooked properly (over 65 C / 140 F) and then chilled quickly. If you feed raw, it is most important that the meat is stored and handled correctly as if you were preparing a meal for yourself.
<b>Canine enteric coronavirus</b>	This virus can cause mild diarrhoea in greyhounds and is possibly involved in the Kennel Sickness outbreaks seen in some kennels. It is not the same as the human coronavirus which causes COVID-19, so there is no risk to humans.	Since it is a virus there is no treatment, but good kennel hygiene is important in preventing spread.
<b>Giardia</b>  ("Gee-ard-ee-ah")	Giardia is a small mobile organism and causes diarrhoea in many different animals. It may be involved in Kennel Sickness.	Specific treatments are available. It is important to keep paddocks clear of faeces and try to avoid the use of very muddy or flooded areas of paddocks as this is how Giardia spreads.
<b>Roundworms</b>	Roundworms are common and can be found in adult Greyhounds. In some stool samples significant worm burdens can be present, but it is not a widespread problem.	Specific treatments are available. As well as having an appropriate worming policy, it is important to keep paddocks clear of faeces. Roundworm eggs can be very resistant and can survive many months on the ground and attached to fixtures and fittings.

### General advice regarding Kennel Sickness

To help prevent gastrointestinal infections within your kennels, in addition to regular worming treatment, it is important to always follow good biosecurity, cleaning and food handling practices.

Good food handling practices are essential and are the same as for preparing food for human consumption. Always follow these rules:

- Never handle raw food, then handle cooked food.
- Keep food preparation areas clean at all times.
- Make sure food storage is in good working order, vermin proof and any fridge/freezer doors shut properly.
- Ensure you have a reliable food supplier and obtain delivery receipts.

Trainers should also pay close attention to the condition of their paddock areas, as these represent an important part of the life cycles of both worms and Giardia. Actions which can break their life cycles include:

- Regular poo-picking of paddocks.
- Avoiding the development of muddy/poached or flooded areas in paddocks.
- Rotating paddocks on a 3-4 monthly cycle.
- Having a separate concrete or paved paddock available for greyhounds recovering from kennel sickness (and/or other illnesses), which can be hosed down and cleaned properly.

### Recovery time

The advised recovery time for greyhounds that have any type of diarrhoea is **three weeks**. This period allows the affected greyhound time to completely recover and fully restore their health and, importantly, their hydration status before returning to the track. It is crucial that this recovery time is followed, even if the greyhound may visually appear healthy and back to normal before the three weeks have passed. If this recovery time is not followed, greyhounds can be at heightened risk of serious illness or even sudden death.

### Keep GBGB informed

If your kennel experiences episodes of Kennel Sickness, please do make your Area Stipendiary Steward aware. GBGB may be able to arrange testing to find out more about the illness which may help inform the development of specific prevention and/or treatment plans. This will not only support the health of your whole kennel but will help inform wider research into greyhound health.

## NEWINN SYD AND BALLYMAC JOHN DOUBLE UP FOR MARK WALLIS, BUT GLENVALE BILL QUICKEST IN JENNINGSBET PUPPY CLASSIC HEATS

GLENVALE BILL was quickest in the heats of the JenningsBet Puppy Classic as the GBGB Category One annual for youngsters kicked off with six heats over 500m at Nottingham on Monday night - the Monmore raider saving the best for last.

Graham Rankin's September 21 son of Dorotas Wildcat and Droopys Kit had made a real splash in June's Arena Racing Company Puppy Cup at Sunderland, in which he finished second to Ballybough Mags, but now dominated the issue early on his way to win heat six by seven and half lengths from Wildcat Joe (Michael Connolly) in 29.54sec (+20).

Training honours on the night went to Mark Wallis who landed a JenningsBet Puppy Classic double courtesy of Newinn Syd (pictured) and Ballymac John, with the former producing a strong-running effort to land heat one.

Led for much of the way by Coppice Rocket (Jimmy Fenwick), the October 2021 son of Droopys Sydney and Newinn Mimi finished best to hit the front on the run for home to score by one and a half lengths from the Newcastle raider in 29.72sec (+30).

The winner's kennelmate Ballymac John proved a runaway winner of heat three, the September 2021 son of Ballymac Cashout and Ballymac Arminta riding a bump at the first bend before powering on to score by almost seven lengths in 30.35sec (+20).

Angela Harrison sent out Coolavanny Mercy to score in 29.70sec (+30) in heat two. The December 2021 daughter of Droopys Sydney and Coolavanny Tutsy posted a fastest-of-the-round 5.00sec sectional on her to an all-the-way one-and-three-quarter lengths win over Allowdale Icon (Nathan Hunt) and Droopys Prymtime (Mark Wallis).

Dave Welding's Moyar Brow also unleashed an impressive burst of early pace to lead his rivals a merry dance in heat four before the September 2021 son of Good News and Kishlawn Amelia crossed the line just over three lengths clear of Sirdar (Michael Connolly) in 30.11sec (+20).

The remaining heat five saw victory for Jimmy Fenwick's Coppice Kaiser. The Newcastle raider also won from off the front, the September 2021 son of Good News and Burgess Sarah scoring by five and a quarter lengths from Sandwood Ava (Lisa Stephenson) in 30.03sec (+20).

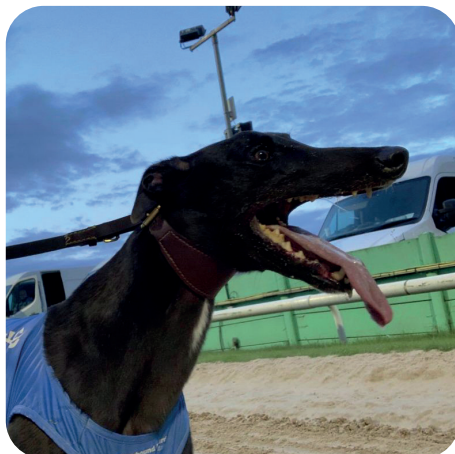

Lacie Moran, Nottingham's duty manager, said: "It was a great night's racing here at Nottingham to kick-start the JenningsBet Puppy Classic.

"Glenvale Bill backed up his recent trial with a great run for Graham Rankin, an impressive effort despite not getting the best of breaks.

"Mark Wallis has a strong team of four qualifying through to the semi-finals next week. I was particularly impressed with Coolavanny Mercy for Team Harrison and I'm sure they'll be hoping she can go one better than the Greyhound of the Year Coolavanny Aunty who was runner-up in this competition in 2021.

"The first semi-final next week looks a hot one for sure and I think a few trainers will have wished that perhaps myself and Derek Somers (JenningsBet) pulled them out in a different order as some of the younger dogs perhaps didn't get their ideal traps.

"However, it was great to see so many owners here supporting the competition and watching the live draw on Twitter. Best of luck to all connections in the semis."

## LADBROKES SUMMER CLASSIC SIZZLER AS LIZ MCNAIR SENDS FOUR THROUGH TO SATURDAY'S SEMI-FINALS, INCLUDING THE IMPRESSIVE FROMPOSTTOPILLAR

LIZ MCNAIR once again took the training honours as the Ladbrokes Summer Stayers Classic kicked off at Monmore on Saturday.

A year on from Havana Lover and subsequent champion Warzone Tom landing their heats, the same duo were back again to win their first-round contests along with Havana Bale Out and the hugely impressive Fromposttopillar, the fastest heat winner.

Last year's Olympic champion, making his six-bend debut in heat three, sluiced round the Wolverhampton venue to clock 37.72sec (-15), winning by no less than 12 and a half lengths from Droopys Clue (Seamus Cahill) to become clear ante-post favourite.

The event kicked off with the McNairs' St Leger champion Havana Lover leading home Derby third Cochise by a length and a half in heat one, making all the running off a fast start to clock 38.15sec (-15) for the 630m trip of the GBGB Category One event.

Havana Bale Out (38.30sec -15) then landed a pillar-to-post success in heat two from Hopes Woofwoof (Jason Heath) before Fromposttopillar and then defending champion Warzone Tom completed the McNair four-timer in runaway style.

Now a senior, the evergreen Warzone Tom was quickly away in heat five to scoot clear for a three lengths success from Lightfoot Falcon (Seamus Cahill) in 38.12sec (-15).

Mark Wallis's Coonough Crow produced a powerful performance to strike in heat four, coming from off the pace before pulling away for a five-and-a-half lengths success over Droopys By Amile (Nathan Hunt) in 38.24sec (-15).

The remaining Summer Stayers Classic heat six went to the Ian Langford-trained Fridays Eske after he won the early battle with Teds Dexter (Nathan Hunt) before leading home that rival by a length and a half in 38.11sec (-15).

Monmore racing manager Tony Williamson said: "It was a fantastic night's racing with the Ladbrokes Gold Cup heats producing the goods with some serious four-bend pace on show, but the six-bend competition was also top-notch.

*"You couldn't help be impressed by Fromposttopillar and the performance of the McNair team as a whole. Getting four Summer Classic heat winners was a superb effort from Rab and Liz - and there's no doubt Fromposttopillar's victory was exceptional."*

*"Watching him draw clear of his field was something special with this 35-kilo black and white dog clocking a brilliant 37.72sec with the sectional for the 210m trip at 12.38sec - also pretty special, too. That was a joy to watch."*

*"The closest time to Fromposttopillar's was from a locally trained runner in Ian Langford's Fridays Eske. Ian is our newest trainer and he saw his runner baulked in running last week before making eye-catching late progress. This time he left no room for error, pinging from the traps to make all."*

*"He's in the draw for next week's semi-finals when we can expect some more high quality racing."*

## LINKS MAVERICK LEAVES RIVALS TOILING IN 27.99SEC IN FIRST-ROUND OF LADBROKES GOLD CUP AT MONMORE

LINKS MAVERICK proved the star turn in the heats of the Ladbrokes Gold Cup which shared the stage with the Ladbrokes Summer Stayers Classic for a bumper meeting at Monmore on Saturday.

The Tom Heilbron-trained Pall Mall champion was foot-perfect from lid-rise in heat three and his trademark burst of early pace (4.22sec sectional) took him clear of his field, with only Churchfield Syd (Richard Rees) able to keep the leader in sight. However, the Premier Greyhound Racing Puppy Derby third was not for stopping as he crossed the line five lengths clear in 27.99sec (-10).

Next quickest was Laurels champion Hawkfield Ozark as Patrick Janssens' speedster raced to a 4.26sec split and establish a decent lead, albeit Stevie Knows (Barrie Draper) gradually reduced the deficit and got within a neck of the 28.11sec (-10) winner at the line.

Training honours in the first round went to Nathan Hunt as the Monmore and Romford handler landed a double courtesy of Whittings New Era and Kilara Coco.

Whittings New Era kicked off the event with a show of all-round pace in heat one as the three-year-old edged out Ballybough Mags (Harry Burton) and Pomba Jake, a kennelmate of the winner, in 28.70sec (-10) for the 480m trip.

Hunt's Kilara Coco, winner of a 575m competition at Romford last month, was not for catching in heat five once a slick exit (4.29sec sectional) set up a runaway five and a half lengths success over Derby Plate winner Whyaye Man (Mark Wallis) in 28.34sec.

March On Larry struck for Newcastle trainer Harry Burton in heat two. Quickly away and soon in charge, the three-year-old made all, albeit runner-up Droopys Rooster (Carl Gardiner) kept on well to finish just a half a length behind in 28.69sec (-10), with Aero Roland (Richie Taberner) a close-up third.

The remaining Gold Cup heat went to Jason Heath's Hopes Rhino as the Hove raider was always in the vanguard, riding a bump at the turn, before going on to score by two and a half lengths from Untold Yen (Carol Weatherall) and Droopys Ambush (Matt Dartnall) in 28.66sec (-10).

Monmore racing manager Tony Williamson said: "I suppose first off the weather was kinder to the Gold Cup and Summer Stayers Classic this year. If you remember 12 months ago we had a heatwave and had to hold over the heats until the Tuesday.

*"All was good on Saturday and we were treated to some top-class racing across both events. The track was running well and we saw some exceptional times recorded - and some serious early pace on show from Links Maverick, in particular.*

*"Tom Heilbron's dog was fastest of the night in the Gold Cup to lead home last week's impressive winner Churchfield Syd but the latter lost nothing in defeat and remains one of the leading contenders as we now look ahead of Saturday's three cracking semis."*

## REGULATORY VETERINARY SURGEON VACANCIES X 3

The Greyhound Board of Great Britain (GBGB) is the governing body for licensed greyhound racing in England, Scotland and Wales. As well as overseeing Stadia and the running of each race and trial, we are responsible for regulating the welfare and care of all racing greyhounds, from registration to retirement.

Welfare is of the upmost importance and the top priority for the GBGB, as reflected in the recently published 5 year Welfare Strategy (<https://www.gbgb.org.uk/welfare-care/commitment-to-care/>) which covers all stages of a racing greyhound's life. To support the delivery of the Welfare Strategy and the GBGB's commitment to optimising greyhound welfare, the GBGB has created five new Regional Regulatory Veterinary Surgeon roles.

We still require Regulatory Veterinary Surgeons to cover three geographical regions: The Southeast (including London), the Southwest/West Midlands and the East Midlands/East Anglia.

The Regional Regulatory Veterinary Surgeons will report to the Veterinary Executive. Their functions will include:

- Upholding the GBGB's Rules of Racing in matters relating directly and indirectly to greyhound welfare.
- Acting as a point of reference and support for Track Veterinary Surgeons in respect of their regulatory functions.
- Working closely with and supporting the field staff of Stipendiary Stewards, both at tracks and at trainers' residential kennels.
- Conducting annual veterinary kennel inspections at trainers' residential kennels.

Candidates will be Members or Fellows of the RCVS. You must have broad clinical skills and a minimum of two years' experience working in veterinary practice. A post graduate qualification in animal welfare or other relevant discipline would be desirable. Experience of working in animal sports or with an animal welfare charity would also be desirable.

The position will involve travel and independent working and therefore candidates must be able to work unsupervised and hold a clean and valid driving licence. Candidates must also be prepared to work flexibly and outside of usual working hours when required to do so.

This is a full time, non-clinical position and will be field based.

For a job description, requirements, and person specification, please contact Zoë Brown.

To apply for this position, please email a copy of your CV, together with a covering letter detailing which area you are applying for and how you fit the criteria specification to Zoë Brown, HR Manager, at [zoe.brown@gbgb.org.uk](mailto:zoe.brown@gbgb.org.uk)
