## FIVE-TIMER ON THE CARDS FOR FABULOUS TERRA IN THE SEMI-FINALS OF THE BET365 PUPPY OAKS AT TOWCESTER ON SUNDAY

FABULOUS TERRA will look to continue a fantastic start to her fledgling career and goes in search of a fifth straight win in the heats of the Bet365 Puppy Oaks at Towcester on Sunday - posting the fastest time in the opening round.

The unbeaten February 2022 daughter of Droopys Sydney and Fabulous Skylar is trained by David Mullins for owner and breeder Dave Firmager and is a litter sister of the Romford trainer's Coral Romford Puppy Cup first and third Romeo Crusade and Romeo Cypher and is also proving a precocious talent.

A winner of her debut in A4 last month, Fabulous Terra won a maiden and Puppy Oaks trial stakes before lining up in heat three of the £10,000-to-the-winner GBGB Category One event - won last year by Mark Wallis's Minnie Bullet - and made no mistake after a slick exit set up a first-bend lead.

Thereafter, the Mullins youngster was away and on her way to maintaining her unbeaten record with a near four-length victory from Easy Molly (Vicki Lea) and Coppice Ella (Kevin Hutton) in 29.26sec (normal) for the 500m trip.

Kennelmate March On Kit then completed a David Mullins double in heat four as the April 2022 daughter of Ballymac Best and Tromora Champion was also quickly away on route to winning by the same margin as Fabulous Terra, clocking 29.43sec (normal) as she crossed the line clear of Southfield Petal (Kevin Hutton) and Baggios Intent (Frank Bryce).

Liz McNair, fresh from sending out the first four in the Bet365 Puppy Derby, landed the opening heat with Puppy Derby fourth Queen Dusty as the January 2022 daughter of King Turbo and Queen Charlotte led at halfway on her way to a two and a half length success over Velvet Violet (Phil Barlow) and Dreamin Bea (Kevin Hutton) in 29.29sec (normal).

Kevin Hutton added to his team of second round runners in heat two as Droopys Debonair led at the turn before the January 2022 daughter of Droopys Sydney and Droopys Sweet stretched out to win by three and three-quarter lengths in 29.59sec (normal) with Doohoma Roxie (Seamus Gaughan) and Westfield Wispa (Jason Smith).

Deelish Nora posted a fastest-of-the-session 4.09sec sectional as a smash break set up an all-the-way length victory for the July 2022 daughter of Droopys Sydney and Ballymac Orna on just her second start for Patrick Janssens. Kennelmate La Gitana and Longacres Honey (Pat Doocey) qualified for the semi-finals behind the 29.53sec (normal) winner.

The sixth and final heat saw Colin Wilton's in-form kennel strike again as Crafty Pardiso was quickly away inside on her way to a two-and-a-quarter length success over Longacres Breeze (Pat Doocey) and Doohoma Princess (Seamus Gaughan). The winning time was 29.60sec (normal).

Towcester racing manager Andy Lisemore, said: "I thought the quality on show in the Puppy Oaks was superb and follows on from a really successful Bet365 Puppy Derby here which, of course, was dominated by Liz and Rab McNair. Of course, they still have a real chance of landing the double with Queen Dusty, but there is real competition out there.

"In fact, there's a real spread of chances with some cracking young bitches on show. Fabulous Terra was superb here again - that's three on the spin here at Towcester - and is quite a striking sort. She's a 32 kilos-plus bitch, just about the biggest in the field, and clearly enjoys Towcester. She'll improve, too, you'd imagine - as they all will."

## NEW DESTINY GOES IN SEARCH OF CAT ONE SIX-BEND SUCCESS AS BET365 CHALLENGE CUP AT OXFORD GETS UNDERWAY

NEW DESTINY sets a strong standard in tonight's opening round of the Bet365 Challenge Cup over 650m at Oxford after putting up the fastest clock in last week's trial stakes.

With an oversubscribed entry for the GBGB Category One competition, no less than eight trial stakes were staged with invitations extended to the first three in each to make up four first-round heats tonight - and Mark Wallis's bitch tops the entry in terms of times clocked last week after an impressive effort.

Pacing up well on her way to a 15.03sec sectional - also the fastest of the night before conditions became more testing later as the temperature dropped - the October 2021 daughter of Grangeview Ten and Coonough Dolly was soon in command on her way to a four-length success over Havana Top Note (Liz McNair) in 39.60sec (-30).

Next quickest was 2022 St Leger champion Havana Lover in the fifth official trial stakes as Liz McNair's runner continued her good recent good form when reeling in early leader Minnie Bullet (Mark Wallis) after halfway before going on to score by three lengths from the Gold Collar runner-up in 39.90sec (-40) for the six-bend trip.

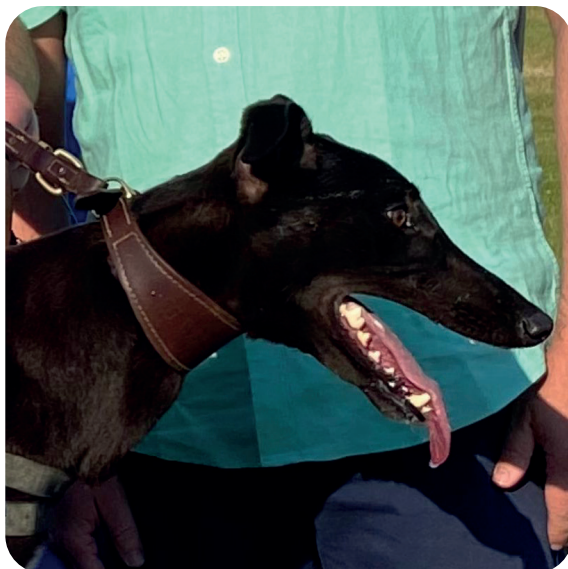

Local trainer Chris Hamblin had earlier sent out fast-starting Ela Maestro for an impressive all-the-way four-and-a-quarter lengths success from Mad For Sterling (Mark Wallis) in 39.98sec (-30), a time matched by Gold Collar finalist Aayamza Sydney as he made all to score by from Gagas Merry (Robin Jury) by three and a quarter lengths.

Matt Dartnall's Lively Lauren (40.14sec - 40) began her Challenge Cup campaign with victory in the sixth official trial stakes, leading early before holding the challenge of Gutsy Jet (Kevin Boon), while other trial stakes were won by Ballymac Johnjo (40.69sec -30), completing a double for Mark Wallis, the David Lewis-trained Alright Patricia (40.05sec (-40) and Kevin Boon's Farneys Willie (40.52sec -40).

Oxford racing manager Simon Pearson said: "Conditions became tougher as the weather began to bite, but the track handled it well and was in great condition - and saw a number of really nice performances. Then again, we expected that given a top-quality entry for what was a very popular competition - we had 58 entries in the book.

"New Destiny looked very good and looks open to improvement, too, while the usual suspects Havana Lover and Lively Lauren showed their class once again. Both run Oxford really well and you feel Lauren will come on for the run - she's only run twice since mid-September, so there's definite scope for improvement. I thought two other nice winners were Chris Hamblin's Ela Maestro and David Lewis's Alright Patricia.

"It's a very good competition with some great races to look forward to in the coming weeks."

## SYD ECLIPSES HIS RIVALS IN ULTRA-COMPETITIVE £20K CAT ONE FINAL AT NOTTINGHAM WITH A POWERFUL PERFORMANCE

NEWINN SYD landed a home victory in the Premier Greyhound Racing Eclipse Stakes Final at Nottingham recently, seeing off a strong challenge from Ireland, as well as landing champion trainer Mark Wallis a third victory in the famous event.

Crucially breaking smartly from his position inside the Graham Holland-trained pair of Bockos Crystal and Clona Duke, market rivals to the youngest finalist, the October 2021 son of Droopys Sydney and Newinn Mimi was soon in command ahead of kennelmate Ballymac John, with both Bockos Crystal and Burj Khalifa (Diane Henry) on the premises.

However, as Newinn Syd turned clear in front, and with Clona Duke now motoring into the turn, space behind the leader was tight and Ballymac John (Mark Wallis) and Droopys Google (Nathan Hunt) came off worst in the crowding which followed.

The former was knocked over but was reported none the worse for the experience by connections, but the latter suffered a muscle injury and faces three months on the sidelines, reported Nathan Hunt's kennel the following day.

For the record, Newinn Syd crossed the line four lengths clear of Burj Khalifa, who had impressed all with his back-straight surge to move into second after that first-bend crowding, with Bockos Crystal and Clona Duke in third and fourth respectively. The winning time was 29.51sec (+10).

Newinn Syd is owned by the MWD Partnership of trainer Mark Wallis, Mike Davis and Michelle Connolly and part-owner Davis revealed the victory of the two-year-old in the £20,000-to-the-winner GBGB Category One sparked mixed emotions.

"Michelle's mum is due to have an operation but didn't tell Michelle when it was so she could come over to cheer on Syd. She didn't want her worrying, but now we know it's imminent and we're heading back to Ireland now, but with the trophy. That's a real tonic for Michelle's mum Kathleen who was cheering Syd on from home.

"I've got to say well done to Mark (Wallis) and his team. They have done such a brilliant job with Syd. He's a far better dog than when here at Nottingham for the Puppy Classic. Mark gave him plenty of time to develop and you can see the class act he is now. To be fastest throughout the event and then win this final is amazing.

"It was also great to welcome Shari-Anne O'Donnell with us to Nottingham tonight. She bred both Newinn Syd and Clona Duke so had a foot in two camps I suppose, but the atmosphere amongst all the connections on Monday was really good and great to be part of for what is a great competition.

Wallis himself was delighted to have added another Eclipse title to his CV after wins for Eye On the Storm (2009) and Bridge Honcho (2013). His mother-in-law Linda Jones also won the competition backed in 1999 with Mumble Swerve.

"It's a great race to win and credit goes to the whole team at Imperial Kennels. We love Syd there and he's just matured into a top-class greyhound. All being well, he'll now head to the (Coral) Olympic at Hove along with Ballymac John."

**"WE'VE ONLY HAD THE LICENCE 15 MONTHS BUT HOPEFULLY THE LESSONS WE'VE LEARNED WILL HELP THE SPORT MAKE BRITISH BREEDING MORE ATTRACTIVE" - TRAINER AND STUD KEEPER PHIL MILNER**

BRITISH breeding will be brought sharply into focus during the next two weeks as the British Bred Derby takes centre-stage at Sheffield.

Six heats of the Category One event took place at the Owlerton venue on Tuesday and, while without a runner this year, Retford-based breeder, trainer and now stud keeper Phil Milner has fond memories of the competition having bred a finalist in the form of Keefill Finn behind Elderberry Sky in 2020.

"I suppose at the top end that litter is where it started for us," said Milner, who holds a trainer's licence at Sheffield.

"We bred our first litter out of Tarsna Bo to Jaytee Jet in 2018 and got Keefill Finn, Keefill Grace and Keefill Arthur. 3 of the 6 were top grade and open-race dogs at Sheffield and elsewhere, although unfortunately at the time we didn't have the facilities to rear and train them ourselves.

"Since then we've bought a place and set up from scratch to train and rear. I'll be truthful - it's been a slog and I could give chapter and verse about the highs and lows of the journey we're still on, not to mention the pitfalls. Some of these need to be acted on and might require change in the way the sport is set-up.

"We're actually due a meeting at the GBGB to talk about the real-life problems we and others face in breeding in the UK. We've only had the licence 15 months but hopefully the lessons we've learned will help the sport make British breeding more attractive."

The experiences of Milner and partner Keeley Cunningham in becoming successful breeders, as well as having a contract at Sheffield, are aired on the latest 'Gone To The Dogs' podcast with Joe Andrews and Dani Jackson, which Milner was delighted to take part in given he is across so many aspects of the sport.

"I could talk dogs for hours, so thoroughly enjoyed it, but there was a serious side to it in trying to progress greyhound racing. We all want the sport to prosper."

Milner and Cunningham certainly enjoyed their recent experiences at Sunderland where home-bred Keefill George made the final of the Arc Classic having impressed all and sundry when winning his semi-final in all-the-way fashion, while his sister Keefill Delphine reached the British Bred St Leger Final at Doncaster.

Both delighted Milner, as have two of the kennel's youngest runners Keefill Maverick and Keefill Goose with Maverick winning on debut in open-class company at Doncaster on Saturday and Goose running third in behind in his own first start - and in many ways their efforts have been more satisfying.

"They're from Droopys Addition's first litter on the track and, given we now stand him at stud here at the kennels, that's fantastic," he added, before explaining how he came by the former Ernie Gaskin and Gemma Evans-trained multiple big-race finalist, 2019 Trafalgar Cup champion, and 2020 Essex Vase runner-up.

"I originally approached Gemma about Droopys Addition (Eddy) for Keefill Grace as I thought her pedigree matched up really well and he'd give her the stamina she needed. However, knowing what we do here and our plans for the future, they offered us the chance to stand Eddy at stud.

*Continued overleaf*

"Unfortunately Grace's season didn't progress so she wasn't mated but we then decided to use him for Tarsna Atalanta whose first litter have done great - that's Keefil George, Delphine, Danny, Peppa and Tarsna Fern. They were looking very nice pups so we knew she was a good brood.

"Eddy himself is a cracking dog to have standing at stud. He's five years old now and certainly has his ways and lets you know if you're not following them! He's a real bull of a dog with so much power to him and he's taken to stud duties really well and, as Droopys Addition, was one of the best around on the track.

"Importantly, he's also passing that talent down. Keefill Maverick and Keefill Goose, both from his Tarsna Atalanta batch, showed that at Doncaster - and really without too much work and, for Maverick qualifying sprints and, just one four-bend trial. They only had light schooling at Bicester but Jeff Sealey rated them very highly.

"To be fair all the litter look lovely prospects with great temperaments - and now we've high hopes of a Droopys Addition litter out of Nah Then Bella, who was top-class on the track and now a top brood, too.

"She's owned by a good friend in Paul Wright and is a litter sister of Ballymac Cooper and is the dam of Fearsome Quest. She had seven pups and we have five at home. They've just been out of the boxes at Bicester for the first time and clocked faster times than Maverick and Goose did first look.

"I must say, apart from Keefill George, they're the keenest pups we've ever had and it's a trait Droopys Addition's certainly throwing - [Doncaster trainer] Jimmy Gaskin will vouch for that. He's got a really nice litter of strong-looking ten-month-olds out of Ballymac Lydia to him, while there's also a batch by Droopys Must, who is a sister of Blue Tick George.

"Then finally we've got a cracking litter now ten weeks old out of Sean O'Connors bitch Ballymac Juliet. Juliet was third in the Irish Oaks and is sister of Ballymac Wild. Her first litter by Droopys Sydney, who Kim Gooding bred and reared, are hitting the track now and one has clocked 29.78sec first look over 500m at Towcester."

As well as winning the 2019 Trafalgar Cup at Monmore and finishing second in the 2020 Coral Essex Vase at Romford, Droopys Addition reached a host of major finals including the Sussex Cup at Hove, Champion Stakes at Romford and Monmore's Gold Cup. He was known as a very powerful and consistent runner on the track, but his pedigree also attracted Milner.

"He's from one of the best damlines of the last five years. Droopys Hilda has thrown some unbelievable dogs - the likes of Droopys Aofie, Droopys Buick, Droopys Noah, Droopys Smasher, Javielenko and Roman Empire - and they, in some cases, have thrown some amazing runners. For instance, Buick threw Irish Derby winner Newinn Taylor and there are so many others from that side.

"Addition's sire is the great Droopys Jet and a couple of his sons are flying at stud. Ballyhimikin Jet is one of the most talked about stud dogs in Ireland and Lenson Bocko has already thrown De Lahdedah.

"I love talking breeding lines and myself and my good friend Geoff Parnaby, one of the best breeders in the business, can talk for hours on them.

"Geoff's taught us so much and told us having Droopys Addition here in the UK was a great opportunity - I'm just hoping we can get a couple of good Droopys Sydney bitches to him as I think the cross is perfect!"

However, Milner warns that without support British breeders will struggle to match the efforts of their Irish counterparts.

"As breeders it's simply not financially viable to stand studs in the UK if we're not supported. The regulations and costs involved make it difficult and, if he's not used, we can't justify it - so the message to breeders has to be to use the stud dogs that stand in the UK, if you can and they suit your breeding plans.

"We have a growing calendar of British-bred events, which is great, but need more incentives. There are some brilliant breeders in the UK who put so much in but it sometimes feel we're constantly paddling upstream.

"The paperwork and turnaround time needs looking at - and we desperately need schooling facilities. You cannot school a pup correctly at most licensed tracks. They need experience and variation and, while it's great if they're straightforward, the ones that are not need time - and tracks don't have that, or the facilities to help.

"Schooling and rearing is an art - it's not as easy as many believe. British-bred races are great for the owners of British-breds but financially that doesn't filter down to breeders who really get no support. More needs to be done for them."

## INCREDIBLE FIRST FOUR HOME IN RPGTV ENGLISH PUPPY DERBY AT TOWCESTER FOR RAB AND LIZ MCNAIR, HEADED BY THE BRILLIANT KING MEMPHIS

KING MEMPHIS led home an incredible one-two-three-four in Sunday's RPGTV English Puppy Derby at Towcester as King Memphis followed up his track record-breaking performance in the semi-finals with another impressive victory in the £10,000 decider.

Remarkably, the brilliant December 2021 son of Droopys Sydney and Queen Beyonce also led home a littermates one-two-three with his brothers King Capaldi and King Combs crossing the line in the places ahead of kennelmate Queen Dusty in fourth.

And really from the get-go, a clean sweep for Liz and Rab McNair and the owning KSS Syndicate's home-breds looked on the cards with King Capaldi smartly into stride and leading into the turn ahead of eventual winner King Memphis. Queen Dusty was also prominent outside.

King Capaldi stretched his field out down the back but was never any more than two lengths in front of King Memphis who began to make serious headway past halfway and swooped to conquer on the run for home to land the Category One competition.

Reeling in King Capaldi, the stronger King Memphis had three-quarters of a length to spare over the runner-up, going away, with King Combs staying on well himself in third and Queen Dusty taking fourth to complete the perfect scenario for a delighted Rab McNair.

"That was fantastic and everything you work for," he said. "We've had these pups from their first seconds of their lives. Liz whelped Beyonce down, stayed with the pups, made sure they were feeding well off mum, then you let nature takes its course!

"Fast forward to Sunday and Liz is watching at home with the next bunch of pups, plus the older ones, and sees the fruits of all that hard work. It's what it's all about and these pups have just been brilliant - they've run great and we couldn't have asked any more.

"Memphis breaking the track record was one thing, but then winning the Puppy Derby is great. Many thanks to Towcester, to the sponsors, and to my friends Wayne and Liz Mazey who helped me out on the day. Wayne paraded King Combs, Liz had Queen Dusty and Jemma Tebbutt who works for 'Big John' Mullins had Capaldi.

"Thank-you to them all and to the lads, who make all this possible - Brendan (Keogh), Simon (Senyk) and Ian (Openshaw). We couldn't do any of this without their support."

On behalf of the sponsors, RPGTV's executive producer Clive Lawrence said: "That was some achievement from Rab and Liz, so well done to them and the KSS Syndicate.

"After last year's well-documented issues with the competition, it was brilliant to see the Puppy Derby run smoothly, so well done to Towcester and to Kevin (Boothby, promoter) and his team and we look forward to some more top-class racing from Towcester and Kevin's other tracks in 2024.

"However, back to Sunday's winner and King Memphis in particular looks top-class. Breaking the Towcester track record in the semi-finals was something else and, looking ahead, connections will have high hopes of his chance in the 2024 Star Sports English Greyhound Derby, which will be live on the channel."

The Coral Olympic at Hove is the target for King Memphis and King Combs, with runner-up King Capaldi set to head to Sheffield for the BGBF British Bred Derby.

## TREBLE IN BGBF BRITISH BRED DERBY AT SHEFFIELD IN OPENING ROUND FOR LIZ MCNAIR

LIZ MCNAIR and Kevin Ferguson won five of the six heats between them as the BGBF British Bred Derby kicked off over 500m at Sheffield on Tuesday.

McNair and her husband Rab plundered a treble with littermates King Sydney and King Capaldi plus Queen Joni to continue the kennel's fine run of form after sending out the first four home in the recent RPGTV Puppy Derby at Towcester.

Puppy Derby runner-up King Capaldi proved fastest of the night as he rounded off the evening in fine fashion by getting the better of Signet Goofy (John Mullins), a finalist last year having also won the Steel City Cup, by a length and a quarter in 28.66sec (+10).

Litter brother King Sydney triumphed in the opening heat with a first-bend lead setting up a two and three-quarter length success over Acomb Jasper (Kevin Ferguson) in 28.89sec (+10), also justifying odds-on favouritism in the process.

The McNair treble included Produce Stakes champion Queen Joni monopolising heat two as a show of all-round pace saw her make all the running before leading home Acomb Johnny (Kevin Ferguson) by three lengths in 28.72sec (+10).

Owner, trainer and breeder Ferguson was also at the double in the heats with littermates Acomb Alfie and Acomb Irene both landing the spoils.

Acomb Alfie ran amok in heat four as a fast start set up a near-four length victory over Some Effort (Barrie Draper) in 28.83sec (+10), while his litter sister Acomb Irene also landed a trap-to-line over Fabulous Sonique (Mark Wallis) in 28.98sec (+10).

The remaining heat three went to Tom Heilbron's Fearsome Enigma as the former Sheffield tracker, now representing the Newcastle handler, clocked a fastest-of-the-night 4.13sec split before holding Savana Top Cat (Chris Hamblin) by half a length in 28.98sec.

Andrew Mascarenhas, director of racing at the Owlerton venue, said: "I thought it was an excellent night's racing - a really classy start to the British Bred Derby.

"Obviously being quickest King Capaldi will take the plaudits for the McNairs and rightly so, especially with his brother King Sydney also winning, but I've also got to give a real shout out to Kevin Ferguson and what he's doing with his March 2021 litter by Hiya Butt out of Acomb Ruby.

"Six of them were entered - and all six qualified. Two finished third, two finished second and he had a pair of winners with Acomb Alfie and Acomb Irene. Kevin is a regular visit to us here at Owlerton venue and it's great to see him doing so well.

"I also think Signet Goofy deserves praise as well. I know he was beaten on the night by King Capaldi, but it was the fastest time of the night and he's just a great competition dog with success here in the past having won the 2022 Steel City Cup."

## REGULATORY VETERINARY SURGEON VACANCIES X 3

The Greyhound Board of Great Britain (GBGB) is the governing body for licensed greyhound racing in England, Scotland and Wales. As well as overseeing Stadia and the running of each race and trial, we are responsible for regulating the welfare and care of all racing greyhounds, from registration to retirement.

Welfare is of the upmost importance and the top priority for the GBGB, as reflected in the recently published 5 year Welfare Strategy (<https://www.gbgb.org.uk/welfare-care/commitment-to-care/>) which covers all stages of a racing greyhound's life. To support the delivery of the Welfare Strategy and the GBGB's commitment to optimising greyhound welfare, the GBGB has created five new Regional Regulatory Veterinary Surgeon roles.

We still require Regulatory Veterinary Surgeons to cover three geographical regions: The Southeast (including London), the Southwest/West Midlands and the East Midlands/East Anglia.

The Regional Regulatory Veterinary Surgeons will report to the Veterinary Executive. Their functions will include:

- Upholding the GBGB's Rules of Racing in matters relating directly and indirectly to greyhound welfare.
- Acting as a point of reference and support for Track Veterinary Surgeons in respect of their regulatory functions.
- Working closely with and supporting the field staff of Stipendiary Stewards, both at tracks and at trainers' residential kennels.
- Conducting annual veterinary kennel inspections at trainers' residential kennels.

Candidates will be Members or Fellows of the RCVS. You must have broad clinical skills and a minimum of two years' experience working in veterinary practice. ## DISCIPLINARY COMMITTEE INQUIRIES

The Disciplinary Committee of the GBGB was in attendance at a meeting held on 19 October 2023.

Those present:

Dr J Hunt (in the chair)  
Mr R O'Donovan  
Mr P O'Dowd

### 1 Crayford Stadium – Professional Trainer Nick Deas

Professional Trainer Mr Nick Deas was found in breach of Rules 174 (i)(b), 217 and 152(i) of the GBGB Rules of Racing in that a urine sample taken from the greyhound **HITTHELIDS TIAGO** at Crayford

Stadium on the 14 July 2023 which was analysed by LGC Health Sciences as containing the presence of caffeine and paraxanthine.

Mr Deas was in attendance by computer link, as were Professor Tim Morris, independent scientific adviser and Daniel Rayment, Racing Manager, Crayford Stadium.

A pre-race sample was taken from Hitthelids Tiago on July 14 which upon analysis by LGC identified the presence of caffeine and paraxanthine. Hitthelids Tiago was competing in a 540m S8 graded race in which he finished third, four lengths behind winner Thruppence Penny, despite being favourite at odds of 15/8 (having opened at

2/1) and was reported to have been crowded on a couple of occasions during the race. His time was slower than his best recent time and this was attributed to the trouble during the race.

Professor Morris gave evidence that caffeine is not available as a veterinary medicine although it has been used historically in dogs. It is widely available in food products, including tea. Caffeine is recognised as a stimulant, including of sporting performance. Possible side effects include restlessness, agitation, excitement, vomiting, diarrhea, polydipsia, and polyuria, thus caffeine as a mental and cardiac stimulant is a substance which by its

nature could affect the performance or could prejudice the wellbeing of a greyhound. Paraxanthine is a metabolite of caffeine, and its presence in the sample provides strong evidence that the caffeine detected had been excreted by the dog. The levels of both substances exceeded the Residue Limits (RL) for caffeine and associated substances agreed by GBGB in 2020.

The presence of these substances in the dog's sample could not be accounted for by anything in the Treatment Book. The feeding and care regime described by Mr Deas did not suggest obvious sources for the substance; food preparation for the dogs is undertaken in a separate area, although vegetables for their feed are purchased from supermarkets alongside groceries for human consumption. Mr Deas was confident that his staff understood and complied with his procedures to prevent contamination of the dog's feed. The process of transporting the greyhound to the track and its kenneling appeared secure, however parking at the track is in a public area and Mr Deas expressed concern that litter including discarded coffee cups and caffeinated drinks could be found there. Mr Deas also commented that rarely had he noticed a track vet make coffee in the paddock.

It was noted that Hithelids Tiago was not muzzled when he was walked in this public area and in the paddock at the track, a practice Mr Deas said he would now change. Mr Deas reported that none of the dog owners had visited the kennels at around the time of the positive sample.

It was not possible for the Committee to determine the source of caffeine ingestion, but they were persuaded that administration had not been deliberate or with intent. Nonetheless Mr Deas accepted that there had in some way occurred the accidental presence of a prohibited substance in a greyhound for which he was responsible. The Committee noted the absence of past fault in Mr Deas' disciplinary record. However, he was in breach of the strict liability rules 174(i)(b) and 217 and therefore 152 (i). Mr Deas was cautioned and a £200 penalty imposed, and was advised to ensure that his dogs were muzzled when in environments that they could scavenge in discarded litter, and advice to the track was issued to maintain the environs surrounding it.

## 2 Romford Stadium – Professional Trainer Katie O'Flaherty

Professional Trainer Ms Katie O'Flaherty was found in breach of Rules 174 (i)(b), 217 and 152(i) of the GBGB Rules of Racing in that a urine sample taken from the greyhound **JET STREAM CHARM** at Romford Stadium on 12 July 2023 analysed by LGC Health Sciences as containing the presence of benzoyllecgonine and m-hydroxycocaine. The dog had been presented for a trial session as per local Entain rules after being knocked over the previous week.

Ms O'Flaherty was in attendance by computer link, as were Professor Tim Morris, independent scientific adviser, Mr. Mark Arkell (Racing Manager, Romford Stadium), and Mr Paul Illingworth, Entain Head of Stadia- Commercial.

On the 12 July 2023 a pre-trial sample was taken from Jet Stream Charm trained by Miss O'Flaherty which, upon analysis by LGC, identified the presence of benzoyllecgonine and m-hydroxycocaine. Jet Stream Charm was competing in a 400m trial at Romford, in which he finished in a time of 24.41sec, consistent with his previous form.

Professor Morris gave evidence that benzoyllecgonine and m-hydroxycocaine are metabolites of cocaine in the urine of dogs and people. Cocaine is not available as a veterinary medicine. For any of its very limited human medical use it is a highly restricted schedule 2 controlled drug due to the very significant level of serious abuse by people. Without medical prescription, cocaine is illegal to possess and is classified as a Class A substance under the Misuse of Drugs Act. Cocaine and benzoyllecgonine are recognised as mental stimulants in dogs and other animals and people. Cocaine administration may also be associated with a significant reduction in cardiac function in dogs. Thus, cocaine and benzoyllecgonine, as nervous system stimulants, are substances which by their nature could affect the performance or could prejudice the wellbeing of a greyhound. m-hydroxycocaine is a metabolite of cocaine, and its presence in the sample provides strong evidence that the dog had been exposed to the parent compound (cocaine). Furthermore, the known excretion profiles of cocaine and its metabolites enabled Professor Morris to conclude that it

was more likely that ingestion had occurred days, rather than hours, prior to the sample collection.

The presence of these substances in the dog's sample could not be accounted for by anything in the Treatment Book. The feeding and care regime described by Ms O'Flaherty did not suggest obvious sources for the substance. She was confident that her staff would not have been a source for the substances and reported that security at her kennels was satisfactory and that there was always someone on site. The process of transporting the greyhound to the track and its kenneling appeared secure. The dog was described in the stipendiary stewards' report as over-friendly and Ms O'Flaherty reports that he is eager to lick people whom he meets. Jet Stream Charm is reported to be muzzled when not in kennels, such as when he is exercised in a local field. Ms O'Flaherty reported that the dog's owner had not visited the kennels at around the time of the positive sample. Ms O'Flaherty reported that contractors had been on the site of her kennels to attend to roofing of an outside paddock in the week of the positive sample. Although the contractors were supervised by a member of the kennel staff, they were allowed to interact with the dogs. Ms O'Flaherty had not contacted the contractors in the wake of the positive finding and had no evidence that they might have been the source of the substance. Ms O'Flaherty reports that she has now displayed a sign at the kennels which reads 'If you are a visitor do not touch the greyhounds without permission. Strict handling rules to avoid cross contamination'.

It was not possible for the Committee to determine the source of cocaine ingestion but given the lack of identification of the parent molecule, and evidence from Professor Morris on the likely time of exposure, the Committee were persuaded that administration had not been deliberate or with intent. They were concerned that permitting the interaction of the dogs with persons of unknown background, such as contractors visiting the kennel site, represented a degree of carelessness on the part of Ms O'Flaherty.

Nonetheless Ms O'Flaherty accepted that there had in some way occurred the accidental presence of a prohibited substance in a greyhound for which she was responsible. The Committee noted one instance of

an unrelated prohibited substance detection in the disciplinary record. The Committee found Ms. O'Flaherty to be in breach of the strict liability rules 174(i)(b) and 217 and therefore 152 (i). The serious nature of a rule breach associated with the presence of a Class A controlled drug was highlighted. Disqualification was considered but deemed not appropriate in these circumstances. The sanction imposed was a reprimand and £500 fine.
