FELIX LEADS HOME LITTERMATES 1-2-3 FOR KEVIN FERGUSON IN BGBF BRITISH BREEDERS STAKES FINAL AT NOTTINGHAM

ACOMB FELIX led home littermates Acomb Irene and Acomb Johnny for a Kevin Ferguson-bred, trained and owned clean sweep in the final of the BGBF British Breeders Stakes Final at Nottingham recently..

In what proved to be Ferguson's most successful night as a handler after a number of near-misses, the Yorkshireman landed his first Category One title after Acomb Felix took up the running down the back-straight after hot favourite Coppice Gracie faltered and lost her position after suffering a gracillis injury.

Thereafter, the Steel City Cup third and British Bred Derby runner-up never looked likely to be beaten as Acomb Felix crossed the line a length and half clear of Acomb Irene and Acomb Johnny, two of four members of the March 2021 batch by Hiya Butt out Acomb Ruby who made the final line-up in the £12,500 event.

The other was fifth-placed Acomb Alfie, but a 1-2-3 for the Kinsley handler delighted him and his three brothers and sister who joined him at the presentation podium, where Liz Mort, chair of the British Greyhound Breeders Forum, was on hand to present the trophy.

"We're actually a litter of eight!" smiled Ferguson surrounded by his siblings. "I'm happy they're here when we've finally won one. It's taken a few goes but I can die happy I've won a Cat One now after 25 years trying! Of course, you never want to win like that and I wish Jimmy (Fenwick) and Tony (Brealey) all the best with Gracie - she's a great bitch.

"We always felt Felix would be up there and so it proved. He deserves to win a big one after going close a couple of times and we were hopeful it might be our night after another of the litter Acomb Jasper just had his head down on the line when it mattered most in one of the earlier 500m races. He managed to win by a short-head.

"My thanks to Tim and Guy, who work with me, as do my wife Jackie and daughter Eleanor - they're away at the moment and I'm joining them tomorrow! They all do a great job and played their part in what happened at Nottingham," added the retired bricklayer.

Liz Mort congratulated Kevin Ferguson for his feat in owning, training and breeding the first three home - and agreed the York-based handler was overdue success after numerous attempts in close calls in other major British-bred competitions.

"Congratulations to Kevin and the team - what a great night for them with first, second and third. Putting this into perspective, Kevin has a grand total of six racing dogs in his kennel - all from the same March 21 litter, the second by Hiya Butt out of their home-bred dam, Acomb Ruby - and there's another litter from her on the ground, albeit unexpected!

"Acomb Ruby is by Kinloch Brae out of another Ferguson home-bred Ring Ouzel who was by Westmead Hawk out of a very well-bred bitch Keg Of Powder (Top Honcho x First To Return). All six qualified for the semi-finals at Nottingham and four made the final - so from a breeding point of view it doesn't get better than that!

"Kevin originally thought Acomb Felix was more of a sprinter and wasn't sure the 500m at Nottingham was quite for him but he handled it well to land Kevin a first Cat One.

"Of course, our thoughts and best wishes were with connections of Coppice Gracie - Jimmy Fenwick and Tony Brealey - for a speedy recovery. Coppice Gracie was bred by Kevin Hutton by his 2018 Derby winner Dorotas

Continued overleaf

Wildcat out of Not Too Late, also trained by Hutton and a half-sister (out of Bigmans Grainne) to Ice On Fire, who was Jimmy's Greyhound of the Year, so she always had links to the north east!

"Not Too Late had made a very promising start to her career on the track but broke a hock in only her seventh race so was retired then mated to Dorotas Wildcat and had a litter of seven in November 21, one of which is Coppice Gracie. She had another litter for Hutton last year - nine pups - by Signet Denver, so they'll be well worth looking out for.

"Sixth placed Tickets Bullet also deserves a mention. A recent addition to Jimmy Fenwick's kennel, he was bred by Elizabeth Handley and is by Grangeview Ten out of her Vulturi bitch Francos Cas. Now owned by Melanie Fenwick, Tickets Bullet had won four of his ten races before this competition, and is an improving sort.

"We also saw the final of our BGBF British Bred Midlands Sprint Trophy, a Category Three, with Keefill George taking the spoils in this one.

"A March 21 dog by Skywalker Logan out of Tarsna Atalanta, he was bred by Phil Milner and is owned and trained by Phil and Keeley Cunningham.

"George won his heat well last week and was runner-up in the final of this event last year. Runner-up this time was Coppice Ebby (Magical Bale-Bravo Kiss) bred by Claire Conley and trained by William Russell for owner Tony Brealey.

"Our thanks as always, of course, to the team at Nottingham for hosting the competition so well and to Arc, without whose continuing support we would not be able to achieve what we do. Both we at the BGBF and Nottingham are immensely proud of the Breeders' Stakes, which has a tremendous history and a brilliant roll of honour.

"The original Produce Stakes dates back to 1983 when Glatton Grange won the competition at Harringay. It then moved to Wembley, then Hall Green in 1993, then in 2009 to its home now at Nottingham - albeit the 'new' British Breeders' Stakes at Nottingham had its inaugural running in 2013 when Adageo Bob won for Mark Wallis.

"So over the years, we've had such winners as Fearless Champ (1985), Phantom Flash (1990), Westmead Spirit (dam of Irish Derby finalist Currie Kid), Westmead Merlin (1994), Staplers Jo (1995), Westmead Hawk (2005) and Romeo Recruit (2012) - a timely reminder that these famous greyhounds were all British-bred!

"Then in more recent years we've seen the likes of Swansalona Diva, Eden The Kid, Romeo Rumble, King Louis, Candlelight Fire and Signet Otis win it - then last year Romeo Command, who went on to be second in the Derby, landed the spoils. Now, Acomb Felix has added his name to that roll call of champions!"

NIGHT TO REMEMBER FOR KEVIN PROCTOR WHO LANDS HIS FIRST CAT ONE SUCCESS WITH FRONT ALICE IN CORAL GOLDEN SPRINT

FRONT ALICE provided owner and trainer Kevin Proctor with his biggest success when lifting the Coral Golden Sprint Final at Romford - to complete a fantastic story for the Essex-based handler.

Sent off a 14-1 chance to land the £10,000 prize at the London Road venue, the September 2021 daughter of Droopys Sydney and Droopys Alice was quickly into stride and led at the first bend, taking full advantage of favourite Druids Say Go being crowded of contention after a moderate exit compared to her starts in both heats and semi-final.

Leading round the first two turns from Kila Detail (Richard Rees), Front Alice never looked likely to give up the advantage and kept her rivals at bay to score by three-quarters of a length from the Hove tracker in 23.86sec (normal) for the 400m trip.

A delighted Proctor, with time to reflect on the achievement, said: "I felt confident going into the final, thinking we'd not seen the best of Alice. She'd pinged the lids in her first race at Romford in January, but because it was hand-timed we didn't get a split time, even though the overall time was pretty good.

"I'm pretty convinced that was a very good split, but we'd not seen that since and she'd slightly lost that zip at the traps. She's so keen to get going but is thankfully calm enough to hold it all together in the kennels, so I knew a fast start was around the corner - and thankfully it came in the final.

"I'd had her checked over by physio Kevin Lewis after the semis. She was given the all-clear and got everything right on a night that mattered. Her trapping, pace and bravery at the bend was there for all to see and to beat some other highly respected finalists - the whole competition was packed-full of greyhound talent - is just brilliant.

"Alice has a quirk in that she sometimes stops walking when she doesn't want to. Putting her back in her kennel she can slam the brakes on outside and just stand there. We don't drag her in but let her stand there and throw a tasty biscuit on her bed and, when she's ready, she goes in and we close the door!

"The kennel staff at Romford find it very funny and give her a little nudge from behind to get her walking in for weighing in and vet inspection. She just wants to get racing!

"You hear other handlers say their good dogs do everything right and Alice is no different. She's a dream to own and train.

"My uncle Jimmy Organ, who is now in his late 80s, had greyhounds back in the day and my father-in-law Bill Rann's dad was a greyhound trainer at Rye House. I've had lots to talk about on the phone to them at times, but it was very special to have them witness Front Alice's victory at Romford. They were bouncing - we all were!

"We have four retired greyhounds here - Front Edge, Front Society, Front Cover and Front Move, who could be part of our next British-bred litter. We have seven young June 22 pups starting out at Harlow by Droopys Sydney and Front Society. We also have Front Mali, who was third in last year's Oxfordshire Gold Cup behind Swift Iconic and Burnchurch Mick.

"Another of ours, Front Edition, raced in Ireland with Martin Lanney and was leased to David Campbell in Scotland. She had four British-bred pups by Pestana who are now 13 months old - they're with David Pruhs being schooled. We've got a dog pup coming.

"Our numbers will also increase soon with seven pups at 16 months old by Ice On Fire out of Front Amani - she was a 27.94sec Irish Oaks finalist. Amani has a second litter of three six-month pups by Ballymac Cashout in Ireland. We brought Front Amani over for a crack at the 2021 English Oaks where she posted 28.08sec (+10) in a qualifying trial.

Continued overleaf

"She was beaten in the first round by half a length by the eventual winner Billys Diva, which was a credible effort. Unfortunately, she wasn't so fortunate in the second round and was retired to the breeding paddocks.

"Front Pasha, who clocked 28.31sec at Shelbourne Park, was an English Oaks semi-finalist for us and has a litter of five to Ballymac Bolger in Ireland and has just been mated to King Sheeran who coincidentally dead-heated with Front Edge in the third round of the English Derby at Nottingham. Front Edge ran well for us in that Derby.

"The many calls and messages after Romford were overwhelming. I also have to mention the sporting hugs and comments at the pick-up after the race - hats off to the handlers of the other five finalists, that was really kind. Then the beaming smiles and handshakes in the kennel at wash down and in the stands afterwards - from people we know and many we don't - was really heartwarming. This game is not dead at all.

"I had a ten-year plan to find the best-bred bitches I could afford. To race them in open or competition class, retire them, breed from them, race the pups - and win a Category One!

"The important 'Front' team consists of my partner of 12 years and kennelhand Justine Maynard. I wouldn't be able to do the dogs without her input. She was brought up around horses and is our ready-made nurse on site - she's brilliant at dog and horse repairs! We only need a vet in worst cases. Justine loves the dogs and is totally hands-on.

"Justine's daughter Hollie also helps out with the dogs. Hollie has taken a very keen interest in one pup in particular Front Baloo. He's a big, gangly 35-kilo baby, who's known as Mouse. He's been given more time to fill out and grow into his big frame.

"He's had some sprints and couple of four bends at Harlow but needs longer straights to really stretch out - I'm hoping Towcester or Hove can accommodate us soon.

"Hollie is keen, is an 18-year-old studying at an animal university, and is maybe another generation to carry on with the dogs.

"Justine, Hollie and myself have a strong bond after helping the pups into the world. It was an amazing experience - five of the litter of nine had to be coaxed into taking the first breath which took up to ten minutes for some. Gently shaking and rubbing them, or using a thin piece of straw up the nose, brought them into life - it was a first for us all!"

Proctor was keen to pay tribute to those who have provided inspiration over the years for the success he has enjoyed - including in the Coral Golden Sprint Final.

"It's been a wonderful journey and I'd like to thank Kevin Boon. His is a small kennel that's had some big results and he called to congratulate me the day after Romford - then before ringing off reminded me I've got to win another eight Cat Ones to get up to him! Superb.

"Maurice Newman was also great. He got hold of me at Harlow after seeing Front Edge do 26.15sec in a qualifying trial and said "he's a fast dog, son, what are you doing with him?" I told him the Monmore Puppy Derby then the English Derby. "He's too young to run in the English Derby this year," he said. "We'll see," I said. We formed an instant bond and he always encouraged me to do it the Kevin Proctor way.

"Often my mobile would be vibrating and ringing in my pocket at the pick-up of a race. "Just to say well done, son", then he rang off. We named one of the pups Momo after him. He's got his own way of thinking. Maurice championed the small man, the underdog. It's why I liked him so much. Some days he'd call six, seven, eight, nine times a day.

"I miss the man that was.

"I must also mention Harlow. The owner, racing manager and staff have been so helpful, even though I've not had many graded runners since becoming a trainer. However I've always supported the Wednesday opens and the track has accommodated me with trials and mark-ups etc. A massive thanks to them.

"All the above was borne out of the GBGB's private trainer's licence which allowed you to have two greyhounds at home. It was the perfect start which developed into the professional trainer's licence I hold today."

Hollie and Front Baloo, aka "Mouse"

UPCOMING TRAINER WEBINAR: GREYHOUND BEHAVIOUR AND THE TRANSITION TO RETIREMENT

As part of GBGB's ongoing commitment to enhancing greyhound health and welfare through education and training, we are pleased to be running a series of webinars focussing on greyhound emotional health and supporting their successful transition from racing to retirement.

Our guest speaker is Dr Sarah Heath FRCVS, who is a Royal College of Veterinary Surgeons (RCVS) and a European Board of Veterinary Specialisation (EBVS®) European Veterinary Specialist in Behavioural Medicine, as well as a Certified Clinical Animal Behaviourist.

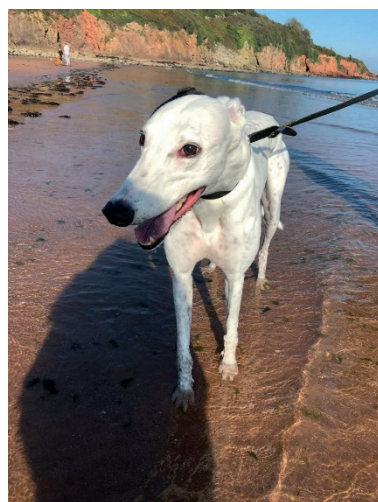

In addition to running a referral practice in veterinary behavioural medicine, Dr Heath is a visiting lecturer in the discipline at the University of Liverpool Veterinary School and on the veterinary medicine course at the University of Central Lancashire. She regularly lectures to the veterinary profession at home and abroad.

The final of the three seminars will be held on Wednesday 3rd April (12pm – 1pm). This session will focus on understanding the emotional impact of a greyhound's transition from racing to retirement.

To register, please contact GBGB's Learning and Development Manager, Meriel France, at meriel.france@gbgb.org.uk.

All GBGB licence holders are welcome to attend. Those attending the live sessions will be accredited with one-hour Continuing Professional Development (CPD). For those who are unable to attend live, the sessions will be recorded and will be available for a limited time post-event.

DISCIPLINARY COMMITTEE INQUIRIES

The Disciplinary Committee of the GBGB was in attendance at a meeting held on 19 March 2024.

Those present:

Mr H Starte (in the chair)

Mr R O'Donovan

Mr P O'Dowd

1 **Towcester Stadium:
Professional Trainer
Ms Jooles Slater**

Professional Trainer Ms Jooles Slater was found in breach of Rules 49 (iv), 147 (i) (a) and 152 (i) and (ii) in respect of the administration of a substance that by its nature could affect the performance and well-being of the greyhound GREENER PASTURES prior to its race at Towcester Stadium on 6 June 2023 and her failure to use her best endeavours to ensure the performance of GREENER PASTURES in that race was to the satisfaction of the Local Stewards. She was found in breach of Rules 69A and 152 (i) and (ii) by her unauthorized withdrawal of five greyhounds from racing at Towcester Stadium on 20 June 2023. She was in breach of Rule 9 by allowing, permitting and causing an individual to be present and to perform licensed duties on licensed premises, namely her kennels, on or around 27 and 28 June 2023.

Ms Slater did not attend. Area Stipendiary Steward Mr Peter Rosney and Stipendiary Steward Phil McComish were in attendance.

The Committee decided to proceed in Ms Slater's absence. It heard that Ms Slater was now

living in Northern Ireland. She had acknowledged notice of the hearing and in communications with the Director of Regulation, Mr Phillip Law, she had said she would be unable to attend because she would be in England and then had work commitments. She had not asked for an adjournment. The day before the hearing, Ms Slater had submitted a statement concerning the breaches alleged against her and had not then asked for an adjournment. On the morning of the hearing she had very briefly “joined” the online video meeting before disconnecting. The Committee considered that it was the fair and proper course to proceed.

The Committee heard that on 6 June 2023 the greyhound GREENER PASTURES, trained by Ms Slater, had run its debut race in a 270m D3 grade race at Towcester Stadium. Before this the dog had trialled at the stadium on 15 May, 23 May and 30 May 2023.

On 15 May GREENER PASTURES weighed 32.7kg and recorded an adjusted time of 16.54 over the distance. On 23 May it weighed 32.9kg and recorded a time of 16.59. On 30 May it weighed 32.7kg and recorded a time of 16.44.

When the greyhound was first weighed on 6 June it had exceeded the permitted 1kg increase in weight since its trial on 30 May. The Committee heard that Ms Slater had retrieved the dog and taken it outside for between 15 and 25 minutes for it to empty. When presented again, the dog weighed 33.6kg, a permitted increase of 0.9 kg since its final trial.

GREENER PASTURES was well supported in the market, starting as

6/4 favourite. However it ran very poorly, finishing fifth. Track vet Polly Smith's evidence was that she had gone to speak to the kennelhand bringing the dog off the track because, watching the race, she had thought the dog had gone lame. It had not.

The Committee heard that when racing had been completed, it was reported to a paddock steward that the dog in kennel F4 (the kennel allocated to GREENER PASTURES) had vomited. The track vet inspected the kennel and found a deposit of vomit containing a large amount of food. She photographed it and collected it in two pots. When weighed, one pot contained 487g of vomit and the other contained 370g: a total of 857g.

At a Local Inquiry held on 22 June 2023 Ms Slater told Stipendiary Steward Phil McComish that on 6 June the greyhound had only been fed a race day breakfast at about 9am consisting of “a handful of nuts”. Mr McComish confirmed to the Committee that Ms Slater had meant a breakfast of between 10 and fifteen biscuits of the Redmills or similar type. This or something like a slice of brown bread was a normal race day meal fed to placate a dog when the other dogs in a kennel were getting the normal breakfast. Ms Slater had given no explanation how GREENER PASTURES could have vomited the amount collected by the track vet. She offered no other explanation how the vomit had been found in the kennel allocated to GREENER PASTURES. She said the 0.9kg weight increase since its trial on 30 May had been because she had been trying to put weight on the dog.

However, the dog's weight was less for its two subsequent and last races in Ms Slater's charge: 32.9kg on 12 June and 32.6kg on 18 June 2023.

In her statement submitted the day before the hearing, Ms Slater said that on race day the greyhound had been given a much smaller meal than she usually fed dogs and that she had done this because it had vomited in the van going to the track for two of its trials. She claimed that the weight recorded on 6 June had been wrong, as she claimed had been the case "multiple times" at Towcester over a period of months. She said dogs were frequently put in the wrong kennels and in kennels unwashed after previous use and returned after racing to different kennels. She suggested she had had disagreements with other trainers at the track, who may have been responsible for the vomit being found in her dog's kennel after the race.

Mr McComish told the Committee that Ms Slater and her partner Mr Jason Mernor had complained on previous occasions about the weights recorded for dogs at Towcester stadium. But no other trainers had, to his knowledge, raised any issues about weights being incorrect. Ms Slater had not raised this issue at the Local Inquiry. Nor had she raised any of the other claims made in her recent statement.

The Committee heard that on 20 June 2023 Ms Slater had five greyhounds on the card for races at 18.28, 18.43, 19.18, 19.56 and 20.38 at the Towcester Stadium meeting: EIRE COMMANCHE, EIRE DELIGHT, EIRE MARKO, NORDUFF IMPERIAL and EIRE EDDIE. The first race on the card started at 18.09.

Rule 69A (ii) (b) provides that if an owner or authorised agent (such as a trainer) wishes to withdraw a dog from a race "for any reason other than one which would normally lead to its Withdrawal in any case under these Rules, he/she shall not be allowed to do so unless he/she has:

- i) handed a statement in writing of reason(s) for the Withdrawal to the Racing Manager not later than 8 hours prior to the time of the first Race, and
- ii) given a deposit of £50 to the Racing Manager by such time, and
- iii) obtained the Racing Manager's consent to such Withdrawal, who shall report the Withdrawal to the Director of Regulation who may make such order as he thinks fit."

At 14.27 on 20 June 2023, Ms Slater sent an email to the Racing Office at Towcester Stadium which read: "Please withdraw all my runners tonight". None of her 5 dogs were subsequently delivered to the track to race. This was the only notice given that they would not be delivered.

Ms Slater told the Local Inquiry held on 22 June that she had a bout of sickness and diarrhoea which started first thing in the morning on 20 June. The greyhounds could not be taken to the track because she was the only available driver.

However, the Committee was shown a text message that Mr McComish had received on 19 June from Ms Slater's partner Mr Jason Mernor. Mr Mernor complained that his dog EIRE COMMANCHE should be removed from the card because it was racing against two dogs that should have been graded as A1 dogs. The Committee heard that Mr Mernor had also made this complaint to Racing Manager Mr Andrew Lismore, who had rejected it and decided EIRE COMMANCHE should stay on the card.

In her statement submitted on 18 March 2024, Ms Slater said her story of sickness had been untrue. She said she had been suffering from mental health issues since her father's death shortly before she obtained her trainer's licence. She had had multiple life threatening crises, she said, and this included one on the night before the race meeting. She had given her false explanation to the Local Inquiry because she did not wish people to know how badly she was suffering at that time. She said she and Mr Mernor had been unhappy with the grading of EIRE COMMANCHE and she admitted they had decided not to take that dog to race on 20 June. But she had intended taking the other dogs until Mr Mernor decided that she was in no fit state to go and that it would not be good for her mental health. He had sent the email from her account.

Mr McComish told the Committee that some time before 20 June there had been an incident involving Ms Slater at Towcester Stadium that had caused him to be concerned about her mental welfare. . With this in mind, he had asked her how she was at the Local Inquiry. . The Committee noted Ms Slater had produced no medical or other supporting evidence for what was said her recent statement.

The Committee heard that until 13 June 2023 Mr Mernor had been

licensed as assistant trainer to Ms Slater. At that date, Mr Mernor was in dispute with the GBGB over conditions that had been placed on his licence. Dissatisfied that the GBGB would not remove or change those conditions unless he appealed against their imposition, on 13 June Mr Mernor emailed requesting that his licence be terminated immediately. By email in reply the GBGB informed him that his licence would be terminated as from 2pm unless he requested otherwise before that time. He was also informed that as an unlicensed individual he would not be able to perform licenced duties at Ms Slater's kennels.

On 27 June 2023 BULLET WILDCAT, a greyhound owned by Mr Mernor and trained by Ms Slater raced in a 500m Flat A6 race at Towcester Stadium. The 9/4 favourite, it led for much of the race before cramping and falling short of the winning line. On 28 June Ms Slater posted on the Greyhound Racing Ownership Twitter account a video showing Mr Mernor walking two greyhounds at her kennels, BULLET WILDCAT and TRAPPER ARON, with the message "Great to see Wildcat up and about with his mate Trapper Aron. Wildcat is fine and well, a nice rest up for him now".

Soon after midday on 28 June Area Stipendiary Steward Mr Pete Rosney visited Ms Slater's kennels. His evidence to the Committee was that on arriving he went to the concrete area in front of the main kennel block. There he saw Mr Mernor going in and out of a kennel block to one side, pulling a trolley loaded with feeding bowls. He recognised the bowls as a design unique to those kennels, that had been designed by a previous trainer's father. He could not see the dogs in the kennel but saw the bowls of food being taken in by Mr Mernor. Mr Mernor was wearing a green and white "Celtic" shirt, as he had worn in the Tweeted video. He had spoken with Mr Mernor and Ms Slater. Mr Mernor had said he was entitled to be there because he was an owner (which was not the case). Ms Slater had explained Mr Mernor's presence saying she had 84 greyhounds in the kennel and only her and Jason to look after them, as she had a member of staff off sick and another on leave.

In her statement submitted on 18 March 2024, Ms Slater said that two days before she and Mr Mernor had received from another trainer's licensed kennelhand who was "known for drug use and violence" threats to stab and kill Mr Mernor

and to burn down her kennels and her home address. Mr Mernor was at the kennels to keep watch for this person, looking at the security camera screen in the kennel kitchen. She said she had in fact given staff the day off that day and was happy to cope with the kennels alone. She had only asked Mr Mernor to feed her unregistered puppies that were barking because she had got behind with the feeding. The Tweeted video was old footage of Mr Mernor, who wore his Celtic shirt on a daily basis in nice weather.

Mr Rosney told the Committee he had been told about the threats by Ms Slater and Mr Mernor. He had told them to report the matter to the police and to give the police his contact details so he could assist. He was not aware that any report was made to the police and he was not contacted by the police. Ms Slater and Mr Mernor had not suggested Mr Mernor was at the kennels because of the threats or to guard the premises.

Overfeeding

The Committee was entirely satisfied on the evidence that the vomit collected from the kennel by the track vet on 6 June 2023 had come from GREENER PASTURES and that it was the result of the dog being fed a large quantity of food on that day by Ms Slater or by someone acting with her knowledge and approval and that, as had been Ms Slater's intention, this had caused the greyhound's poor performance. There had been clear and serious breaches of Rules 49 (iv) and Rule 174 (1) (a). This was completely unacceptable and dishonest conduct that was a threat to the well-being of the greyhound as well as a fraud on the betting public. It was seriously prejudicial and damaging to the integrity and proper conduct of greyhound racing and to the sport's reputation in serious and so in breach of Rule 152 (ii). Necessarily there was also a breach of Rule 152 (i). The appropriate sanction was that Ms Slater be disqualified for 2 years and pay a fine of £1000.

Unauthorised withdrawals

Ms Slater unquestionably did not comply with the requirements of Rule 69A in respect of her five greyhounds on the card to race on 20 June 2023. The Committee found that this was a very serious breach of the Rule. While it accepted that Ms Slater may have been suffering from mental health issues at this time, it did not

accept that these or a mental health crisis as claimed by her was the reason why Ms Slater's greyhounds were not delivered to race. It finds on the balance of probability that Ms Slater and Mr Mernor decided not to deliver the dogs in response to the track not accepting the complaint made by Mr Mernor about EIRE COMMANCHE running against dogs Mr Mernor considered should have been running at a higher grade. Ms Slater may have been strongly influenced by Mr Mernor to withdraw the dogs, but she was the licensed trainer with responsibility for making that decision. This was an unauthorized withdrawal capable of sabotaging the meeting. Ms Slater's conduct was a serious threat to the good management and reputation of greyhound racing, for which reason the Committee found her also in breach of Rule 152 (ii). Necessarily there was also a breach of Rule 152 (i). The appropriate sanction was that Ms Slater be disqualified for 1 year and pay a fine of £1000.

Unlicensed kennel staff

The Committee also found Ms Slater in breach of Rule 9 by allowing, permitting and causing Mr Jason Mernor to be present on licensed premises and to perform licensed duties when he was not a licensed person. The Committee did not accept that the video of Mr Mernor walking greyhounds at Ms Slater's kennels and billed by Ms Slater as showing BULLET WILDCAT after its fall on 27 June 2023 was in fact untruthful, misleading old footage. The Committee unhesitatingly accepted Mr Rosney's account of what he saw and what was said at Ms Slater's kennels on 28 June 2023. Mr Mernor was performing licenced duties, probably helping out when Ms Slater was lacking staff. The appropriate sanction was that Ms Slater receive a reprimand.

Ms Slater's total of three years disqualification would be deemed to have started on 30 June 2023.

The Disciplinary Committee of the GBGB was in attendance at a meeting held on 21 March 2024.

Those present:

Mr R O'Donovan (in the chair)
Dr J Hunt
Mr H Starte

1 **Harlow Stadium:
Professional Trainer
Mr Peter Witchell**

Professional Trainer Mr Peter Witchell was found in breach of rules 174(i)(b), 152(i) and 217 of the GBGB Rules of Racing in that a urine sample taken from the Greyhound DROPDOWN LOVELY at Harlow Stadium on 3 August 2022 was analysed by LGC Health Sciences as containing the presence of salbutamol and that he had in his charge a Greyhound that showed the presence of a substance that by its nature could affect the performance of the Greyhound or prejudice its well-being.

Mr Peter Witchell was in attendance. Mr Carol Chown-Smith, Stipendiary Steward, and Professor Tim Morris, Independent Scientific Adviser, were also in attendance. The urine sample was a pre-race sample. DROPDOWN LOVELY then participated in a 238 Metre Open Race finishing fourth and 7 lengths behind the winner. Betting opened and closed at 22/1.

A Local Inquiry was held at Harlow on 28 September 2022 at which Mr Witchell assisted by being very open with his answers to questions needed for the Disciplinary Committee. At the time he suggested that the finding of salbutamol derived from an inhaler which he regularly used.

Professor Morris advised the Disciplinary Committee that salbutamol is commonly used, usually via an inhaler, in people for the symptomatic relief of respiratory obstruction. It may also be prescribed for use in dogs for a similar indication. Salbutamol affects dogs as it does other animals and people, dilating airways and raising the heart rate. Side effects can include tremor, headache, muscle cramps, a fast or irregular heartbeat, sleep disturbances and changes in behaviour, especially in larger doses. In his opinion salbutamol is a substance which by its nature could affect the performance of the Greyhound or with its side-effects could prejudice the well-being of a Greyhound.

Professor Morris advised that the salbutamol found could derive from indirect contamination from Mr Witchell's use of his inhaler from illegally imported norethisterone tablets, or a combination of both.

Professor Morris and Mr Philip Laws of the GBGB told the Committee that there had been a shortage of the suppressant norethisterone in the Spring of 2022. On 1 June 2022 the GBGB had issued a notice in the Calendar warning trainers and others that sourcing medicines such as norethisterone without a prescription, where one was required,

constituted a criminal offence. By August 2022 the GBGB was finding adverse analytical results. A majority of these could be traced to imported norethisterone. Later testing revealed the presence of salbutamol in the type of norethisterone tablet used by Mr Witchell.

Mr Witchell told the Committee that about two or three weeks after the notice in the calendar the vet who usually supplied his norethisterone told him that he had obtained some supplies of norethisterone which actually cost less than the previous supplies. The reason for the price being reduced was in the view of the Committee no doubt because the new supplies had been manufactured in India and, probably, illegally imported. While it was noted that payment was in cash and there was no paper prescription, this was normal procedure for this vet and Mr Witchell was accordingly not on notice of anything irregular.

There were, therefore, two potential sources for the finding of salbutamol, being first contamination via inhaler and second contamination via the Indian norethisterone. The Committee decided that on the evidence the balance of probability was that the salbutamol derived from the Indian norethisterone. The reasons were first that Mr Witchell had used his inhaler for a number of years, had a number of dogs routinely tested and there had been no findings of salbutamol in his dogs. Second the level of salbutamol found was more consistent with levels found in other samples taken from bitches suppressed using the Indian tablets and higher than the typical historic findings resulting from an inhaler. Third, notwithstanding the entry referring to norethisterone in the Treatment Book being dated 7 September the Committee were told that norethisterone was given daily and regularly and thought it likely that the Indian norethisterone had been used before the sample was taken from DROPDOWN LOVELY on 3 August.

It was clear on the facts that there was a breach of the rules imposing strict liability given that a prohibited substance was found in DROPDOWN LOVELY, these rules being 174(i)(b), and 217 and it followed that there would then also be breach of Rule 152(i). While it was arguable that there was a breach of Rule 174(i)(a) in that the Indian norethisterone containing salbutamol was undoubtedly “administered” the Committee decided not to declare a breach given that there was clearly

no intent to administer salbutamol. In the view of the Committee Mr Witchell had behaved perfectly properly in using norethisterone supplied by his vet, there was no damage to the reputation or proper conduct of racing caused by him and there therefore was no breach of Rule 152(ii).

Given Mr Witchell’s full co-operation with the GBGB and taking the view that had behaved reasonably in purchasing norethisterone from his vet not knowing [“or suspecting”?] that it was or could be contaminated [“or that it was not being properly prescribed”?]. The Committee thanked Mr Witchell for his help and ordered that no further action be taken.

2 Oxford Stadium: Professional Trainer Miss Deborah Pearce

Professional Trainer Miss Deborah Pearce was found in breach of Rules 174(i)(b), 152 (i) and (ii) and 217 of the GBGB Rules of Racing in that a pre-race urine sample taken from the Greyhound DISTANT MINDY at Oxford Stadium on 22 September 2022 was analysed by LGC Health Sciences as containing the presence of cetirizine and that she had in her charge a Greyhound that showed the presence of a substance that by its nature could affect the performance of the Greyhound or prejudice its well-being.

Miss Deborah Pearce was in attendance. Mr Peter Geeves, Swindon General Manager (being Miss Pearce’s current manager) and Professor Tim Morris, independent scientific adviser, were also in attendance.

At a Local Inquiry held on 28 October 2022 Miss Pearce suggested that the cetirizine came to be in the Greyhound through the use of “Premot-N” norethisterone tablets.

The Disciplinary Committee were advised by Professor Morris, that cetirizine is not available as a veterinary medicine. It is an antihistamine drug used in a large number of human medical products without prescription. In his opinion with its potential for a depressant effect on the nervous system, cetirizine is a substance which by its nature could affect the performance of the Greyhound or could prejudice the well-being of a Greyhound.

Professor Morris and Mr Philip Law of the GBGB told the Committee that there had been a shortage of norethisterone in the Spring of 2022. On 1 June 2022 the GBGB

had issued a notice in the calendar warning trainers and others that sourcing medicines without a prescription, where one was required, constituted a criminal offence. By August 2022 the GBGB was finding adverse analytical results. Many of these could be traced to imported norethisterone including Premot-N. Later testing of Premot-N in November 2022 revealed between 9 and 10 contaminants per sample, including cetirizine.

Miss Pearce was helpful in confirming that there had been a shortage of norethisterone in 2022 and she had obtained a supply of Premot-N from a dog physiotherapist. She acknowledged that she should have been aware that norethisterone should only be supplied on prescription. She had not seen the calendar notice warning trainers of the danger of using unauthorised imported norethisterone.

On the basis of the above facts and given the finding of cetirizine in DISTANT MINTY the Disciplinary Committee found that Miss Pearce was in breach of the strict liability rules, that is to say Rules 174(i)(b), and 217 and as a consequence 152(i). While it was arguable that there was a breach of Rule 174(i)(a) in that the Indian norethisterone containing cetirizine was undoubtedly “administered” the Committee decided not to declare a breach given that there was clearly no intent to administer cetirizine. On the other hand, Miss Pearce was lucky in that the norethisterone was not contaminated with more dangerous drugs than cetirizine and buying the norethisterone other than from an authorised source and with a prescription [“was prejudicial to the integrity and proper conduct of greyhound racing and did potentially damage the reputation of greyhound racing and there was a breach of Rule 152(ii)].

The Disciplinary Committee considered that there was moderate culpability in this case and in respect of all breaches ordered a penalty of £300 and a severe reprimand.

3 Ex-Professional Trainer Billy Burnham

The Disciplinary Committee lifted the disqualification imposed on Billy Burnham ex Professional Trainer.

The Committee heard that Mr Burnham had been disqualified indefinitely in or about 2006 in relation to the employment of an unlicensed kennel hand and the abandonment of greyhounds. There

was a lack of detail save as supplied by Mr Burnham. The Committee understood the abandonment to be because his kennels had been passed on to new unlicensed owners (one of whom had been the unlicensed kennel hand) and the welfare of his dogs had never been in issue. Mr Burnham had no wish to act as a professional trainer or kennel hand but only wished to become an owner.

The Committee agreed to lift his disqualification first because after a period of just under 20 years the original sanction would have served its purpose. Second, Mr Burnham had been 24 at the time and lacked experience as a professional trainer and of life. He was now 42, with a wife and three children and in regular employment. Third, the plan was only for him to become an owner and the Committee noted that if he were to become a kennel hand or professional trainer a new licence application would have to be made to the GBGB which would be able to make further enquiries if they wished. Accordingly the Committee ordered that the disqualification be lifted.

UPDATED HOT WEATHER POLICY

GBGB has released an updated Hot Weather Policy for 2024.

The **Hot Weather Policy** provides a structured approach to help mitigate the effects of hot weather on racing greyhounds. GBGB's policies for racing in weather extremes are regularly reviewed to ensure they are based on the latest veterinary and scientific research and guidance.

The updated policy has been circulated to relevant stakeholders and can be found on the GBGB website at the following address: <https://www.gbgb.org.uk/rules-regulation/policies-procedures/>
