GBGB UNDERTAKE RESPONSIBLE HOMING POLICY REVIEW

We recently carried out a review of our Responsible Homing Policy and retirement forms due to an unacceptable number of retired greyhounds that, having been privately homed, have subsequently been picked up as strays by members of the public, veterinary practices or the local dog warden. In most cases a home check has not been carried out, the greyhound has not been neutered and, in some cases, the address has not been of a residential home or premises suitable to accommodate a greyhound. This is in breach of GBGB Rule 18 and the Responsible Homing policy and therefore more robust measures have been put in place.

Please find below the updated Responsible Homing Policy with regards to greyhounds that are privately homed rather than through a homing centre or retained by the racing owner. The additional information that will now be required if a greyhound is privately homed to a new owner are listed below:

- GBGB Homing information form duly signed by all parties
- *Photo ID (passport or driving licence)
- *Proof of address (utility bill dated within three months), which can be emailed directly to welfare@gbgb.org.uk

*Copies of identification documentation will be held by GBGB for 12 months, after which time they will be deleted.

The identification documents must be emailed to welfare@gbgb.org.uk before the new owner takes the greyhound into their care and ahead of the submission of the completed GBGB retirement and homing information forms.

The new owner can email copies of the required identification documents directly to GBGB via **welfare@gbgb.org.uk**. GBGB will hold identification documents on record for the maximum of a 12month period, in line with our privacy, confidentiality and GDPR policies.

An email will already have been sent to all trainers with the relevant GBGB forms attached.

GBGB ANNOUNCE 2026 CATEGORY ONE AND TWO RACING SCHEDULE

The Greyhound Board of Great Britain and the Open Race Planning Committee has today published its open race calendar for 2026.

A schedule packed full of action to celebrate 100 years of our sport, 2026 will see 50 category one competitions and 27 category twos spread across a range of tracks, distances and categories including seven events solely for British Bred greyhounds.

Following on from their success last year, both the Arena Racing Company Scurry at Dunstall Park and Star Pelaw's Untold Racing Stewards Cup have been upgraded from category two to category one competitions while Oxford welcome a number of new category two events to their track.

May and June see the Greyhound Derby take centre stage and once again the event boasts a jam-packed supporting card giving a range of owners and trainers their chance to take part in the greatest night our sport has to offer.

Following the pending closure of Swindon, the 80th GBGF Produce Stakes finds a new home at Towcester, allowing the best home grown talent the opportunity to test themselves over the Derby course and distance.

Once again the year will be rounded off with a trip to the North East where Newcastle will pay tribute to their former trainer Jimmy Wright with his Future Stars Puppy Trophy, which runs alongside the ARC All England Cup.

Speaking of the announcement, GBGB's Racing Operation Executive Louise Warr said "2026 will be an exciting year for the sport of greyhound racing with a whole host of events taking place to celebrate 100 years both on and off the track and we wanted an open race schedule that reflects this.

"My thanks go to the Open Race Planning Committee, promoters, sponsors and tracks for their cooperation in putting together a comprehensive programme that perfectly showcases the diversity and talent that our sport has to offer. It looks to be a busy but thrilling year ahead."
