## RACING ROUND UP

All the big race action from the last 14 days.

### Queen Katherine wins BGBF British Bred Maiden Derby title

LIZ MORT, chair of the British Greyhound Breeders Forum (BGBF), has congratulated Queen Katherine and Dan Brabon after their success in the £7,500 BGBF British Bred Maiden Derby at Newcastle – a rare victory for a southern-based trainer in the north-east.

### Newcastle GM Walton keen for annual Harry Burton memorial

NEWCASTLE general manager Ian Walton says he would be more than happy to stage the Harry Burton Trophy again after last week's first running of the Category Two competition staged in memory of the former trainer.

### All Irish affair for 2026 Star Sports & Orchestrate Ltd English Greyhound Derby Final

THE English Greyhound Derby trophy is heading back to Ireland. Saturday's £125,000 final of the Star Sports & Orchestrate Ltd-sponsored Classic at Towcester – now a five-runner affair after the unfortunate withdrawal of Paul Hennessy's Lennies Tank – will be an all-Irish affair after last weekend's semi-finals of the famous race saw a clean sweep for the visitors.

## BIG BROTHER'S CHRIS HUGHES VOICES RETIRED GREYHOUND IN ADOPTION CAMPAIGN

**Share Your Life With A Greyhound,** the Greyhound Board of Great Britain's retired greyhound adoption campaign, has teamed up with Celebrity Big Brother's Chris Hughes to continue its promotion of retired greyhounds as great pets.

Building on the success of last year's 'Adopt A Sporting Legend' campaign with rugby star Joe Marler, after which the number of retired greyhounds entering homing placements increased by 25%, the newest campaign video is on the theme of **'Anything But Grey'**. Showcasing greyhounds' colourful personalities, the video stars TV and Sports Presenter Chris Hughes as the voice of a much-loved pet greyhound enjoying a day in the life of his retirement. Whether at the park, the pub, or at home on the sofa, the video captures retired greyhounds' sweet temperaments which make them the perfect family pet.

Greyhounds are calm, affectionate dogs who love nothing more than cuddling up with their owners on the sofa. Dubbed the '40mph couch potato', these retired racers make the dream companion for any pet parent. They can sometimes sleep for up to 20 hours a day, and only require two 20-minute, on-lead daily walks. Most greyhounds only race until they are between the ages of three and five, so while 'retired' they are relatively young and have a long life ahead of them as companion animals.

On his involvement with the campaign, Chris Hughes said:

*"It's fantastic to have the opportunity to promote this wonderful breed of dogs who make such excellent pets. Having grown up around working dogs, I know first-hand how wonderful they are as pets once they stop working, and this is no different with greyhounds."*

*"I would strongly encourage anyone who is looking to adopt a dog to consider getting a greyhound. They are such gentle and fun dogs which can slot seamlessly into so many different lifestyles, especially as they don't need too much walking, and their personalities are certainly Anything But Grey!"*

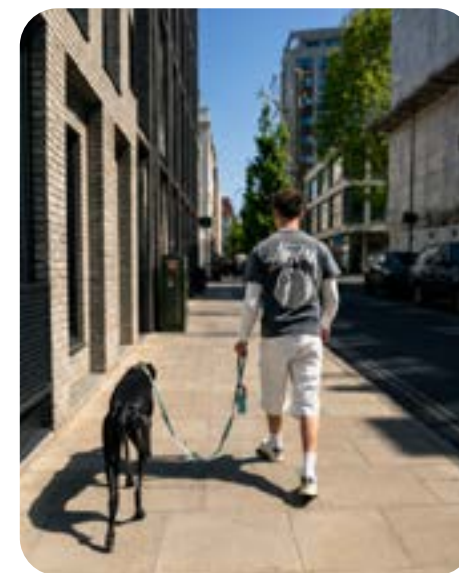

The 'Share Your Life With A Greyhound' campaign offers a wealth of information to prospective adopters – including a list of approved homing centres across the country, and a wide range of information about the greyhound breed, their needs and how to best care for them.

Since its launch in late 2024, the 'Share Your Life With A Greyhound' campaign has been highly successful, with over 5,350 greyhounds placed with approved homing centres in

2025 compared with 4,238 in 2024 – a 25% increase in demand for the breed – and more than 37,000 prospective adopters visiting the campaign page to learn more about the breed. Having struggled with the post-Covid downturn in the number of people adopting a pet, homing centres across the country have seen the positive impact which the campaign has had over the past year, particularly following the 'Adopt A Sporting Legend' video.

Cress Lee, Share Your Life With A Greyhound's Campaign Manager, said:

*"We are delighted to have had this opportunity to work with Chris Hughes to further promote retired greyhounds as pets. He has really captured the quirky personalities which greyhounds have and how well they fit into so many different homes and families once they retire from racing. We have already seen the significant impact of our 'Adopt A Sporting Legend' campaign last year, and hope our 'Anything But Grey' video helps to spread the word even further about what wonderful, fun and loving pets retired greyhounds make."*

*"Anyone who is looking to adopt a dog should definitely consider reaching out to one of our fantastic homing centres to find out more about greyhounds. There truly is a perfect greyhound for every home and our centres are perfectly placed to help you find yours."*

Any other case of indisposition of a Greyhound due to or likely to be due to run shall be reported by the Trainer to the Racing Manager(s) concerned without delay.

ii) When a greyhound is injured when participating in a race, trial or sales trial the attending Veterinary Surgeon must make a record which

the Racecourse Executive must keep at the racecourse, setting out;

- a) the nature of the injury sustained;
- b) either the microchip number or earmark of the Greyhound;
- c) details of any treatment administered to the Greyhound;
- d) the distance of the race, trial or sales trial in which the injury occurred; and
- e) the date of the injury.

iii) No later than 48 hours after a scheduled race or trial meeting, the attending Veterinary Surgeon must record the required data on the GBGB Track Injury Database.

iv) Where a 'First Aid Treatment, Written Direction & Transport Certificate' (the 'Certificate', also known as Transport of Injured Greyhound or 'TIGH' certificate) is issued by a veterinary surgeon regarding a greyhound, a copy must be sent to the relevant Racing Office promptly and no later than 24 hours after issue. The Racing Office must promptly, and no later than 48 hours after the issue of the Certificate, provide a copy of the Certificate to the stadium's Stipendiary Steward, the Regional Regulatory Veterinarian and the GBGB Veterinary Executive.

The information referred to in sub-paragraph (ii) must be kept for at least 10 years from the date of the injury.

#### **Rule 142 – Judge, post-Race procedure, No Race declaration**

#### **Reason for amendments**

To add the option for the local stewards to disqualify a greyhound from taking any further part in a competition or from an elimination round of a competition if that greyhound was the cause of the no race.

#### **Amendments**

After: "If anything happens in a Race which causes the Local Stewards to give consideration to the declaration of 'No Race' they shall defer giving to the Judge their approval of any Order of Finish and shall cause an announcement to be made that a Local Inquiry is to be held."

Add a new paragraph:

The Local Stewards shall disqualify any greyhound or greyhounds

from further participation in a race, including any elimination round, if they determine that the greyhound(s) was responsible for causing the 'No Race'. Rule 91 shall apply.

#### **Current Rule**

The Judge shall occupy a suitable position in the Local Stewards' Box or Judge's Box throughout the Race. Unless the Local Stewards decide otherwise, the Judge shall indicate to them the Order of Finish and when this has been approved by them the Trap Numbers of the Greyhounds occupying the first three places shall be publicly announced and displayed. When Order of Finish has been confirmed the Local Stewards shall announce 'Order of Finish Official' (and where available, display a green light) and the Order of Finish shall then be final.

If the Local Stewards decide to declare 'No Race', an immediate announcement 'No Race' made (and where available, display a red light). If anything happens in a Race which causes the Local Stewards to give consideration to the declaration of 'No Race' they shall defer giving to the Judge their approval of any Order of Finish and shall cause an announcement to be made that a Local Inquiry is to be held.

#### **Appendix VI – GRB GUIDELINES, PROCESS AND PENALTIES**

##### **Reason for amendment**

- 1) To allow GRB to have the flexibility for a Stipendiary Steward to determine the outcome of a positive sample at a Local Inquiry.
- 2) To remove any reference to the GBGB veterinary director.

##### **Amendments**

Sub-section 8.5.6 After: "second Stipendiary Steward".

Add: Cases of positive samples, after review by the Director of Regulation and Senior Stipendiary Steward, will either be determined at a Local Inquiry by a Stipendiary Steward or be forwarded to the DoR for determination before the Disciplinary Committee.

Sub-section 8.6.3 Remove: "The GBGB veterinary director will oversee the process outlined at 8.6.2 above."

Sub-section 8.6.6 After: "Having held a local inquiry the Stipendiary Steward will"

Add: either forward the outcome of the decision to the DoR and SSS, or if the case is to be referred, will forward the case papers to the DoR.

Sub-section 8.6.7 – Flowchart To be amended to reflect changes to 8.6.6

##### **Current Rule**

*Cases to be determined by the Stipendiary Steward*

8.5.6 The expectation is that the outcome of the majority of all cases will be determined by a named Stipendiary Steward who may be accompanied by a second Stipendiary Steward, however all cases of positive samples will be forwarded to the DoR for determination before the Disciplinary Committee.

8.5.7 Stipendiary Stewards will also hear, where appropriate, those cases investigated by one of the GBGB Investigators where after review by a combination of the DoR and the Senior Stipendiary Steward it is considered proportionate for the case papers to be forwarded to the Area Stipendiary Steward to be heard.

8.5.8 In all cases the Stipendiary Steward will be responsible for informing the Authorised

Representative and the Racing Manager in writing that they will be conducting a Local Inquiry. The written communication will detail those considered as the affected person(s) and state the possible breach of the Rules.

8.5.9 The Stipendiary Steward will also write to the affected person setting out the possible breach of Rules. That written communication will also contain a reference to the process by which an affected person can, if they wish, accept the breach and the consequences of so doing.

8.5.10 The Racing Manager will arrange the Local Inquiry and inform all parties of the date, time and place. It is the responsibility of the Racing Manager to ensure that the Local Inquiry takes place within 21 days of notification by the Stipendiary Steward, see paragraph 8.5.8.

8.5.11 Upon hearing the evidence at the Local Inquiry the Stipendiary Steward shall refer to Section 5 – Consistency and Proportionality of Penalty and consider the appropriate penalty as laid down in Section 6 – Description of the Penalty. Some examples of the types of breach and attendant sanctions are outlined in Section 7 – Penalty Guidelines.

8.5.12 If at the Local Inquiry an affected person chooses not to submit themselves to the jurisdiction of the Stipendiary Steward the case papers will be forwarded to the DoR and the case will proceed to a Disciplinary Hearing.

*Stipendiary Steward having held a Local Inquiry refers case back to the DoR*

8.5.13 Cases may arise where for whatever reason a Stipendiary Steward having heard a Local Inquiry forwards the case papers to the DoR to consider. These matters will be rare given the expectation that the Stipendiary Steward will deal with the majority of cases. If this does occur and the DoR having reviewed the case with the SSS consider that it should continue to be dealt with by the Stipendiary Steward, rather than the Disciplinary Committee, the case may be referred back to the Stipendiary Steward under Rule 159 (iv). Where the case is to be brought before the Disciplinary Committee it will normally be heard within 16 weeks of the complaint or allegation.

8.5.14 From any Local Inquiry the papers will be registered with the DoR and the results published.

Complaints Policy Flowchart

8.6 Positive Sample (See Process Map)

8.6.1 Samples will be taken from greyhounds in accordance with the procedures laid out at Appendix IV of the GBGB Rules of Racing.

8.6.2 Notification of a positive sample will be referred from the laboratory dealing to the Director of Regulation and any person designated by the DoR to receive, prepare reports or distribute such information on his behalf. They may also confidentially consult other authorities at their discretion.

8.6.3 Within 48 hours or as soon as reasonably practicable, person(s) designated by the Director of Regulation will provide the DoR or his nominee with a written confirmation that a case can proceed. The GBGB veterinary director will oversee the process outlined at 8.6.2 above.

8.6.4 The DoR or nominee will in accord with internal procedures ensure that the owner and trainer are informed of the positive sample before the details are sent to the Racing Manager of the Racecourse where the sample was taken or the media informed. This should be within four weeks of the race taking place.

8.6.5 The Stipendiary Steward will be instructed to hold a Local Inquiry and will notify the Authorised Representative by letter setting out the details, as referred to under the heading Cases to be heard by the Stipendiary Steward. The Racing Manager is responsible for informing all parties; including the Authorised Representative of the Racecourse concerned of the date and time a Local Inquiry is to be heard (see paragraph 8.5.10).

8.6.6 Having held a local inquiry the Stipendiary Steward will forward the case papers to the DoR. The DoR or his nominee will review the case papers. Having held the review if further evidence or clarification of matters is required before further action is taken, then the DoR or his nominee will request the appropriate person e.g. Independent Scientific Advisor or Investigator that further inquiries be undertaken or evidence obtained.

#### **Amended Rule**

*Cases to be determined by the Stipendiary Steward*

8.5.6 The expectation is that the outcome of the majority of all cases will be determined by a named Stipendiary Steward who may be accompanied by a second Stipendiary Steward. Cases of positive samples, after review by the Director of Regulation and Senior Stipendiary Steward, will either be determined

8.5.8 In all cases the Stipendiary Steward will be responsible for informing the Authorised Representative and the Racing Manager in writing that they will be conducting a Local Inquiry. The written communication will detail those considered as the affected person(s) and state the possible breach of the Rules.

8.5.9 The Stipendiary Steward will also write to the affected person setting out the possible breach of Rules. That written communication will also contain a reference to the process by which an affected person can, if they wish, accept the breach and the consequences of so doing.

8.5.10 The Racing Manager will arrange the Local Inquiry and inform all parties of the date, time and place. It is the responsibility of the Racing Manager to ensure that the Local Inquiry takes place within 21 days of notification by the Stipendiary Steward, see paragraph 8.5.8.

8.5.11 Upon hearing the evidence at the Local Inquiry the Stipendiary Steward shall refer to Section 5 – Consistency and Proportionality of Penalty and consider the appropriate penalty as laid down in Section 6 – Description of the Penalty.
